***"We specialize in the little details!" <sup>SM</sup>***

We are very pleased to present you with our latest catalog – created especially for you. One quick look and you will see that it is complete with all the products and solutions your business needs every day.

With one phone call, fax or visit, we deliver what you want from one source. Our team is available to serve you and has the technical expertise to fill all your needs – plus we will help you manage overall procurement costs by providing you improved order efficiency, reduction of the number of invoices you receive and a simplification of your accounts payable.

***"Blue...is the new green!" <sup>SM</sup>***

As a firm committed to environmental awareness and responsible (green) practices, Blue Ribbon Supply has always been mindful of our actions and how they impact the environment around us. Our goal is to maximize your satisfaction with the products and services we provide, while constantly exploring ways to improve our daily environmental performance.

We proactively search for ways to upgrade our business procedures to reduce any detrimental effects our activities may have on our planet. This is being implemented through advanced delivery planning, preset delivery schedules, the use of natural and activity-based lighting throughout our office and distribution facility, reducing the need to consume raw materials and the recycling of all recyclable items to help reduce the amount of waste that could end up in landfills.

Blue Ribbon Supply can help you save our environment too! Because we stock thousands of products from multiple manufacturers for you, you can order all your products from multiple vendors through a single source. This allows you to receive more manageable quantities during our pre-planned delivery times.

***"Contact us today!"***

Our friendly, knowledgeable customer service representatives are here ready and waiting to help you. We look forward to hearing from you today!

**ORDERING BY TELEPHONE**

Placing your order by telephone is very quick and easy. If you are located in the San Francisco Bay Area, you may reach us by calling:

**1.650.873.3500**

If you are calling from anywhere in the United States outside the San Francisco Bay Area, you may reach us by calling our toll free number:

**1.800.443.6066**

Customer service personnel are available to answer your questions and assist you with your order during the hours of 8:00 a.m. to 5:00 p.m. (Pacific Time), Mondays through Fridays (excluding holidays). Our highly trained customer service staff can help you with your order requirements in English, Spanish or Cantonese. Please specify your desired language immediately when you reach us to be connected to one of our language specialists.

**ORDERING BY FAX**

You may order quickly by fax 24 hours a day, 365 days a year. Simply complete our order form and fax with credit card (MasterCard, Visa or American Express) details and expiration date or alternative method of payment (COD or pre-approved credit authorization number if applicable) to:

**1.650.588.7061**

Please be sure to sign the order form where indicated and include your phone or fax number in case we have any questions about your order.

**ORDERING BY MAIL**

If you prefer, you may order by mail. Simply complete our order form with all details pertaining to your order, enclosing your check, money order, credit card details or alternative method of payment (COD or pre-approved credit authorization if applicable). Sorry, we cannot accept cash by mail.

**ORDERING FOR WILL CALL**

We welcome your next visit to our offices and showroom. To allow us to speed you along by preparing your order before your arrival, give us an advance call at:

**1.800.443.6066**

**ORDER INFORMATION NEEDED**

We want to make sure that every order we deliver to you is complete, accurate, and delivered to you as quickly as possible. In order to do this, we need your help. When ordering, please provide us with the following information:

- Your name, company name or customer account number,
- Your telephone number,
- Your shipping and billing address(es),
- Any special shipping or handling instructions,
- Your purchase order number (if required),
- The quantity, product numbers, and descriptions of the products you desire, and
- If you are ordering by mail, please include your signature, date and form of payment.

If your delivery location is located in our Local Delivery Network, please make sure we receive your order by noon on the day before your scheduled delivery date (published on the following page).

**POLICIES, TERMS & MINIMUM ORDERS**

Prices shown in this catalog are net. Applicable sales taxes or service charges must be added to the invoice. Prices and specifications subject to change without notice. Our terms of sale for our vended laundry products are different and listed in our vending price list.

Please be aware that we have a \$25 minimum for all orders.

**BLUE RIBBON SERVICE**

We take pride in our industry recognized high level of customer service. We do not want to keep you waiting. Items in stock are shipped immediately or according to our pre-set delivery schedule (see page 3).

**BLUE RIBBON'S 100% GUARANTEE**

100% Guarantee. If a regularly stocked Blue Ribbon product fails to meet your expectations, for any reason, we will gladly replace it immediately.

**PAYMENT METHODS**

We offer you a choice of payment options. You may send us a check by mail, or major credit card (MasterCard, Visa or American Express) by mail, phone or fax. COD payments may be made within our delivery area at no extra cost. COD payments for deliveries outside our delivery area may be subject to surcharge.

Please call us to inquire about any applicable COD surcharges on deliveries outside our delivery area. Payment by pre-approved charge is subject to review and approval by Blue Ribbon Supply. Taxes and delivery fees are priced separately.

## DELIVERY IN GREATER SAN FRANCISCO BAY AREA

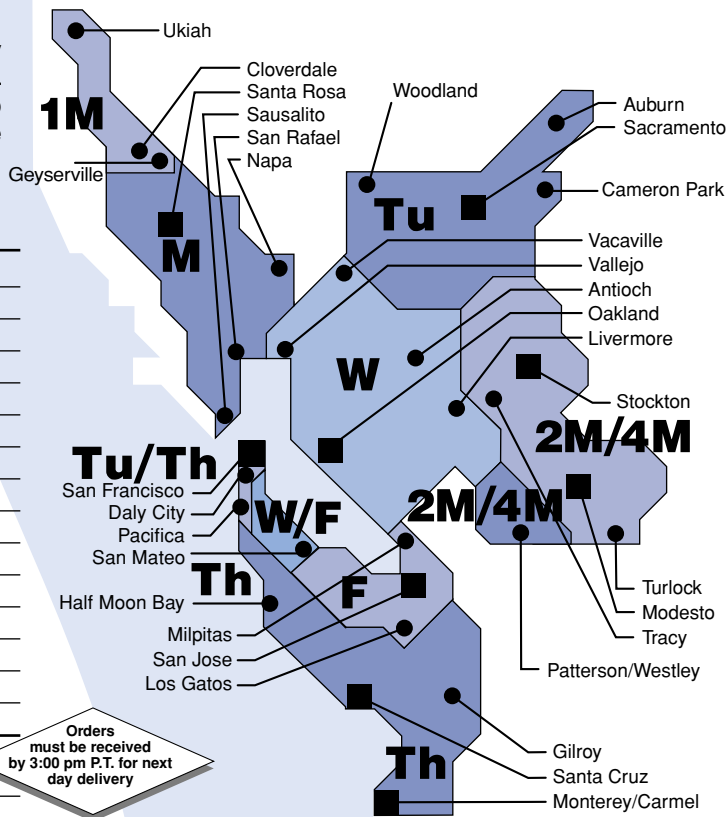

We provide **FREE** delivery within our local delivery network (listed below) whenever your order totals **\$250** or more (before applicable taxes). However, should you require an order under \$250, we only charge a \$20 delivery charge.

To utilize our local delivery network, simply refer to your delivery area on the chart below. You'll see a corresponding delivery day. We will always deliver to your area on the day listed. In order to receive an order, simply call us with your order before noon on the day before your scheduled delivery day. It is that easy.

DELIVERY AREA	DELIVERY DAY	ON MAP
Cloverdale / Geyserville	Every 1st Monday	1M
East Bay Area	Wednesdays	W
Half Moon Bay	Thursdays	Th
Marin County	Mondays	M
Modesto	2nd and 4th Mondays	2M/4M
Monterey, Salinas, Carmel	Thursdays	Th

North Peninsula (Hwy 92 N.)	Wednesdays and Fridays	WF
North & South Peninsula	Fridays	F
Patterson / Westley	2nd and 4th Monday	2M/4M
Sacramento	Tuesdays	Tu
San Francisco	Tuesdays and Thursdays	Tu/Th
Santa Cruz	Thursdays	Th
Stockton	2nd and 4th Mondays	2M/4M
Ukiah / Hopland	1st Mondays	1M

*Not all sections of areas listed above can be completely covered by our truck fleet. Please check with us to make sure your location is covered.*

Orders must be received by 3:00 pm P.T. for next day delivery

## REGIONAL AND WORLDWIDE DELIVERY

If you are located in Oregon, Nevada, or an area in California not covered by our Local Delivery Network, **we pay your freight** on all items, except laundry vending supplies, when your order totals **\$875** or more (before applicable taxes). If your order is below \$875, we ship F.O.B. South San Francisco using the most economical means possible (our large shipping volume allows you to receive freight discounts when you order from Blue Ribbon Supply).

We ship throughout the world!

Please contact us for more information on deliveries in your area. We ship F.O.B. South San Francisco using the most economical and reliable means possible.

**FYI**

## Garbage Bags, Bin Liners, Can Liners, Trash Container Liners

We pride ourselves in offering a complete and broad line of high quality trash container liners consisting of in-stock and off-the-self products of superior quality. The raw materials used to manufacture our **DURA STUFF®** trash container liners include linear low density polyethylene (LLDPE), premium super-hexene, recycled materials including reprocessed production scrap (Repro), and post-consumer recycled material (PCR). **DURA STUFF® PLUS®** includes High Molecular Weight/High Density polyethylene (HDPE).

Both **DURA STUFF®** and **DURA STUFF® PLUS®** trash can liners are among the best you can purchase for commercial use.

### DURA-STUFF® BLACK LLDPE TRASH CONTAINER LINERS – Stretchy and Strong!

**Great for heavy or sharp trash!**

The type of trash you will process often dictates the plastic type, its quality, size and color, together with the amount of recycled materials used in making your trash container liner the best for your use. Our bags made of linear low density polyethylene (LLDPE) are pliable, yet strong and extra stretchy. Large liners of 1.5 mil / .38 micron thickness are usually suitable for wet and very heavy trash.

### DURA-STUFF® CLEAR LLDPE TRASH CONTAINER LINERS – Stretchy and Strong!

**Great for heavy or sharp trash!**

These linear low density polyethylene (LLDPE) trash container liners are the same as the black plastic liners noted above, but are made of clear plastic. Clear plastic is utilized by the management of many businesses as part of a theft prevention program. By exposing the contents of the liner, clear plastic can help prevent (or document) the theft of valuable items possibly placed in the trash by dishonest individuals for later retrieval.

**DURA-STUFF®****RED "INFECTIOUS WASTE" LLDPE PLASTIC TRASH CONTAINER LINERS – Stretchy and Strong for OSHA!****Meets state regulatory guidelines for film strength!**

These linear low density polyethylene (LLDPE) trash container liners are the same as the black and clear plastic liners, but are made of a special red plastic. This red plastic trash container liner with the 'Infectious Waste' imprint and special thickness is utilized to meet state regulatory guidelines. All business establishments should keep some of these bags on hand in order to help safely remove waste items contaminated by body fluids, blood and other potentially infectious substances. These bags ideally replace bags used for clean up kits required by OSHA Bloodborne Pathogens Final Rule 29 CFR 1910.1030.

( Note: Clean up Kits are available on page 141. )

**Size:** Heavy Duty 24" x 24" • **Waste Receptacle size:** 7.5 - 10 gal.

**Film Thickness:** 1.25 / 31 • **Case Count:** 250

**Comp No.:** CT033 1-9 case.....\$24.95 /cs.  
10+ case.....\$23.95 /cs.

**DURA-STUFF®****COLORLED LLDPE TRASH CONTAINER LINERS****Ideal when color coding is necessary!**

**DURA-STUFF® PLUS®****BLACK & TRANSLUCENT HDPE PLASTIC TRASH CONTAINER LINERS – Tough and Cost Effective!****Great for lightweight trash!**

Our high density polyethylene (HDPE) trash container liners are made of material that is inherently tough and resistant to punctures. HDPE liners are uniquely made thinner than other types of plastic liners without compromising strength. Although HDPE bags are strong, they require an average of 30% less plastic film for the same performance as a comparably sized LLDPE trash container liner. Switching to HDPE trash container liners helps reduce plastic material dumped in landfills.

All our HDPE plastic liners are packed as small easily portable rolls from which each bag is separated using perforations provided for easy dispensing. Liners on rolls are becoming increasingly popular due to their portability, ease to use and theft prevention feature. Personnel find it convenient to carry these liners on a roll wherever they go. When using these, personnel simply tear off a strip of liners; peel the top one over the trash container, leaving the rest attached underneath for future use. They simply rip off the filled used bag and peel down the next one when emptying a filled trash container the next day. Issued rolls can be placed on a maid or utility cart, rather than providing an entire case will help cut down on pilferage.

We recommend use of HDPE trash container liners when cost is a concern and trash does not contain sharp edges.

Color: black • Comp No.: RM3551-88.....\$68.82 /ea.

**MARSHAL DURAMOLD CONTAINER**

Under normal use - with the top on and the door shut - a Marshal Duramold container will contain flames and put them out. This product has been approved by the California State Fire Marshall pursuant to section 13144.1 of the California Health and Safety Code. The Duramold container won't dent, scratch or rust! It features a snug-fitting, hinged top that keeps out rain with a gravity closure door (no springs to rust or break). Inside, a bag holder makes for easy maintenance and neatness when using a receptacle liner. All units can withstand temperature ranges from sub-zero to summer heat.

**15 Gallon Marshal:** Size: 15<sup>3</sup>/<sub>8</sub>" x 36<sup>1</sup>/<sub>2</sub>" • Liner size: 30" x 36"  
Color: brown • Stock No.: 8160 • Comp No.: RM8160.....\$151.59 /ea.

**21 Gallon Marshal:** Size: 18" x 42" • Liner size: 40" x 46"  
Color: beige • Stock No.: 8170 • Comp No.: RM8170.....\$198.09 /ea.  
Color: brown • Stock No.: 8170 • Comp No.: RM020.....\$198.09 /ea.

**SWING - TOP RECEPTACLE & LID**

These attractive White/Mipro Swing-Top receptacles feature two-way waste disposal, self closing doors, rubber feet and heavy gauge steel construction with a sturdy baked-on enamel finish. In addition to stocking the most popular almond color receptacle we are able to special order both white and light grey receptacles upon request. Flame-out style helps prevent fires.

**21 Gallon:** Color: almond • Size: 14" x 14" x 36<sup>1</sup>/<sub>2</sub>" • Liner size: 30" x 36"  
Stock No.: 1141 • Comp No.: HJ435.....\$157.46 /ea.

**36 Gallon:** Color: almond • Size: 18" x 18" x 39" • Liner size: 40" x 46"  
Stock No.: 1161 • Comp No.: HJ445.....\$278.96 /ea.

**LANDMARK SERIES® STEEL CONTAINERS**

- Classic look with steel construction comes fully assembled, including aggregate panels
- Suitable for both indoor and outdoor applications
- Heavy gauge, hot dipped galvanized steel provides corrosion resistance
- Stone panels have Class B fire rating.
- UV-stabilized powder coat finish protects color and helps extend product life
- Spun aluminum ashtrays for reduced maintenance and longer life

**24 Gallon Ash/Trash Sand Top**

Size: 17<sup>1</sup>/<sub>2</sub>" Sq. x 34<sup>13</sup>/<sub>16</sub>" H • Liner Size: 30" x 37"

**28 Gallon Atrium® Fiberglass Container Dome Top**

Size: 17<sup>3</sup>/<sub>4</sub>" D x 38" H • Color: black  
Comp No.: RM9112BLK.....\$691.92 /ea.

### PROCTER & GAMBLE CLOSED LOOP DISPENSING SYSTEM

The P&G Closed-loop Dispensing System provides facility management with a broad array of benefits. Although originally designed to maximize the cost savings available from super-concentrated chemical products, as well as to drive performance and consistency with proper strength dilutions, these units also provide advantages that encompass worker safety issues and enhance environmental responsibility with the use of efficient and effective cleaning products provided by P&G.

The "closed-loop" feature of the P&G system concentrates and dilutes products at the correct ratio. In conjunction with a system of true chemical management, our dispensing system incorporates a "no-contact" feature, preventing your workers from harm associated with direct splashing or contact with the concentrated product. This leads to effective and safe use of the properly diluted chemical cleaner. When coupled with proper on-site training, the P&G Closed Loop System will help provide exceptional value for your cleaning dollar and promote a safer workplace.

**AJAX DISINFECTANT – Liquid Cleaner Pine Forest Scent**

Disinfects and sanitizes while cutting through dirt, grease and grime. Besides being a one-stop cleaner disinfectant, sanitizer, fungicide and mildewstat, new Ajax is also a viricide. A viricide is effective against viruses such as HIV, which causes AIDS. It is important for every housekeeping cart to carry a bottle of Ajax in the event that blood or other matter (which could possibly be infected) needs to be cleaned. Perfect for use on floors, walls, woodwork, etc. when a disinfectant is required. EPA registered. Dilute 2 oz. per gallon of water.

**Packed:** 2/1 gal. • **Stock No.:** 4988  
**Comp No.:** CP948 1-9 case.....\$29.95 /cs.  
 10+ case.....\$28.95 /cs.

**PINE-SOL® – Cleaner, Disinfectant & Deodorizer**

EPA-registered disinfectant formula. Cleans and deodorizes floors, countertops, tile sinks, garbage cans etc. Degreases, cleans and removes soap scum, dirt and stains from hard surfaces. Deodorizes with a fresh pine scent.

**Packed:** 3/144 oz. • **Stock No.:** 35418  
**Comp No.:** CX060 1-9 case.....\$35.45 /cs.  
 10+ case.....\$34.45 /cs.

**CLOROX® CLEAN-UP – Disinfectant Cleaner with Bleach**

Cleans, disinfects and deodorizes hard non-porous surfaces. Removes tough stains and greasy dirt. Its fast acting disinfectant kills Salmonella, Staph, Rhinovirus, Hepatitis A and is found to be effective against HIV (the AIDS virus). Ready to use, no diluting necessary.

**Clorox® Clean-up:** **Packed:** 9/32 oz. spray  
**Comp No.:** CX110 1-9 case.....\$40.95 /cs.

 10+ case.....\$45.70 /cs.

(This product is also available as a component to a cost efficient closed loop dilution system. Please see page 9 for more information.)

**MR. CLEAN® DISINFECTANT FLOOR CLEANER**

Combines quaternary actives with powerful cleaning agents, buffered to a neutral pH for no-rinse cleaning and hospital grade disinfecting.

- Kills a broad spectrum of bacteria, viruses and fungi including: MSRA and VRE, HIV-1, Influenza A/PR and Herpes Type 1 & 2, Athlete's foot fungus, mold and mildew
- Helps control cross-contamination and reduce the spread of infection
- Recommended for use as an all-purpose cleaner, disinfectant and deodorizer

**Packed:** 4/1 gal. • **Stock No.:** 02038  
**Comp No.:** PG780 1-9 case.....\$70.15 /cs.  
 10+ case.....\$68.80 /cs.

**WALL WASHER KIT—Pivoting head for smooth, even control!**

Use the wall washer to clean your walls and ceilings. The 60" length makes it easy to reach the high parts of your walls and ceilings. Raised-ribbed design works with either side pressure or downward pressure mop wringers without requiring additional adapters. Washable pads remove easily for laundering.

**Wall Washer Kit** — includes 1 wood handle, 1 plastic head, 2 cotton pads

**Size:** 60"  
**Comp No.:** S216.....\$44.95 /ea.

**Wall Washer Replacement Pad** — launderable cotton

**Size:** 9"L x 5"W  
**Comp No.:** S299.....\$11.95 /ea.

**EXTEND-A-FLOW® WASH BRUSH**

Extend-A-Flow® water pole and soft bristle brush extends to 6' (180cm). Features contoured foam grips. Great for washing awnings, walls, decks and vehicles. Built-in on/off switch controls water flow through the brush.

**Comp No.:** SP590.....\$21.97 /ea.

**ALUMINUM STRAIGHT HEAVY DUTY FLOOR SQUEEGEE**

Aluminum floor squeegees make quick work of any surface from cement to linoleum. Everything sweeps up with a simple push/pull. As cost effective as they are tough. The rubber blade can be easily replaced by a simple turn of the screw. High strength, rust resistant aluminum frame. Handle not included.

**18"**— (45cm) • **Comp No.:** SP551.....\$19.00 /ea.  
**24"**— (60cm) • **Comp No.:** SP552.....\$22.00 /ea.  
**30"**— (75cm) • **Comp No.:** SP553.....\$25.75 /ea.  
**36"**— (90cm) • **Comp No.:** SP554.....\$29.75 /ea.

**ALUMINUM CURVED HEAVY DUTY FLOOR SQUEEGEE**

Use curved floor squeegees to contain and move fluids. Squeegee can easily be pushed or pulled. Handle not included.

**24"**— (60cm)  
**Comp No.:** SP555.....\$19.95 /ea.  
**36"**— (90cm)  
**Comp No.:** SP557.....\$29.50 /ea.

**BLACK REPLACEMENT RUBBER — For Straight/Curve Aluminum Floor Squeegee**

Replacement rubber has excellent elasticity and therefore returns to its initial position. The rubber has extraordinary suppleness and perfect density.

**18"**— (45cm) • **Comp No.:** SP560.....\$5.75 /ea.  
**24"**— (60cm) • **Comp No.:** SP561.....\$6.95 /ea.

**WYPALL X70 – Heavy Duty Manufactured Rags**

Manufactured Rags are the first products to be made from Kimberly-Clark's advanced new material - Hydroknit. It is designed for use in a variety of industrial and consumer products where durable fast-absorbing qualities are needed. Unlike most heavy-duty wiping materials, the Hydroknit requires no adhesives or chemical binders, which can inhibit maximum performance. It is manufactured using jets of water to attach soft, absorbent paper to an extra-strong nonwoven fabric. The result is a new wiper product category - Manufactured Rags - which combines the best qualities of disposable wipers and scrap rags.

## MICROFIBER MAGIC CLEANING TOWELS

Microfiber is a man-made product that combines two basic fibers, Polyester and Polyamide (a nylon by-product fibers are then split and formed into a blend of 80% Polyester (the scrubbing and cleaning fiber), and 20% Polyamide (the absorbing and quick drying fiber). There are approximately 200,000 microfibers in one square inch of a microfiber towel. A single strand of microfiber is so small that it is almost invisible to the naked eye. These all can be machine washed and the only restriction is that you not use fabric softener. You will be amazed at how well the miraculous towels work!

## Cleaning and Shining

- Removes all dirt, oil, and grease
- Removes all polish residue or wax
- Absorbs water like a sponge
- Suitable for multiple surfaces
- Saves time and saves money
- Wash and reuse over and over
- Contains no harmful chemicals
- Shines the surface streak-free in seconds

**Block:** wood • **Length:** 4.75" • **Bristles:** polypropylene  
**Comp No.:** PU035.....\$1.75 /ea.

EP020

PU035

**FYI**

**Tampico Fiber:** Produced in Mexico, from the stalk of the Agave plant. Has a soft to medium texture and is off white in color. It is often dyed and blended to give the desired affects to a brush.

**Palmyra Fiber:** Produced from the base of the leaf stalks of the India Palmyra palm. It has a medium stiff to stiff texture and is light to dark brown in color.

**Nylon Fiber:** Nylon is produced in several grades of quality and price. However, only those of the finest quality are used in the brushes we sell. Water-resistant Nylon bristles are long-wearing and sanitary. They won't absorb moisture, but they do repel rot and mildew, discourage bacterial growth and resist most acids.

**Tamplene Fiber:** Heavy-duty Polypropylene bristles that approximate Tampico in appearance, rigidity and general brush performance. Tamplene is an improvement over Tampico because it offers substantially increased brush life. Highly chemical-resistant Tamplene also holds solutions well, but resists bacteria growth and rot.

**LONG HANDLE UTILITY BRUSHES****Nylon Fender Brush**

The Nylon Fender Brush is a durable all-purpose cleaning brush. Handle is made of polypropylene. Bristles are made of crimped nylon.

**Handle:** polypropylene • **Length:** 20" • **Bristles:** nylon

( This product is also available as a component to a cost efficient closed loop dilution system. Please see page 9 for more information. )

### SINGLE-FOLD PAPER HAND TOWEL

Designed to dry or clean surfaces quickly, a single-fold paper towel is a very simple common towel for many uses. It is formed from a rectangular sheet which has one fold line extending generally parallel to the two side edges of the sheet. The fold line subdivides the sheet into two sections which are usually of equal size. When stacked, the sections of each paper towel touch to enable easy one-at-a-time dispensing yielding an open large size towel. Single-fold towels are popular in schools and maintenance shops where an open large size towel helps facilitate use.

### MULTI-FOLD PAPER HAND TOWELS

Multi-fold paper towels are perhaps the most popular folded towels. Like all other folded towels, it was designed to dry or clean surfaces quickly, but is most popular as a hand drying towel. Inter-folded in a stack much like a single-fold paper towel, these towels include a multiple of overlapping sections arranged in an accordion style. In a stack, one section of each paper towel is received between a pair of sections of each adjacent paper towel for easy one-at-a-time dispensing.

### C-FOLD PAPER HAND TOWELS

Although common today in fine establishments, the newest form of paper towel is the C-fold paper towel. A C-fold paper towel is formed from a single (often thicker) paper sheet and folded to have a generally C-shaped configuration. While the towels are stacked for dispensing like other folded towels, they are not interfolded together. Although this fold facilitates one-at-a-time dispensing, the design of this towel can help prevent waste by not presenting an open towel every time one is removed from a dispenser. This requires the user to acquire each towel from the dispenser as it is needed and may result in reduced towel consumption in some settings over time.

### PAPER WINDSHIELD TOWELS

Windshield towels are designed to be placed in dispensers on the forecourts of service stations and in workshops to be used to dry or clean surfaces. Although very much like single-fold paper towels, windshield towels are formed from a rectangular sheet of a stiffer type of paper to facilitate the easy removal of difficult soils from hard surfaces (eg. bugs from windshields). When stacked, the sections of each paper towel touch to enable easy one-at-a-time dispensing yielding an open large size towel.

## INSIGHT DISPENSER – For Multifold Towels

This attractive smoked plastic dispenser holds 2.5 sleeves of towels so when the supply is low two full sleeves of towels may be added. The dispenser's transparent, high-impact plastic cover makes it easy to determine when new towels should be added. The design minimizes multiple towel dispensing. Patented feature limits over-packing of dispenser and tabbing of towels.

Size: 11" x 18.13" x 4.88" • Color: smoke  
Stock No.: 303080 • Comp No.: SC998.....\$44.30 /ea.

## COMBO DISPENSER – For C-Fold or Multifold Towels

Our special metal Combo Towel Dispenser can dispense either multifold or C-fold towels of any standard size. Both dispensers have a "View Slot" feature that allows you to check that the towels in the dispenser are not running out. Comes with lock and key.

Size: 15" x 11" x 4.13" • Color: white  
Stock No.: 990-W • Comp No.: M9031.....only \$29.66 /ea.

Size: 15" x 11" x 4.13" • Color: chrome  
Stock No.: 991-C • Comp No.: CL050.....only \$46.08 /ea.

## DISPENSER – For Singlefold Towels

This attractive metal dispenser dispenses Singlefold Paper Towels in its locked compartment. Its "View Slot" lets you know when your supply is getting low. Comes with lock and key.

Color: white • Size: 9.25" x 11.75" x 5.75"  
Stock No.: 4030 - W • Comp No.: M9030.....\$27.68 /ea.

Color: chrome • Size: 7.5" x 12.25" x 6"  
Stock No.: 630 - C • Comp No.: CL060.....\$43.40 /ea.

## TORK QUICKVIEW LEVER AUTO TRANSFER ROLL TOWEL DISPENSER

This modern, clean and translucent dispenser features "at a glance" refill inspection. Lever controlled towel presentation helps reduce paper consumption to save you money over folded towel dispensing. Stub roll auto-transfer feature saves labor and reduces waste.

Size: 15.5" x 12.94" x 9.25" • Color: smoke  
Stock No.: 84TR • Comp No.: GA695.....\$60.95 /ea.

## TORK INTUITION ROLL TOWEL DISPENSER

Touch free, this washroom roll towel system virtually eliminates cross contamination while helping to cut back on towel waste. Each unit is made of durable ABS plastic and features two dispensing modes: 1) The sensor mode, in which each towel remains in the cabin until the user activates the sensor and, 2) the hanging mode, in which a single towel is exposed for immediate access. Towel delay is adjustable from 1 to 4 seconds and towel length is adjustable from 8" to 24". Three D size batteries are required and battery life is good for up to 56,000 hand dries. Stub roll auto-transfer feature saves labor and reduces waste.

Size: 14.5" x 12.25" x 8.125"

Color: smoke/quartz • Stock No.: 309608  
Comp No.: E.5973.....\$99.95 /ea.

Color: white • Stock No.: 309606  
Comp No.: E.1616.....\$99.95 /ea.

## ROLL PAPER HAND TOWELS

When looking for a roll hand towel, keep in mind that your best bet in a high-volume location is to use roll paper hand towels. Large rolls prevent constant roll changes. You can also keep usage down by using thick embossed towels. These towels may cost a little more, but people tend to use much less when they get a towel that dries their hands so quickly. Kimberly Clark, SCA, Georgia Pacific and Renature have taken roll towel technology to new heights, producing state-of-the-art performance in both roll towel products and dispensers. As a result, you can enjoy the economy and maintenance savings of roll towels while offering the softness and hand-drying quality that people want today.

**SOFTNESS FACIAL TISSUE**

A soft, economical facial tissue. Attractive box is well suited for offices as well as guest rooms.

AD236

**KLEENEX JR. FACIAL TISSUE**

For more than 60 years, consumers have trusted Kleenex Facial Tissue over all the rest. This smaller pack is perfect for a term of one week or less (e.g., health care use).

KC065

**FACIAL TISSUE**

Nothing says "quality" better than the brand of facial tissue you offer.

When you provide Kleenex tissue, your guests know that you care about their comfort enough to give them the best. Kleenex Brand Facial Tissue was the first to provide "pop-up box" dispensing for greater convenience and reduced waste. The Space-Saver Box gives you more tissues in each package. That means better use of your storage space and fewer box changes and the Signal Feature lets house-keeping know when the box is nearly empty.

For budget-minded properties, we also offer some other facial tissues, all of which are soft and functional and will be greatly appreciated by your guests.

DISPENSERS FOR STANDARD SIZE TOILET TISSUE

Contin-U-Matic Toilet Tissue Dispenser

The 960 Contin-U-matic toilet tissue dispenser automatically refills itself with a new roll! It is a pilfer-proof automatic refill dispenser that can use the tissue you choose. The 960 accepts any standard 500 to 1800 sheet roll on the market. You are not locked into a special size from a single source.

Toilet Tissue Dispensers

Economical and sturdy, these toilet tissue dispensers will hold any standard size roll.

BRAND	DESCRIPTION	COMPUTER NUMBER	STOCK NUMBER	SIZE	EACH PRICE \$
DISPENSER					
Performa® Contin-U-Matic®	uses 500 to 1800 sheet roll	SC025	9600	6.0"x 11.13" x 5.69"	43.40
Single Tissue Holder	uses any standard size roll	IM020	2500	5.5" x 2.34" x 4.25"	13.60
Double Tissue Holder	uses any standard size roll	IM015	2501	5.5" x 2.34" x 4.25"	20.90
Duet Tissue Holder	lock and key provided	CL025	876-C	9.75" x 5.75" x 6.2"	28.00

JRT ROLL TOILET TISSUE SYSTEM

Each roll of JRT provides as much paper as up to 12 rolls of 1000-sheet paper. That's 4500 feet or almost one mile of toilet tissue! And it's housed in our exclusive dispenser that's designed to be tough and secure. JRT Jr. is half the length of the original JRT tissue. The dispenser is smaller too. Yet, you still get much more - up to 6 times more paper than on a standard roll. You also have a choice of 1 or 2-ply paper. Less maintenance and more control, perfect for high traffic restrooms. It cuts waste and pilferage, reduces overall paper and maintenance costs, has an ABS plastic dispenser and its rolls cannot be removed without a key.

JRT Junior System – holds one 9" roll

Packed: 1 • Color: smoke/grey plastic

Stock No.: A2091R • Comp No.: AD091.....\$9.48 /ea.

JRT Junior System – holds one 9" roll and one stub roll

Packed: 1 • Color: smoke/grey plastic

Stock No.: A2092R • Comp No.: AD092.....\$19.26 /ea.

Jumbo Toilet Tissue Rolls – 9" roll and 12" roll

Save money and time on maintenance. Can be used in most jumbo dispensers. Safe for all sewer and septic systems.

Tork Advanced Toilet Tissue system is a compact, hygienic, high capacity two-roll toilet tissue dispensing system that is an attractive addition to any washroom environment. When one roll is finished, simply push the core to the back of the dispenser and the second roll falls into position ready to be used. It is simple to load and maintain which reduces maintenance costs. This high capacity system conveniently stores two rolls of Tork toilet tissue which is equivalent to four conventional rolls.

**Packed:** holds 2 rolls • **Dispenser Size:** 6" x 6.6" x 13.6" • **Color:** quartz  
**Stock No.:** 209301 (must use GA955) • **Comp No.:** GA961.....\$26.73\* /ea.

[illegible]

Cormatic Ultima toilet tissue is a high capacity, facial quality toilet tissue. The large roll has up to three times more paper than a standard roll, making it perfect for use in high traffic restrooms. The Cormatic 2-Roll dispenser is slim, sleek and minimizes space requirements. The one-way roll installation makes servicing quick and easy. Automatic roll start-up assures continuous supply. It is key locked, pilferage proof and designed to keep tissue dry.

## FEMININE CARE VENDING PRODUCTS

In any public women's washroom, one of the most important services that should be provided is the sanitary product vendor. We offer the most asked for vended sanitary products on the market today: Stayfree Napkins, Playtex Tampons and Carefree Panty Shields. By vending these three brands, you'll be giving your customers what they want and you'll be able to make a profit doing it. For the convenience of your employees and customers, make sure you have a vendor in each women's washroom!

### ROCHESTER 3 COLUMN VENDORS – For Napkins, Tampons, and Panty Shields

These vendors are built to look great and keep working for many years. Their limited lifetime warranty on all moving parts is your assurance of dependability. We invite you to take a look at competitive vendors whose construction can feature plastic parts and lightweight construction that can mean more headaches for you and, you certainly do not need the inconvenience of repairing jammed or broken vending machines. Lock and keys provided. Can be converted to napkins and tampons only. Available in 5¢, 10¢, 25¢, 50¢ or free (no coin) action.

### ROCHESTER 2 COLUMN VENDORS – For Napkins and Tampons

The J1 and J6 white enamel vendors feature all-metal construction and reliable operation. They are built to look great and keep working for many years. Their limited lifetime warranty on all moving parts is your assurance of dependability. Other units use failure-prone plastic parts than can cause machines to break or jam. These "out of order" vendors can cost you plenty in loss of customer or employee good will and you don't need the problems of repairing jammed or broken vendors. Please specify the coin mechanism you would like installed from the choice of 5¢, 10¢, 25¢ and 50¢ or free (no coin) at no additional charge. These units feature a two-point locking system for greater security with a separate lock-on coin box. The machines refuse coins when last item is sold. Lock and keys provided. Wall mounted.

### ROCHESTER DISABLED HANDLES – Helps Meet ADA Guidelines

These metal handles may be used on all existing Rochester J style vendors. Please specify the vendor number when ordering. This handle enables user to dispense a product with less than 5 lbs of pressure.

Special order item.....\$23.00 /ea.

### ROCHESTER 1 COLUMN VENDOR – For Flat Napkins

The 8J white enamel vendor dispenses 22 #8 flat napkins. This is the ideal vendor for low-traffic ladies' restrooms. Unit features a two-point locking system for greater security with a separate lock on the coin box. It refuses coins once the last napkin is dispensed. Available in 5¢, 10¢, 25¢ and 50¢ or free (no coin) action. Lock and keys provided.

Capacity #8 Folded Napkins: 22

Size.: 9.25" x 30.38" x 5.38" • Stock No.: 8J

Comp No.: RC028....\$38.40 /ea.

### ROCHESTER 1 COLUMN VENDOR – For Folded Napkins

The 4J white enamel vendor dispenses 18 #4 napkins. This is the ideal vendor for low-traffic ladies' restrooms. It offers simple, foolproof gravity operation and separate lock on the coin box. It refuses coins once the last napkin is dispensed.

Available in 5¢, 10¢, 25¢ and 50¢ or free (no coin) action. Lock and keys provided.

Capacity #4 Folded Napkins: 18

Size.: 4.75" x 32" x 5.5" • Stock No.: 4J

Comp No.: RC026....\$173.50 /ea.

### ROCHESTER PLAYTEX TAMPON VENDOR

The RJ3 white enamel vendor features all-metal construction and reliable operation. It dispenses 22 Playtex Tampons and refuses coins once the last tampon is sold. Available in 5¢, 10¢, 25¢, 50¢ or free (no coin) action. Lock and keys provided.

Capacity Playtex Tampons: 22 • Size: 6.44" x 27" x 3.69"

Stock No.: RJ3 • Comp No.: RC040....\$173.50 /ea.

### ROCHESTER VENDOR SECURITY BRACKETS

Extra protection for trouble areas, the security bracket serves to deter vandalism. The bracket is installed through mounting holes in the back of the vending machine. Padlocks are not included. Please specify vendor model number when ordering.

Special order item.....\$23.00 /ea. (please specify vendor model)

## WHITE ENAMEL FLOOR STANDING NAPKIN DISPOSAL UNIT

This floor standing disposal unit has a scuff-resistant, baked-on white enamel finish which is both attractive and durable. Two swing top doors with full length spring-loaded piano hinges for immediate closure. The galvanized inner container is easily removed for emptying and resists rusting. One unit fits under partition and discretely serves two stalls. No levers or internal mechanisms to catch waste. Uses # FL (RC101) liners shown below on the right.

Size: 11½" L x 9" W x 9" D • Stock No.: 115-90 • Comp No.: HJ405.....\$54.00 /ea.

## SANISAC WALL MOUNTED NAPKIN DISPOSAL UNIT

The simple, safe, sanitary solution to feminine napkin disposal with automatic emptying. Liners drop into waste container, so hands never touch contents. Sanisac units prevent any contact with blood-borne microorganisms - so important in this era of concern over infectious disease. Unit is located on the wall of the stall where needed so sanitary products do not end up in the toilet. Uses #77 (RC100) liners shown on right.

### White Enamel Sanisac Unit

Size: 8" x 11" x 4.25" • Stock No.: 33W • Comp No.: RC110.....\$26.50 /ea.

### Stainless Steel Sanisac Unit

Size: 8" x 11" x 4.25" • Stock No.: 44S • Comp No.: RC111.....\$49.75 /ea.

## SANITARY NAPKIN RECEPTACLE LINERS

For use with the Sanisac Wall Mounted disposal unit and the Sanifloor Floor Standing disposal unit. These brown paper liners are scented and waxed for pleasant and effective handling.

## TOILET SEAT BANDS

Toilet seat bands assure your guests that the toilet seat has been cleaned for them.

Packed: 5000 • Color: white  
Stock No.: S-300 / 414  
Comp No.: PC040 1-9 case.....\$91.40 /cs.  
10+ case.....\$89.57 /cs.

## TOILET SEAT COVERS

Toilet seat covers provide the needed protection while eliminating unwanted litter and unsanitary conditions. You can avoid costly plumbing bills from clogs that occur when your guests use comparatively costly paper towels to fashion seat covers. Our covers are made from a quick dissolving tissue which is 100% biodegradable. Toilet seat covers give your guests peace of mind and improve the sanitation of your public facilities.

**SANI-FRESH TWINPAK**

Sani-Fresh TwinPak is a revolutionary soap dispenser that holds two-500 ml soap cartridges at once. Running out of soap isn't a problem because when one side runs out, you simply slide a lever to begin using soap from the second cartridge. Cartridges empty completely so there's virtually no soap waste! Also the pump never leaks or clogs because a new pump comes with each refill.

**PURELL INSTANT HAND SANITIZER**

Germs are often found where employees spend most of their time - their desk. In fact, according to a recent study, the average desk harbors over 10 million germs. Experts agree that many of the most common germs that cause illness are transmitted by hands.

If your work is like most, where colleagues interact in close proximity, it's easy to see how quickly germs can spread...in schools too. Germs pass from person to person with every touch. Busy people don't have time to leave their desks and wash their hands frequently. PURELL kills 99.99% of most common germs that may cause illness. Use it anytime, anyplace, without water or towels.

**PURELL NXT SPACE SAVER Dispenser**

**Packed:** 1000 ml. • **Color:** dove grey

## CARPET SENSE® CARPET CARE PRODUCTS & CLEANING METHODS

Building owners, managers and maintenance people have searched for a carpet care method that cleans thoroughly, safely, dries quickly and is economical to use. The cleaning industry has responded with several carpet cleaning methods. However, no one method appears to meet all the required objectives. The best carpet cleaning system is actually a combination of methods utilizing high-quality products.

An effective carpet care system requires frequent vacuuming as the first step toward prolonging the life of a carpet. Next, a top layer cleaning method (like bonnet cleaning) should be used most often. Frequency depends on how much traffic the carpet receives. Finally, a deep cleaning method should be used (like the hot water extraction method) to make sure that ground-in soil is completely removed from the lower layer of the carpet. Using a combination of methods is the only way to ensure a clean, long lasting carpet.

Because your carpet is such an important investment, you should be sure to use only the finest carpet maintenance products on it. After years of extensive research and testing, Blue Ribbon Supply developed the Carpet Sense® line of carpet maintenance products. Carpet Sense® products reduce time and labor while producing incredibly superior results (see chart below).

METHOD	REQUIRED SKILL	DRYING TIME	COST PER SQUARE FOOT*	PRODUCTS RECOMMENDED*	ADVANTAGES *OF METHOD
BONNET	medium	0.5 hour	3¢	1. Carpet Sense® Spin Bonnet Shampoo 2. Carpet Sense® Carpet & Fabric Protection Shield	• safe for all carpets • fairly dry method • surface cleans quick
DRY FOAM	low	0.5 - 1 hours	4¢	1. Carpet Sense® Traffic Lane Cleaner 2. Carpet Sense® Dry Foam Shampoo 3. Carpet Sense® Defoamer 4. Carpet Sense® Carpet & Fabric Protection Shield	• deep cleans • fast drying • leaves carpet bright • quick application
EXTRACTION	high	1 - 4 hours	2¢ - 6¢ depending on machine speed	1. Carpet Sense® Traffic Lane Cleaner 2. Carpet Sense® Extraction Cleaner 3. Carpet Sense® Defoamer 4. Carpet Sense® Carpet & Fabric Protection Shield	• no pile damage • no residue • like in-plant cleaning
ROTARY	high	4 - 10 hours	6¢	1. Carpet Sense® Traffic Lane Cleaner 2. Carpet Sense® Dry-Foam Shampoo 3. Carpet Sense® Carpet & Fabric Protection Shield	• deep cleans • excellent on commercial carpets

\*\*Products listed suggest those to be used for best results.

### CARPET SENSE® – Spin Bonnet Shampoo

A unique phosphate-free wet/dry cleaner especially formulated for use with the spin bonnet or rotary pad semi-dry cleaning method. It is a mixture of the finest quality wet shampoos and dry cleaning solvents available. This unique formulation dissolves soils quickly and easily. Carpet dries rapidly. Dilute 1:6 for regular cleaning.

Packed: 1 gal.

Comp No.: BR141.....\$19.35 /ea.

Packed: 4/1 gal.

Comp No.: BR140 1-9 case.....\$63.50 /cs.  
10+ case.....\$62.50 /cs

### CARPET SENSE® – Extraction Carpet Cleaner

A unique blend of wetting agents, solvents, soil suspending agents and optical brighteners for use with modern hot water extraction machines. Dilute 1:128 for light soil.

Packed: 1 gal.

Comp No.: BR091.....\$14.50 /ea.

Packed: 4/1 gal.

Comp No.: BR090 1-9 case.....\$46.50 /cs.  
10+ case.....\$45.50 /cs.

### CARPET SENSE® – Dry Foam Shampoo for Carpets and Upholstery

A biodegradable, highly concentrated soapless shampoo. It provides thick, high quality suds to dissolve grease, oil, and many other hard-to-remove soils. Dries quickly. Dilute 1:40 for light soil.

Packed: 1 gal.

Comp No.: BR101.....\$15.50 /ea.

Packed: 4/1 gal.

Comp No.: BR100 1-9 case.....\$52.50 /cs.  
10+ case.....\$51.50 /cs.

### CARPET SENSE® – Traffic Lane Cleaner

Designed for use as a pre-spotter prior to hot water extraction. This concentration of detergents and degreasers removes heavy soils in high traffic areas. Dilute 1:16 for moderate soil.

Packed: 1 gal.

Comp No.: BR121.....\$14.40 /ea.

Packed: 4/1 gal.

Comp No.: BR120 1-9 case.....\$47.50 /cs.  
10+ case.....\$46.50 /cs.

### CARPET SENSE® – Extraction Defoamer

To be used in the recovery tank of hot water extraction equipment used for carpet cleaning to eliminate build-up of foam. Defoamer should always be used when cleaning carpets that have been previously shampooed. Dilute 1:64.

Packed: 1 gal.

Comp No.: BR111.....\$15.95 /ea.

Packed: 6/1 gal.

Comp No.: BR110 1-9 case.....\$65.50 /cs.  
10+ case.....\$64.50 /cs.

### CARPET SENSE® – Carpet and Fabric Protection Shield

A highly advanced Teflon based liquid that reduces stain absorption and soil accumulation on fabrics and carpets. After cleaning, simply apply this liquid by spraying it onto the carpet surface. It will keep your carpet looking like new by actually repelling soil. Reduces cleaning frequency dramatically and saves you money! Use full strength. One gallon will cover 500 - 700 square feet of fabric or carpet.

Packed: 1 gal.

Comp No.: BR131.....\$18.75 /ea.

Packed: 6/1 gal.

Comp No.: BR130 1-9 case.....\$75.50 /cs.  
10+ case.....\$74.25 /cs.

## EVOLUT-ION CARPET CARE PRODUCTS, CLEANING METHODS AND APPROVALS

Evolut-ION products are specially designed to clean efficiently, while helping protect you and your maintenance staff from negative effects (e.g. skin irritations, asthma, etc.) potentially caused by the use of harsh chemicals. Evolut-ION products simultaneously help preserve our environment.

The manufacturer of Evolut-ION products is the green chemical company endorsed by major hotel chains. It is also the first and only chemical company certified as a Green Business by the City and County of San Francisco. Blue Ribbon Supply has recognized the rising necessity for green products and appreciates the demand for high quality/best value alternatives and has taken steps to become the distributor for Evolut-ION.

Evolut-ION products are non-toxic, biodegradable, and never tested on animals. They meet California regulations for reduced Indoor Air pollution (VOCs) and are safe for people, animals, and the environment. Simple and efficient Evolut-ION Carpet Cleaner is also certified by Green Seal.

### EVOLUT-ION CLEANING SOLUTION – Concentrate for Low Moisture Systems

Evolut-ION Cleaning Solution is a unique low V.O.C.'s and detergent-free professional cleaner, perfect for low moisture processes for use with bonnet, brush or scrubber. It cleans by ionization, breaking down the particles of dirt and cleans deep inside with an effective dirt catch-out based on static effect. It is safe for humans, animals and the environment. This product complies with the latest California Code of Regulations. It reduces resoiling and is safe on synthetic and natural fibres. For best results dry-vacuum before and after cleaning.

Prespray (1:20)  
 Low Moisture Bonnet Cleaning (1:16)  
 800-1600 sq ft. /gal.

Packed: 4/1 gal.  
 Comp No.: OR104 1-9 case.....\$70.95 /cs.  
 10+ case.....\$69.95 /cs.

### EVOLUT-ION CARPET CLEANER – Concentrate for Injection / Extraction

Evolut-ION Carpet Cleaner is a unique low V.O.C.'s and detergent-free professional carpet cleaner for injection / extraction. It is fully safe for humans, animals and the environment. This product complies with the latest California Code of Regulations. It reduces resoiling. Non-foaming formula.

Portable (1:128)  
 Prespray (1:20)  
 Direct Feed (1:256)

Packed: 4/1 gal.  
 Comp No.: OR103 1-9 case.....\$81.95 /cs.  
 10+ case.....\$80.95 /cs.

### EVOLUT-ION ALL PURPOSE SPOTTER

Evolut-ION All Purpose Spotter is an environmentally safe spotter. Safe for any colorfast carpets that can be dampened with water. Use Evolut-ION All-Purpose Spotter as it is, or dilute in 1 to 3 parts of water. Simply spray on the spot and brush using an absorbent cloth. Do not wait. Dries quickly and leaves no residue. Instantly begins to remove tough spots and stains such as:

- Red wine, coffee, ink
- Cosmetics
- Food
- Sodas, fruit juice
- Pet stains

Packed: 4/32 oz.  
 Comp No.: OR102 1-9 case.....\$33.95 /cs.  
 10+ case.....\$32.95 /cs.

### EVOLUT-ION TAB – Concentrate Carpet Odor Neutralizer

Evolut-ION Tab is the ultimate carpet odor neutralizer capable of absorbing and destroying tobacco odors and bad smells in general such as pet odors, vomit, urine, mildew, etc. It emits a pleasant scent which acts immediately. It does not deteriorate and remains active from 5 to 7 days. Add Evolut-ION TAB directly to Evolut-ION Carpet Cleaner and Evolut-ION Cleaning Solution for outstanding results. In between carpet cleaning, Evolut-ION can also be used as a surface treatment for upholstery, draperies or sprayed in the air.

1/2 cup to 1 cup for 1 gallon of RTU solution  
 200,000 sq ft./gal.

Packed: 6/1 quarts  
 Comp No.: OR101 1-9 case.....\$87.95 /cs.  
 10+ case.....\$86.95 /cs.

## P&G PROLINE CARPET SPOT REMOVER, TRAFFIC LANE/BONNET CLEANER & EXTRACTION CLEANER

A concentrated product designed for bonnet cleaning with or without a traffic lane pre-spray. Formulated with non-ionic surfactant systems to penetrate and effectively remove most common soils. Designed to remove most petroleum-based soils, betadine, and iodine without damaging carpets or leaving behind a harmful residue.

**Packed:** 4/1 gal. • **Stock No.:** 41780  
**Comp No.:** PG805 1-9 case.....\$56.50 /cs.  
 10+ case.....\$55.50 /cs.

## P&G PROLINE CARPET EXTRACTION CLEANER / SANITIZER

A one step extraction cleaner designed to clean and sanitize carpets and upholstery while eliminating problematic odor-causing bacteria. Formulated with highly effective dual chain quaternaries and a synergistic blend of detergents. Designed for use with portable extractors or truck-mounted systems. Ideal for hospitals and commercial applications.

**Packed:** 4/1 gal. • **Stock No.:** 02035  
**Comp No.:** PG810 1-9 case.....\$52.95 /cs.  
 10+ case.....\$51.95 /cs.

## P&G PROLINE FOAM CONTROL AGENT

A silicon-based defoamer emulsion designed to weaken the structural integrity of bubbles, thus reducing foaming problems in a wide variety of applications. Safe & effective in hard or soft water, acid solutions, alkaline, or other areas where foam is a problem. Designed for use in recovery tanks of extractors, wet vacs, auto scrubbers, and other equipment.

**Packed:** 6/32 oz. • **Stock No.:** 41782  
**Comp No.:** PG815 1-9 case.....\$31.60 /cs.  
 10+ case.....\$30.75 /cs.

## P&G PROLINE CARPET / UPHOLSTERY PROTECTANT

Creates an invisible layer of protection to resist oil and water-based stains and can be applied while carpet is still wet. Safe on most types of carpet, upholstery and water-safe fabrics. Features a carpet optical enhancer to maintain a high quality appearance. No extended cure times and saves labor & room down time.

**Packed:** 4/1 gal. • **Stock No.:** 41783  
**Comp No.:** PG820 1-9 case.....\$199.25 /cs.  
 10+ case.....\$196.00 /cs.

## NOBLES ANSER™ PRO SPOTTING KIT

Includes one pint of each: Dry Clean Solvent, All Purpose Spotter, Tannin/Brown-Ex, Odor Eliminator, Gum Remover. Also includes Spotting Charts and Spotting Procedures Guides in English and Spanish, a heavy-duty tamping brush, bone scraper, rinse water bottle and carrying rack.

**Ansér™ Pro Spotting Kit**  
**Stock No.:** 111002 • **Comp No.:** CS091.....\$294.00 /ea.

## CARPET SENSE® – Powdered Rug and Room Deodorizer

The ultimate dry rug, room and upholstery deodorizer. Use Carpet Sense anywhere bad odors develop. Carpet Sense destroys odors and leaves a fresh, clean ocean breeze fragrance in the air. Same scent as our best liquid deodorizer, Soft Scent Ocean Breeze. Packed in shaker cans.

**Packed:** 12/15 oz. • **Stock No.:** 06869  
**Comp No.:** BR005 1-9 case.....\$29.75 /cs.  
 10+ case.....\$28.95 /cs.

## P&G PROLINE GENERAL USE – Carpet Spot Remover

A concentrated product designed for solvent spotting and general-purpose spot removal. Specially formulated with an enzyme combination to break down protein and food stains. Formulated with non-ionic surfactants to penetrate and effectively remove most common soils, most petroleum-based soils, betadine, and iodine without damaging carpets or leaving behind a harmful residue.

**Packed:** 3/25 oz. • **Stock No.:** 03444  
**Comp No.:** PG785 1-9 case.....\$14.50 /cs.  
 10+ case.....\$14.25 /cs.

## P&G PROLINE TANNIN SPOT – Carpet Spot Remover

An acid-fortified carpet spot cleaner formulated to attack coffee stains, tannin-based stains, rust, and oxidized organics in carpets and upholstery. Pleasant fragrance leaves the area smelling fresh.

**Packed:** 3/25 oz. • **Stock No.:** 05447  
**Comp No.:** PG792 1-9 case.....\$31.95 /cs.  
 10+ case.....\$30.95 /cs.

## P&G PROLINE BIO SPOT – Carpet Spot Remover

A powerful carpet spot cleaner specially formulated with three enzyme-producing bacteria strains to eliminate organic soils and problem spots in carpets and upholstery. Specially designed to eliminate urine, milk, beer, blood, vomit and other odor causing organic material. Safe on 5th generation carpet and water-safe fabrics. Clean & fresh fragrance.

**Packed:** 3/25 oz. • **Stock No.:** 03448  
**Comp No.:** PG797 1-9 case.....\$29.95 /cs.  
 10+ case.....\$28.95 /cs.

## P&G PROLINE CHEWING GUM REMOVER

Easily removes chewing gum, candle wax, putty and other gummy substances from many surfaces. Makes a messy job quick & neat by freezing the substance to about -40F, making removal easy with no staining or residue left behind.

**Packed:** 12/7 oz. • **Stock No.:** 41792  
**Comp No.:** PG850 1-9 case.....\$77.50 /cs.  
 10+ case.....\$76.25 /cs.

**HOST ZAPPER – “Dryclean” Carpet Spot Remover Kit**

"Dry clean" the spots on your carpet with this safe-to-use product. The cleaning granules resemble tiny sponges impregnated with water, detergent and a natural solvent. Simply sprinkle on the spot, agitate and vacuum or use a carpet sweeper. The granules absorb, dissolve and trap soil, spots and odors as they clean. The kit contains a SpotZAPPER brush with a 60" handle, 2.2 lbs. ZAPPER pack of sponge granules, an 8 oz. bottle of spot remover and a handy Spot Reference Guide.

**Carpet Cleaning Kit**

Comp No.: HM115.....\$35.95 /ea.

**Carpet Cleaning Kit Refill** - (2.2 lbs. of sponge granules)

Comp No.: HM110.....\$7.95 /ea.

**HOST DRY CARPET CLEANER**

Green, clean & dry, HOST is an environmentally preferred product that really works! Certified by Green Seal, Woollsafe approved and a member of the US Green Building Council. HOST contains a balanced blend of water, detergents, wetting agents and natural ingredients. As the low moisture HOST Cleaner is brushed through the carpet, the absorbent particles deep clean by dissolving, trapping and removing spots, spills and greasy, oily dirt. Like a sponge in a kitchen, HOST holds and controls the cleaning liquids so dissolved dirt doesn't run into carpet backing. After vacuuming up the HOST Cleaner, carpet is clean, dry and back in service. HOST is natural, non-toxic, biodegradable and safe for people and pets. Excellent for most cleaning jobs. Great for greasy, heavy soil, restoration or general cleaning.

Packed: 30 lbs. buckets

Comp No.: E.8931 1-9 case.....\$62.95 /cs.  
10+ case.....\$59.95 /cs.

**HOST PREP® TRAFFIC LANE CLEANER**

Traffic lane booster for extremely soiled carpet. Specially formulated to be used with HOST Dry Carpet Cleaner. Concentrated - one gallon of concentrate makes five gallons of ready-to-use solution.

Packed: 4/1 gal

Comp No.: E.8929 1-9 case.....\$139.95 /cs.  
10+ case.....\$137.95 /cs.

**CARPET BONNETS**

Our Ultra Blend features long, heavy duty loop construction, providing maximum absorption and durability for spin bonnet cleaning. Our Low Profile Blend with Scrubber strips provide an aggressive scrubbing action.

**Ultra Blend Cleaning Bonnet**

Size: 15" • Comp No.: NW866.....\$15.95 /ea.  
Size: 17" • Comp No.: NW871.....\$18.60 /ea.

**Low Profile Blend Scrubber Cleaning Bonnet**

Packed: 2

Size: 13" • Comp No.: ET003.....\$25.25 /cs.  
Size: 15" • Comp No.: ET005.....\$28.65 /cs.  
Size: 17" • Comp No.: ET007.....\$35.75 /cs.  
Size: 19" • Comp No.: ET009.....\$41.25 /cs.  
Size: 21" • Comp No.: ET021.....\$46.65 /cs.

**URINE ODOR CONTROL**

Bio-90 Psss-Off is for use wherever urine is present. Great for hospitals, retirement homes, kennels, schools, and any restroom where urine odors may occur. Safe for use on carpets, bedding, restroom fixtures, urinals and refuse containers. Psss-Off is safe, easy to use, fast acting, and non caustic. Psss-Off's natural microorganisms eliminate urine and remove the salt residues that can cause corrosion. Ready to use formula.

Packed: 1 gal.

Comp No.: RA196.....\$26.95 /ea.

Packed: 4/1 gal.

Comp No.: RA195 1-9 case.....\$89.95 /cs.  
10+ case.....\$87.65 /cs.

**BEFORE TRAFFIC LANE CLEANER**

A potent "pre-spray" with additives to help prepare imbedded grease, oil and heavy traffic lane soil for removal. Applied as a spray prior to cleaning, BeFORE helps penetrate oil and grease layers, producing better results, faster. One gallon of concentrate produces 5 gallons of solution.

Packed: 1 gal.

Comp No.: VS116.....\$19.95 /ea.

**UNBELIEVABLE!® PRO – Stain & Odor Remover**

Unbelievable® Pro is excellent for general spotting of carpets, upholstery, fabrics and clothing. Advanced formula eliminates tough, stubborn stains like coffee, wine, fruit juices, food spills and more. Contains active enzymes to permanently eliminate odors and stain repelling agents to prevent resoiling.

Packed: 6/32 oz. • Stock No.: UPSO-32

Comp No.: E.1080 1-9 case.....\$43.95 /cs.  
10+ case.....\$42.95 /cs.

**THE DRI-WAY SYSTEM**

Between regular extraction or shampoo cleaning, the Dri-Way system is the best way to keep your carpet looking clean and fresh. Carpeting subjected to heavy traffic can be kept looking good year round without using methods requiring extensive drying time. The carpet is ready to use immediately. In fact, traffic can be maintained in the area being cleaned. The Dri-Way Jr. machine is used to gently work the Dri-Way Compound into the carpet to help loosen soil. The twin counter-rotating brushes are gentle enough for all carpets. Two Dri-Way Jr.'s can be joined together with the Double-header Adapter. The process is so easy to use, any maintenance employee can learn it in a few minutes and become a competent Dri-Way cleaning technician. Coverage is 450-600 sq. ft. per 4.5 lb. container depending upon type of carpet. Use with Dri-Way Jr. equipment on page 59.

Packed: 2/4.5 lbs. • Stock No.: C260-005

Comp No.: CI355.....\$25.52 /cs.

Packed: 20 lbs. • Stock No.: C260-003

Comp No.: CI353.....\$45.80 /cs.

STONE	For stone care products see page 49.							

\* High gloss is achieved by using 1500+ RPM machine to burnish finish after drying and curing 48 hours.  
 \*\* Approximate cost per square foot includes product cost only.  
 \*\*\* Initial drying time to achieve tack-free finish. Allow 48 hours for complete curing before heavy traffic is allowed.

**DURA GLOSS™ HIGH SOLIDS FLOOR FINISH**

Dura-Gloss™ High Solids Floor Finish is an outstanding floor finish containing as much as 50% higher solids than most floor finishes on the market today. The tough acrylic resins we use in this product produce a very durable high gloss finish that resists black marks and powdering. Dura-Gloss becomes so tough that it actually acts as its own sealer. Apply 2-3 coats for best gloss and durability. Coverage: 1800-2000 square feet per gallon. Low V.O.C. (California compliant.)

**Packed:** 1 gal.  
**Comp No.:** BR070.....\$18.95 /ea.

**Packed:** 4/1 gal.  
**Comp No.:** BR065 1-9 case.....\$61.69 /cs.  
 10+ case.....\$60.46 /cs.

**P&G PROLINE SUPER GLOSS FINISH**

This top-of-the-line floor finish provides wet-look gloss designed to respond to heavier maintenance schedules, including regular Ultra-High-Speed (UHS) burnishing. Highly illuminated shine; outstanding black heel mark resistance; formulated with unique urethane and acrylic polymers to withstand heavy traffic, and slip resistant components enhance safety with no interference to wet-look gloss.

**Packed:** 4/1gal. • **Stock No.:** 41771  
**Comp No.:** PG755 1-9 case.....\$83.95 /cs.  
 10+ case.....\$82.50 /cs.

**P&G SUPER DURABLE FINISH**

This exceptional finish is designed to provide ultra-rich shine for low maintenance programs. Outstanding initial gloss. Stands up to high traffic, scuffs, scratches and heel marks. Excellent detergent resistance and repairability. Exceeds industry standards for slip resistance.

**Packed:** 4/1 gal. • **Stock No.:** 41772  
**Comp No.:** PG760 1-9 case.....\$67.50 /cs.  
 10+ case.....\$66.25 /cs.

<b>17" Steel Wool Pads #2</b> Consistently flat pad for use with Maintenance Crystalizer.	VI120	SW-170/2S	1	6.00

**BLUE RIBBON™ FLOOR MACHINE PAD SELECTION**

Floor pads are manufactured from synthetic and natural fibers. The synthetic fibers used in floor pads are nylon and polyester. Natural-fiber pads are made of hair fibers blended with synthetic fibers.

As the pads are being manufactured, a bonding agent is applied to the fiber. Minerals, added during the manufacturing process, attach to these coated fibers, giving the pad its abrasive character. The degree of abrasiveness desired is achieved by adding more or less of different size minerals.

The pad selection guide listed below features colors used to identify pads. These colors graduate from the most abrasive pad (black - darkest color) to the least abrasive pad (white - lightest color). If you have a job that requires stripping, you would choose a black pad. If you need to polish a floor, a light colored pad would be recommended. While the quality of floor pads vary from one manufacturer to the next, you can be assured that Blue Ribbon pads are made from the finest materials available. Our pads are economical, long lasting and extremely durable. Blue Ribbon™ pads have a 3" center hole punch-out plug (bolt hole for high speed machines also available) with a thickness of approximately 1".

PROCEDURE	PAD COLOR	MATERIAL	RECOMMENDED MACHINE SPEED (RPM)	DESCRIPTION	RESULT
Stripping	Black	Nylon	175-350	Complete removal of all finish and sealer from floor surface.	Eliminates everything to the bare floor.
	Brown	Polyester	175-350		
Scrubbing	Green	Nylon	175 - 350	Removes top layer of floor finish along with built in dirt or heel marks	Make ready for recoating with finish and return of floor to clean shine
	Blue	Nylon	175 - 350		
Spray Buffing	Red regular	Polyester	175-350	Cleans surface dirt while re-coating with spray buff solution or intensifier.	Clean, shiny floor maintained on a regular basis
	Red super	Polyester	350-1200		
	Gorilla	Natural Fiber Blend	1000+		
Polishing	White	Polyester	175-350	Dry polishing of acrylic or carnauba wax finish.	Returns floor to clean shine after re-coating.
	Tan	Nylon	175-350		
Burnishing	White	Polyester	1500-3000	Dry buffing at ultra high speeds after floor has been cleaned.	Restores shine and gloss to floor. Also used to prepare floor before re-coating
	Superspeed rubberized Gorilla 2001	Combo Natural Fiber Blend	1500-3000 2000+

**CONVENTIONAL CUT-END WET MOP HEADS**

Our least expensive mop heads for use with wing nut or ultralite mop handles. (see page 52)

DESCRIPTION	COMPUTER NUMBER	MOP SIZE	PRICE EACH \$
<b>California String 8-Ply</b>	NW012	12	3.35
8-ply tightly twisted cotton yarn. Absorbent and durable.	NW016	16	4.55
Excellent for damp mopping.	NW020	20	5.80
Thin strings help pick up fine dust.	NW024	24	6.70
	NW032	32	8.65
<b>Kleen Sorb Rayon 4-Ply</b>	NW116	16	4.90
4-ply rayon yarn. Clean white, lint-free yarn for damp mopping and applying floor finish.	NW124	24	7.20
	NW132	32	9.60
<b>Moprite Cotton/Rayon Blend 4-Ply</b>			
4-ply white cotton-synthetic blend. Features the absorbency of cotton, the cleanliness of rayon with no break-in period.	NW224	24	6.75
	NW232	32	8.85
<b>Leader Cotton 4-Ply</b>	NW816	16	3.70
4-ply loose twist yarn for fast absorbency. An economical mophead for general purpose applications.	NW820	20	4.75
	NW824	24	5.40
Thicker strings help pick up large particles.	NW832	32	7.00

8-Ply

4-Ply

**FAN-TYPE MOP HEADS**

Fan-type wet mops are the next best thing to looped-end mops. The sewn in "tailbands" keep yarn spread in a fan shape, allowing maximum coverage. In addition, tailbands help keep the mop intact, eliminating loose strands and excessive fraying. For use with wing nut or ultralite mop handles. (see page 52)

DESCRIPTION	COMPUTER NUMBER	MOP SIZE	PRICE EACH \$
<b>California String Fantail 8-Ply</b>	NW017	16	5.35
Excellent cleaning performance.	NW025	24	7.50
	NW033	32	9.50
<b>Kleen Sorb Rayon Fantail 4-Ply</b>	NW121	20	7.10
Excellent to use for laying floor finish.	NW125	24	8.05
	NW133	32	10.25

**MOPRITE LOOPED END MOP HEADS**

Looped end made of cotton/rayon blend with 5" mesh band. Strong with excellent absorption and requires no break-in. Perfect for all purpose cleaning, it works with wing nut, ultralite or Kwik Grip handles. (see page 52)

DESCRIPTION	COMPUTER NUMBER	COLOR	PRICE EACH \$

**MICROFIBER FLOOR CLEANING SYSTEM****BRUSHED ALUMINUM TELESCOPIC HANDLE**

For use with microfiber mophead frame.

Size: 48" expands to 70"

Comp No.: E.6096.....\$6.95 /ea.

**MOPHEAD ALUMINUM FRAME WITH VELCRO**

Size: 18"

Comp No.: E.6097.....\$6.95 /ea.

**SOAKING BUCKET WITH MEASURING UNITS**

On 4 casters.

Size: 18" x 9" x 9"

Comp No.: E.6102.....\$44.95 /ea.

**WET FLOOR MOP PAD**

Release cleaning solution evenly for effective sanitization.

100% Microfiber  
(80% Polyester / 20% Polyamide)

Size: 5.5" x 19" • Color: Blue

Comp No.: E.6094.....\$3.95 /ea.

**DUSTING FLOOR MOP PAD**

For dry dusting prior to wet mopping. Microfibers ensure outstanding dust removal from all types of cleaning surfaces.

100% Microfiber  
(80% Polyester / 20% Polyamide)

Size: 6" x 19" • Color: Green

Comp No.: E.6095.....\$3.95 /ea.

## HANDLES FOR CONVENTIONAL CUT-END AND FAN-TYPE WET MOP HEADS

**Wing Nut Handle:** Lacquered hardwood handle with standard wing-nut head. Heavy duty electroplated frame manufactured to provide years of service.

**Handle Size:** 1-1/8" x 60"  
**Comp No.:** NW940.....\$8.50 /ea.

**Ultra Lite:** High-impact plastic head features a side release gate for fast and easy mop changes. Thumb wheel adjustment. The head is mounted upon a fiberglass handle.

**Handle Size:** 1" x 60"  
**Comp No.:** NW901.....\$16.20 /ea.

**Kwik Grip Handle:** Fiberglass handle for use with wide saddle 5" mesh band mopheads. Loading and unloading is one easy step. Place clean mophead between gripper jaws, screw collar tightly and mop. Very easy to use.

**Handle Size:** 1" x 60"  
**Comp No.:** NW945.....\$15.00 /ea.

**Handle for Kwik Twist Mops:** Designed for use with the Kwik Twist mopheads above to the right. Handles are lighter, less expensive and easier to use than conventional mop handles.

**Handle Size:** 1-1/8" x 60"  
**Comp No.:** NW950.....\$6.40 /ea.

## POWER SQUEEZE AUTO SPONGE MOP AND REFILL

This inexpensive automatic sponge mop is great for small spills or mopping small areas.

**Automatic Sponge Mop:** Head Size: 4.5" x 8.5"  
**Stock No.:** 00405  
**Comp No.:** EM050.....\$14.21 /ea.

**Cellulose Refill:** Head Size: 4.5" x 8.5"  
**Stock No.:** 00405-R  
**Comp No.:** EE015.....\$6.12 /ea.

## E-Z WAY APPLICATORS

The E-Z Way Applicator is for the big floor finish or seal job. You'll find the E-Z Way Applicator is 8-10 times faster than traditional wood block applicators. Its polyethylene tank holds 2.5 gallons of coating that allows you to cover approximately 1500 square feet of floor without stopping. Floor coatings tend to look significantly better when applied with the E-Z Way Applicator since its unique design assures uniform application of the material every time. Replacement parts are available.

**E-Z Applicator** – for use with water-based seals  
**Stock No.:** K-1002 • **Comp No.:** KP010.....\$285.50 /ea.

**E-Z Applicator** – for use with solvent-based seals  
**Stock No.:** K-2002 • **Comp No.:** KP015.....\$285.50 /ea.

**Water-Type Cotton Mop Style Refill Head**  
**Stock No.:** K-2500 • **Comp No.:** KP020.....\$14.95 /ea.

**Solvent-Type Synthetic Wool Refill Head**  
**Stock No.:** K-4400 • **Comp No.:** KP005.....\$7.60 /ea.

## KWIK TWIST MOPS

This mopping system allows the mop to lay flat while mopping. A metal stud protrudes from the top of the mophead, making handle attachment one quick, easy step. A plated metal band clamps around the yarn to prevent the strands from pulling out. The "Kwik Twist" wet mop is designed to save time and money when compared to conventional mopping systems. Designed to be used with Kwik Twist mop handle below to the left.

**Kwik Twist Cotton** – 4-ply: Great for all purpose mopping.

**Mop Size:** 20 • **Comp No.:** AB920.....\$5.95 /ea.

**Mop Size:** 24 • **Comp No.:** NW924.....\$6.95 /ea.

**Mop Size:** 32 • **Comp No.:** NW932.....\$8.85 /ea.

**Kwik Twist Rayon** – 4-ply: Great for damp mopping and applying floor finish.

**Mop Size:** 24 • **Comp No.:** NW126.....\$8.00 /ea.

**Mop Size:** 32 • **Comp No.:** NW134.....\$10.35 /ea.

## DECK MOPS

This one piece utility mop is manufactured by securely fastening the yarn to the handle with a synthetic wrapping twine. The twine is used instead of wire to prevent rust and deterioration. This product contains no metal parts. Excellent for use on small washroom floors, boat and ship decks or for infrequent users like small stores, offices, garages, etc.

**California String:** 8-ply tightly twisted cotton/synthetic yarn. Synthetic yarn shortens break-in period while enhancing the appearance. Excellent for damp mopping and floor finish applications. One piece construction includes handle.

**Mop Size:** 10 • **Handle Size:** 0.88" x 48" • **Comp No.:** NW040.....\$4.32 /ea.

**Mop Size:** 12 • **Handle Size:** 0.88" x 48" • **Comp No.:** NW045.....\$5.08 /ea.

**Mop Size:** 16 • **Handle Size:** 0.88" x 54" • **Comp No.:** NW050.....\$6.50 /ea.

**Mop Size:** 20 • **Handle Size:** 1.13" x 54" • **Comp No.:** NW055.....\$7.80 /ea.

**Mop Size:** 24 • **Handle Size:** 1.13" x 54" • **Comp No.:** NW060.....\$9.04 /ea.

**Moprite Blend:** 4-ply cotton/synthetic blend. Features the absorbency of cotton, the pick-up of rayon and a clean looking yarn with no break-in period. One piece construction includes handle.

**Mop Size:** 12 • **Handle Size:** 0.88" x 48" • **Comp No.:** NW145.....\$4.78 /ea.

**Economy Cotton:** 4-ply loose twist yarn for fast absorbency. An economical mophead for general purpose applications. One piece construction includes handle.

**Mop Size:** 8 • **Handle Size:** 0.88" x 54"

**Comp No.:** NW840.....\$4.00 /ea.

**Mop Size:** 10 - #12 • **Handle Size:** 1.13" x 54"

**Comp No.:** NW845.....\$4.80 /ea.

**Mop Size:** 14 - #16 • **Handle Size:** 1.13" x 54"

**Comp No.:** NW850.....\$6.12 /ea.

### ADVANTAGE MOP BUCKET & DOWN PRESS WRINGER COMBINATION

Advantage buckets are designed to meet the demanding requirements of the most sanitary environments at a fraction of stainless steel cost. All our buckets are manufactured from high density polymer that is injection molded. The durable stain resistant one-piece construction is easy to clean and sanitize and does not provide a breeding ground for bacteria. Our buckets feature single bail handle which eliminate the possibility of pinching and 3" non-marking ball bearing casters that provide smooth easy movement, guaranteed not to fall out.

#### Advantage 26 Quart Mop Bucket & Down Press Wringer Combination

Color: yellow • Stock No.: MA2633

Comp No.: MM263.....\$68.90 /ea.

### UTILITY BUCKETS

These handy pails have no seams to leak and resist cleaning chemicals and acids. Designed with an easy pour spout and plastic handle grip. Molded-in graduations allow for accurate measuring. Tough construction resists cracking and provides great flexibility.

**Utility Bucket** – 10 quart round • Size: 10.5"D x 10.25"H • Color: grey

Stock No.: 5502 • Comp No.: M9550.....\$6.95 /ea.

**Utility Bucket** – 14 quart round • Size: 12"D x 11.25"H • Color: grey

Stock No.: 2614 • Comp No.: HJ310.....\$14.75 /ea.

**Double Pail** – 17 quart • Size: 14<sup>5</sup>/<sub>8</sub>" L x 13<sup>7</sup>/<sub>8</sub>" W x 10<sup>1</sup>/<sub>8</sub>" H • Color: grey

Stock No.: 2617 • Comp No.: RM2617GRY.....\$21.50 /ea.

### RUBBERMAID MOP BUCKETS & WRINGERS

Made of tough structural foam for resistance to chemicals, cracking, dents and abrasion, this combination bucket and wringer brings all the latest designs and technology to floor mopping. The 26 quart mop bucket has a dirt trap - a recess under the wringer which traps heavier dirt particles and keeps them from recirculating - so you need fewer water changes. Sturdy 3" casters allow for smooth gliding to avoid slips and slops. The corrosion resistant wringer is lighter than most others and is designed for effortless operation and maximum water evacuation. This sideward pressure wringer can handle mops from 12 to 32 ounces in size.

#### Duramold® 26 Quart Bucket & Side Press Wringer Combination

Size: 26 qt. • Color: yellow • Stock No.: 7570

Comp No.: RM396.....\$41.53 /ea.

## CORN BROOMS

**Parlor Broom** – 30% Broom Corn, 70% Fiber, 5 Sew Lines.

Stock No.: 60106 • Comp No.: NH950.....\$7.96 /ea.

**Janitor Broom** – 20% Broom Corn, 80% Fiber, 6 Sew Lines, Black Handle.

Stock No.: 60203 • Comp No.: NH880.....\$9.72 /ea.

**Janitor Broom** – 20% Broom Corn, 80% Fiber, 6 Sew Lines, Natural Handle.

Stock No.: 60203 • Comp No.: NH110.....\$9.72 /ea.

**Mill Broom** – 30% Broom Corn, 45% Fiber, 25% Palmyra, 5 Sew Lines.

Stock No.: 60315 • Comp No.: NH133.....\$11.06 /ea.

## LOBBY / TOY CORN BROOMS

For use with dust pans, these handy brooms eliminate back straining & wasted time.

**Toy Broom** – 100% Broom Corn, 2 Sew Lines.

Size: 24" • Stock No.: 60604

Comp No.: NH820.....\$3.30 /ea.

**Lobby Broom** – 20% Broom Corn, 80% Fiber, 3 Sew Lines.

Size: 30" • Stock No.: 60402

Comp No.: NH822.....\$4.15 /ea.

**Plastic Lobby Broom** – Plastic handle with angled-plastic frayed bristles.

Size: 36" • Stock No.: 2601

Comp No.: M9313.....\$7.06 /ea.

**Polypropylene Lobby Broom** – Tough polypropylene with flagged bristles trap fine particles.

Size: 35" • Stock No.: 6374

Comp No.: RM6374.....\$7.44 /ea.

## LOBBY AND PARKING LOT DUST PANS

**Plastic Lobby Dust Pan** – This very lightweight dust pan is made of brown polypropylene plastic with a metal handle.

Size: 36" handle • Stock No.: M1800

Comp No.: MM800.....\$20.60 /ea.

**L-Grip Plastic Lobby Dust Pan** – Same as M9260 but with ergonomic L-grip handle.

Size: 36" handle • Stock No.: 2602

Comp No.: M9259.....\$17.58 /ea.

## ANGLE BROOMS

**Econo Angle Broom** – Features unique angled fibers to get all the dirt out of hard to reach places. Handle included.

Stock No.: 851/2010 • Size: 8" x 48"

Comp No.: EM010.....\$6.15 /ea.

**Replacement Head** – Only for EM010

Stock No.: 3686600 • Size: 8" x 48"

Comp No.: EM012.....\$3.22 /ea.

**Large Size Angle Broom** – Same as Econo Angle Broom but larger, 14" sweeping surface. Handle included.

Stock No.: 60804 • Size: 14" x 48"

Comp No.: NW782.....\$8.95 /ea.

**Rubbermaid® Angle Broom** – Made with long lasting washable, stain resistant polypropylene bristles. Big 10.5" sweeping surface with angled cut makes sweeping quicker and easier. Bristles are perfect for sweeping fine particles. Comes with sturdy black metal handle.

Stock No.: 6389 • Size: 10.5" x 51"

Comp No.: E.7553.....\$12.60 /ea.

## DUSTING BRUSHES

**Counter Broom** – Blend of Horsehair, Fiber and Plastic.

Size: 8" x 2.5" trim • Stock No.: 36225

Comp No.: HJ207.....\$7.20 /ea.

**Whisk Broom** – 100% Broom Corn, 2 Sew Lines.

Stock No.: 60708

Comp No.: NH280.....\$4.50 /ea.

## DUST PANS

**Plastic Dust Pan**: Size: 12" • Color: black

Stock No.: MA614 • Comp No.: MM614.....\$4.95 /ea.

**Metal Dust Pan** – medium: Size: 12" • Color: black

Stock No.: 4212 • Comp No.: M9261.....\$4.68 /ea.

**Metal Dust Pan** – large: Size: 16" • Color: black

Stock No.: 4216 • Comp No.: M9262.....\$9.08 /ea.

## HEAVY DUTY PUSH BROOMS

**Palmyra Floor Broom**: This garage broom is recommended for rough work and wet and dry sweeping. Stiff palmyra fiber makes this broom a heavy duty sweep for all kinds of floors. For use with 60" (NW936) or 72" (NW937) handles on page 55.

Size: 18" • Comp No.: MB060.....\$9.95 /ea.

Size: 24" • Comp No.: MB061.....\$12.34 /ea.

**Plastic Floor Broom**: Crimped plastic bristles are solvent resistant. Ideal for wet surfaces, this broom is an economical garage broom for heavy duty sweeping on rough surfaces. For use with 60" (NW936) or 72" (NW937) handles on page 55.

Size: 18" • Comp No.: MB054.....\$9.50 /ea.

## MEDIUM DUTY PUSH BROOMS

**Gold Double Eagle Broom**: This broom features two threaded handle holes. The head features a border of soft synthetic flagged material with a coarse synthetic center. For use with 60" (NW936) or 72" (NW937) handles on page 55.

Size: 18" • Comp No.: MB057.....\$9.95 /ea.

**Black Tampico Broom**: Selected black tampico. Excellent general purpose broom works well on medium dust and dirt. For use with 60" (NW936) or 72" (NW937) handles on page 55.

Size: 18" • Comp No.: MB004.....\$11.95 /ea.

## WINDOW AND TRUCK BRUSH

Features long-wearing medium stiff plastic bristles for non-scratch cleaning. Block has one tapered hole and one threaded hole for versatility. For use with 60" (NW936) or 72" (NW937) handles on page 55.

Size: 10" • Comp No.: FL035.....\$15.95 /ea.

## FINE SWEEPING PUSH BROOMS

The Satin Tip features an exploded tip for maximum efficiency and fine sweeping. For use with 60" (NW936) or 72" (NW937) handles on page 55.

Size: 18" • Comp No.: HJ145.....\$11.38 /ea.

Size: 24" • Comp No.: HJ140.....\$13.13 /ea.

**GRIP 'N' GRAB – Grabbing Tool**

Powerful gear driven claws grab bottles, cans, small objects and debris. Rubber over-molded steel fingers grip and hold small objects with ease; curved "arms" hold cans and bottles securely. 36" length is perfect for picking up debris or retrieving objects from shelves.

Size: 32" • Stock No.: 4906  
Comp No.: SP490.....\$24.68 /ea.

**SWIFFER DUST CLOTH SYSTEM**

The Swiffer cloth with Deep Lift & Lock Pockets™, picks up more of the dust, dirt, hair and common allergens than traditional methods. By simply attaching the dry, electrostatic cloths to the Swiffer sweeper, soil is history, even in the hard to reach places.

DESCRIPTION	COMPUTER NUMBER	PACKED	PRICE EACH \$

## CATALINA OLEFIN CARPET MATS

Catalina mats work in all kinds of weather, protecting floors from damaging dirt, moisture and wear. The long-wearing 100% continuous filament olefin pile takes the punishment of heavy traffic without fuzzing or pilling. Solution dyed fibers are long wearing and will not fade or discolor in sunlight. Traps 1.2 gallons of water per square yard - dries 4 times as fast as conventional nylon mats. Cleans easily by vacuum or hose.

### NOBLES POWER EAGLE® 716

The Power Eagle 716 is packed with power and versatility, plus it's easy to operate and transport from job to job. The 7 gallon tanks, 16" cleaning path and lightweight design make it perfect for any size facility. This reliable extractor injects cleaning solution into the carpet with its 100 psi pump, while the 1,200 rpm brush loosens soil from the fibers. A powerful 3-stage vacuum with 106" of waterlift quickly removes the soil and solution to leave carpet looking like new. Years of experience in the field have proven that this self-contained extractor is ready to tackle any carpet cleaning job with superior results. Convenient attachments for cleaning upholstery, stairs and hard to reach places are also available below.

Stock No.: 608543 • Comp No.: CS030.....\$2,744.00 /ea.

### NOBLES POWER EAGLE® 1016

Perfect for any size facility, the Power Eagle 1016 features a wide 16" cleaning path and a patented 10 gallon expansion cavity to keep solution centrally balanced and the machine compact in design. Like all Nobles extractors, the Power Eagle 1016 is very easy to operate and maintain. Fingertip spray control permits proper use of solution and vacuum. An automatic float shut-off prevents the operator from overfilling the unit and a top access quick-connect provides fast, convenient hookup of accessories. Quick-disconnect spray jets make maintenance easy and a hinged chassis provides convenient access to all internal components. The Power Eagle 1016 provides a 100 psi pump, 200 rpm brush and a powerful 3-stage vacuum with 137" of waterlift leave the carpet clean and virtually dry. Convenient attachments for cleaning upholstery, stairs and hard to reach places are also available below.

Stock No.: 1002564 • Comp No.: CS035.....\$3,195.00 /ea.

### NOBLES POWER EAGLE® 1020

The Nobles Power Eagle 1020 is an economical workhorse, ready to remove deep down, embedded soil from medium to large carpeted areas. A 100 psi pump, 1,200 rpm brush and a powerful 3-stage vacuum with 137" of waterlift leave the carpet clean and virtually dry. A wide 20" cleaning path and a patented 10 gallon expansion cavity increase running time to enhance productivity and save you labor dollars. The Power Eagle 1020 is easy to operate safely. Simply fill it up and flip a switch. Cleaning solution is kept centrally balanced in the machine and large 10" wheels provide great maneuverability for the operator. Convenient attachments for cleaning upholstery, stairs and hard to reach places are also available below.

Stock No.: 1002556 • Comp No.: CS040.....\$3,460.50 /ea.

### NOBLES FALCON™ 2800 PLUS

The Falcon 2800 cord-electric automatic features a pivoting brush base and vacuum shoe which follows the machine around turns for greater productivity and maximum cleaning. This is the latest and greatest in self-propelled carpet extraction. Large area carpet cleaning is fast and easy with its 28 gallon solution capacity, wide 22" path and innovative features. A built-in spray wand allows the operator to pre-spray traffic lanes before or during extraction. An adjustable-height console enables all operators to run the machine at a comfortable position. A front pivot wheel provides outstanding maneuverability and a variable speed control allows the operator to speed up for surface cleaning or slow down for deep, restorative maintenance. The Falcon 2800's hinged body provides access to all internal components and its quick-disconnect spray bar and spray jets make servicing easy. Convenient attachments for cleaning upholstery, stairs and hard to reach places are also available below.

Stock No.: 608352.....\$7197.00 /ea.

### NOBLES ANSER™ EXTRACTOR

Spot removal is easy and complete with the Nobles Anser™ Extractor. Standard attachments include a 4" clear hand tool and 8' solution and vacuum hose for effective soil removal. The Anser™ was developed in response to the number one carpet and upholstery maintenance problem: spot removal. This 2 gallon capacity, briefcase-style hot water extractor is perfect for quick, thorough spot removal and upholstery cleaning. It features a lift-off recovery tank, a comfortable carrying handle, a built-in cord wrap and easy operation. Housekeepers are impressed with the Anser's 30 psi of cleaning power and 80 cfm of air movement, 71" waterlift along with its convenience.

#### Anser™ Extractor

Stock No.: 608681 • Comp No.: CS090.....\$872.40 /ea.

**DRI-WAY JR. QUICK INTERIM CARPET CLEANING**

The ideal way to maintain carpet appearance between regular cleanings. Special Dri-Way Jr. counter-rotating dual brush machine works Dri-Way compound into carpet to dislodge and absorb soil which is then easily vacuumed away. The adapter has the availability to link two Dri-Way Jrs. together for double the coverage agitation. No drying time is required. Dry-Way cleaning products available on page 46.

Comp No.: NI999.....\$574.00 /ea.

**NOBLES CYCLONE® 2 SPEED CARPET DRYER MD1000**

Powerful and tough, the Nobles Cyclone® 2 speed dryer will cut the drying time of wet carpet and upholstery in half. The unit moves 2,000 cubic feet of air per minute forcefully but quietly. In addition to quick, efficient carpet and upholstery drying, the Cyclone® will also dry hard floors, fresh paint and concrete sealer.

It's perfect for flood restoration of carpet and the dryer works great for ventilating hot, closed areas. Adjustable legs can be positioned upward or downward depending on the need. And the 30 pound stackable unit is light enough to transport from room to room. The Cyclone® also carries a full 5 year warranty on materials and workmanship. UL listed.

Stock No.: 608258 • Comp No.: CS100.....\$349.68 /ea.

**HOST FREESTYLE® DRY EXTRACTION VACUUM**

The Freestyle from HOST with removable vacuum pod and detachable base unit is ideal for cleaning carpeted stairs, under desks, tables, work stations and detailed cleaning. It features superior dry soil removal than conventional vacuums and is specifically designed for the efficient removal of damp HOST Dry Carpet Cleaner. Counter-rotating brushes lift pile to revive matted traffic lanes and dislodge soil from carpet fibers for deep cleaning. A detachable base unit is ideal for cleaning carpeted stairs. Host cleaning products available on page 46.

**HOST Freestyle ExtractorVAC #E8** - Includes carpet cleaning brushes

Weight (in use): 58 lbs.

**NOBLES SPEED SCRUB™ 2401 24" AUTOMATIC SCRUBBER**

The Speed Scrub 2401 is a perfect fit in a top-performing line of automatic scrubbers. This dynamic machine features a 10 gallon solution tank and a 12 gallon recovery tank and offers a two-speed forward drive. A hinged recovery tank allows the operator easy access to the battery compartment and charging. Additional features: 65 pounds of floating pad pressure, center pivoting forward/reverse pickup squeegee, adjustable steering column and flashing red safety lights. This battery operated scrubber utilizes dual, 300 rpm, counter-rotating brushes for a 24" cleaning path. This complete package contains pad drivers, batteries and charger.

Stock No.: 612216.....\$7,747.00 /ea.

**NOBLES SPEED SCRUB™ 32" AUTOMATIC SCRUBBER**

Designed for simplicity and ease of operation, the battery-powered Speed Scrub 3301 features a compact design with 22.5 gallon solution and 27 gallon recovery tanks. A hinged recovery tank allows the operator easy access to the battery compartment and charging plug. The brush motors deliver up to 120 lbs. of brush/pad down pressure. A fully variable speed drive system propels the machine in both forward and reverse while allowing for incredible maneuverability. The center pivoting forward and reverse pickup squeegee cleans right up to the wall and tracks perfectly around corners. More features: lower noise level and quick no tool brush and squeegee replacement. Package includes pad drivers, batteries and on-board charger.

Stock No.: 608276.....\$9,897.00 /ea.

**CERTIFIED® CHEMICAL FREE "DRY EXTRACTION" PILE BRUSH CARPET CLEANING SYSTEM**

Certified® pioneered and has further enhanced the concept of a chemical free (dry extraction) pile brush cleaning system concept longer than any other machine manufacturer. The Certified Model S Pile Brush Machine removes deeply embedded dry particulate matter from carpet while opening and grooming the nap. No cleaning job is complete or professionally done unless prepared by pile brushing. Skillfully engineered and ruggedly built, only the Certified® Pile Brush offers you these exclusive features: portable, self-leveling, variable depth of brush, positive brush drive transmission, continuous brush action, protected motor, sand trap to prevent jams, long wearing solid spiral brush...and the list goes on.

A pile brush machine should be used weekly on traffic lanes, monthly on all of the carpeted areas, and always just before any cleaning process. The pile brush vacuum is a dual-purpose machine because it is used both to maintain commercial carpet and to clean. It eliminates traffic patterns and will prolong the life of your carpet or rugs, when used on a regular basis. Approved by The Carpet & Rug Institute (CRI). Available with gentle grooming vegetable fiber or more aggressive tufted nylon brush included (please specify preference).

**Certified® Model S Pile Brush (vegetable fiber included)**

Comp No.: CI399.....\$1,495.00 /ea.

## PANASONIC® ULTRA MC-V5504 COMMERCIAL 12" WIDE VACUUM CLEANER

The new Panasonic® commercial vacuum cleaner is simply the most powerful and durable commercial vacuum offered. Unlike other vacuums that have the dirty air flow through a fan, Panasonic® designed a clean air system which has the dirty air flow into the vacuum bag first. This design saves you the constant problem of having to replace fans that frequently break. The brush belt is in its own enclosed housing which greatly reduces the frequency of belt changes. This ultra-lightweight 12" vacuum offers many key features which includes a commercial heavy duty 9.0 amp motor, 73 decibel, quiet operation, a rugged double brush agitator to ensure thorough cleaning on any surface, automatic height adjustment, a bypass valve to extend motor life when vacuum bags are full, a 35 foot power cord 99.5% 5 microns, paper bag filtration and a 1 year warranty. Commercial UL-listed. Only weighs 11.7 lbs. without cord.

Stock No.: MC-V5504 • Comp No.: PN100.....\$258.55 /ea.

Green Label  
Approved Vacuum

## PANASONIC® MC-V225 COMMERCIAL 14" WIDE HEPA CLEANER

The Panasonic® commercial vacuum cleaner is simply the most powerful and durable dual motor commercial vacuum with on board tools offered. Tools include 5:1 stretch hose, telescopic wand with suction control, crevice tool and dusting brush. Panasonic® designed a clean air system which has the dirty air flow into the vacuum bag first. This design saves you the constant problem of having to replace fans that are frequently breaking and greatly reduces the frequency of belt changes. This lightweight 14" vacuum includes a commercial heavy duty 10.0 amp motor, 74 decibel, quiet operation, a rugged double brush agitator, 4 position carpet height adjustment, a bypass valve to extend motor life when vacuum bags are full, a 50 foot power cord, 99.5% 5 microns paper bag filtration HEPA filter and a 1 year warranty. Commercial UL-listed. Only weighs 13.8 lbs. without cord

## ORECK VACUUMS

The Oreck XL2000RH is the commercial version of what is often advertised on the media for over \$300. It is a lightweight top-fill upright vacuum cleaner that takes the effort out of cleaning. The 2 1/2 inch low profile head finds dirt under the lowest surfaces. The double helical brushes have 100% more bristles than many other vacuums, and the brush speed changes automatically depending on the surface. The top-fill filter bag is sealed and holds 736 cubic inches of dirt.

## SEBO ESSENTIAL G1 COMMERCIAL UPRIGHT CLEANER

SEBO vacuums are built to work utilizing a combination of superior brush action, suction and filtration. The 3-Step Filtration System helps ensure clean air. The S-class filtration system as described, results in 99.9% effectiveness to 0.3 microns making the SEBO essential G-Series vacuums the perfect choice for customers who suffer from allergies and asthma.

This SEBO vacuum is also easy to maintain and simple to use. The entire machine is user friendly and can be disassembled in minutes (no tools are necessary). The Electronic Control is the brain of the SEBO Essential G vacuums. It is equipped with warning systems and automatic shut-off capabilities that are designed to alert the user to machine problems such as clogs, full bag, brush obstructions and if you have the correct brush setting for optimum cleaning.

### PROTEAM PORTABLE VACUUMS

Healthy cleaning requires a combination of the proper chemicals, equipment and machines. Of primary importance is the vacuum system utilized within the cleaning operation. The system, or process, must assure that the facility is properly cleaned on a scheduled basis and it must assure that cleaning, rather than polluting, is the result of the cleaning worker's activities in the facility.

ProTeam vacuums are dedicated to cleaning without polluting. They capture soil and safely contain harmful particles to prevent them from being reintroduced into the environment. Greatly improved air quality is the result of ProTeam vacuums' unique Four-Level Filtration system. This system captures tiny dust mites, bacteria, and other particles – which can cause unhealthy air. ProTeam's unique method cleans carpets, hard floors and other surfaces without stirring dust to help keep air cleaner, yielding air and furniture with less dust so employees, visitors and guests breathe healthier air.

## RUBBERMAID® FLOOR AND CARPET SWEEPER

Adjusts automatically to clean any floor surface. It has two dustpans for pickup on forward and backward strokes, plus brushes for both fine and loose dirt. The sweeper has wheels and four corner brushes, plus front and back furniture guards. It weighs just four pounds and the sweeper head is 2.75" high for easy maneuverability. Perfect for use in lobbies, hallways and guest rooms where the use of a noisy vacuum cleaner is not always appropriate.

**Size:** 10½" x 9½" with 7½" sweeping path

**Stock No.:** 4213 • **Comp No.:** RM100.....\$87.50 /ea.

**Smaller version for tight spaces:** one brush, one debris canister

**Size:** 9½" x 8" with 6½" sweeping path

**Stock No.:** 4212 • **Comp No.:** RM4212.....\$59.00 /ea.

## TORNADO SWEEPER

The EB 30 is battery operated, motorized mini-sweeper loaded with features that make it extremely effective, durable, and operator friendly. At 56 dBA (lower than the volume level of normal conversation), it is not intrusive when people are present. The powerful brush head sweeps debris into an easily removable 1-liter bin. At 12" wide, it has a nicely sized cleaning path while remaining maneuverable. The unit comes with a removable 7.2 volt rechargeable Ni-Mh battery. Also included is a single battery charge that provides a full charge in about 12 hours.

### Tornado Mini-Sweeper #EB30 (12" wide)

**Weight (in use):** 4.4 lbs. • **Comp No.:** E.6155.....\$179.95 /ea.

10+ case.....\$61.75 /cs.

### PERFECTOUCH® CUP COFFEE DESIGN

Patrons generally prefer paper cups; however, they normally find conventional paper cups difficult to handle for hot drinks. Perfectouch cups are insulated and feature a textured non-slip grip, yet they are uniquely made entirely from paper and contain no polystyrene.

Perfectouch cups feel warm to the touch - but not hot. This distinctive feature makes these cups comfortable, secure in your hand, and eliminates the need to use a sleeve or to double cup. Snap on domed lids feature a sipping hole for easy and comfortable drinking.

**Perfectouch Hot Cups** – 8 ounce

**Packed:** 1000 • **Color:** design • **Stock No.:** 5338CD

**TORK XPRESSNAP NAPKINS**

Foodservice environments are not all created equal when it comes to their napkin requirements. But all would agree that the labor and consumption costs associated with napkin usage are higher than preferred. Xpressnap provides one-napkin-at-a-time dispensing for improved personal hygiene.

- One napkin-at-a-time dispensing. Every time.
- Guaranteed 25% reduction in napkin usage, resulting in sizable cost savings.
- Improved personal hygiene - touch only the napkin you use.
- Customizable advertising area. Create an advertising message that includes your own wording and logo.

**SUNBEAM – Automatic Commercial Brewing System****SU300****SU305****SU510**

The Sunbeam automatic commercial brewing system brews 1 to 4 cups of coffee quickly and easily. Its simple design makes it ideal as an in-room brewing system. A warmer plate is provided to keep coffee at an ideal temperature. The automatic 1-hour shut-off feature ensures safety. The "pause 'n' serve" feature makes it easy and convenient for your guests to use. UL Commercial rated. Any coffee can be used but we recommend 4 cup filter pouches (see page 66) as these are the correct size and convenient to use. A universal security installation package, consisting of a clamp and screw, is available to secure power cord to counter or wall, discouraging theft of coffee maker. One year warranty against manufacturer defects.

**Sunbeam Brewing System** – includes glass decanter

**DISPOSABLE GUEST UTILITY TOWEL**

Guests often use your expensive linen on their shoes, cars and luggage. Without any alternative, they will continue to damage or even steal linen in order to clean something. These disposable 3-ply paper guest towels can cut down on linen damage and theft. At a cost of about 3¢ each, you can really save money! Simply place a complimentary guest towel in each bathroom for the use of your guests. Black ink on white. Contact us for more information on customizing this product with your own logo.

**Packed:** 150 • **Size:** 12" x 17" • **Stock No.:** 625-70 (with black design)  
**Comp No.: FH010** 1-9 case.....\$89.05 /cs.  
 10+ case.....\$86.95 /cs.

**AROMAE® – Guest Amenities**

Using essential oils and aromatic essences, the Aromae Botanicals collection offers your guests an extraordinary aromatherapy experience. This program incorporates a new upscale bottle design and contemporary, elegant graphics.

### EO® – Guest Amenities

EO® is a family owned and operated, CCOF certified organic manufacturer of personal care products made with the highest grade essential oils and ingredients. EO® creates products that are natural, gentle, effective and free from animal testing. The formulation of beneficial and synergistic herbs, essential oils and natural ingredients is an art form and EO® works continuously to source natural and organic ingredients using responsible methods. All EO® products do not include synthetic colors, fragrances or harsh chemicals. EO® essential oils are steam distilled without any adulteration or synthetic additives. EO® sources natural ingredients, manufacturers, and finds the most environmentally friendly packaging to fill and ship each and every product. The EO® in-room programs relax, refresh and redefine the elegance delivered by quality natural and organic botanicals. We offer the unique EO® collection with its distinctive quality for the convenience and enjoyment of your guests. The product purity and efficacy meets the needs and focus of the Green hotel.

#### Sweet Orange Shampoo

Mild & Refreshing for all hair types.

- Coconut cleansing complex gently cleanses without stripping the hair of its natural oil
- No irritating sodium lauryl/laureth sulfates
- Nourishing herbal blends are formulated for the unique needs of your hair type
- Amino acids promote healthy hair growth
- Vitamins A & E help soothe and protect the scalp

#### Rose Geranium & Citrus Conditioner

Mild & Refreshing for all hair types. Made with plant nutrients and pure essential oils to add body and shine and protect the scalp and hair from damaging elements.

- Nourishing herbal blends are formulated for the unique needs of your hair type
- Aloe Vera and wheat amino acids help detangle and moisturize hair
- Anti-Static Complex helps reduce frizz and improve manageability
- Deeply conditions without weighing down hair

#### Grapefruit & Mint Body Lotion

Purifying & Stimulating. This moisturizing & restorative lotion is the ideal, everyday body treatment to nourish, hydrate & soften your skin.

- Organic herbal blend is formulated to soothe and heal dry, irritated skin
- Nourishing Mango Seed Butter replenishes the skin's moisture
- Antioxidant Vitamins A & E aid in tissue repair and improve skin elasticity
- Absorbs quickly for softer, silkier skin

#### Lavender Shower Gel

Calming & Relaxing. Gently cleansing with pure essential oils & organic herbal blends.

- Organic herbal blend is formulated to soothe and nourish your skin
- Concentrated & moisturizing formula gently cleanses without drying your skin
- Antioxidant Vitamins A & E are added to restore & protect your skin
- Coconut oil cleansing complex is one of the gentlest, most effective and richly foaming formulas available

#### Glycerine Soap

A vegetable oil blend provides a gently cleansing, nourishing & moisturizing base for pure soaps. Pure essential oils and glycerine, a natural skin-softener and humectant helps retain the skin's moisture.

**ECOSSENTIAL® ELEMENTS – Guest Amenities**

The Ecossestial® Elements range will indulge both your guests and the environment. The soaps and liquids are enriched with soothing organic aloe vera, nature's therapeutic compound. The body lotion combines lanolin, glycerine and mineral oils to replenish and refresh your skin, while the bath gel contains chamomile to soothe dry and irritated skin. The shampoo and conditioners are fortified with apple extracts to restore lustre, and rosemary to encourage the scalp's production of natural conditioning oils. Ecossestial® Elements soaps are vegetable based, and all products are fully biodegradable.

**PROTERRA MARINE – Guest Amenities**

Proterra Marine - like our Proterra line - is a collection of biodegradable liquids and soaps made with natural extracts and gentle ingredients. Proterra Marine precisely blends the nourishing qualities of sea salt, sea fennel and Japanese sea kelp to provide guests with a refreshing touch of ocean paradise. Presented in recyclable tubes and cartons that utilize recycled materials. Proterra Marine is gentle on the environment and treats your guests to an all natural bathing experience they will always remember.

### GLYCERINE SOAP LOAVES

Glycerine soaps keep all skin types feeling soft & clean. Unfortunately, in industrial soap-making, the glycerine is usually removed. Our pure glycerine soaps are uniquely artistic, wonderfully scented, and appreciated by all the guests. Our mild formula is ideal for all skin types.

Our glycerine soap loaves stand alone, and will intrigue both young and old guests. The colors in our soaps are amazing, variety is outstanding, and to top it off, they smell wonderful. We have sourced the best quality ingredients available to ensure you receive the best we can offer.

We are proud to say all our handmade natural soaps, perfumes and skin products are creatively designed - with you adding the final touches. Provided in loaves, our glycerine soap making system requires a soap cutting jig and cutter to enable you to proportion out the size of bar you wish to provide to your guests.

With the flexibility to proportion and custom wrap your own bars, our glycerine soap system offers you the valuable opportunity to offer these soaps over-the-counter as unique retail memories of your guest's stay.

**EUROBATH – Protein Body Shampoo System with Glycerine**

EuroBath is a uniquely formulated European bathing gel that comfortably satisfies three of your customers' demands: it's a shower gel for a complete body shampoo, it's a bath gel for luxurious bubble baths, and it's a clean-rinsing, no-conditioner-required hair shampoo that will meet the approval of even your most discriminating guests. It's the perfect addition to any amenity offering. This luxury and convenience comes at a uniquely low cost. Each guest can shampoo his or her hair at a cost of 1¢ to you. As an added benefit, the EuroBath formula will save you money in labor costs. One of your toughest cleaning jobs is removing soap scum and spots from tile, tub and shower curtains. EuroBath never leaves bathtub rings, soap scum or spots. It rinses clean every time. You get sparklingly clean bathrooms for less labor and chemical cost. Contact us today for more information on EuroBath and for details on printing your logo on EuroBath dispensers (which requires a minimum order of only 120 dispensers).

**FORGET-ME-NOT – Guest Amenities**

Imagine: A guest arrives at your property late one evening. He wearily unpacks, thinking about the important 8:00 a.m. meeting the next day. Suddenly, he realizes he has forgotten a razor — PANIC! Shops are closed now and there is no time left in the morning to look for an open shop. Luckily, your hotel has a Forget-Me-Not program where you stock frequently forgotten items for your guests. One simple call to the front desk brings a razor to your guest's hands in minutes. The guest was saved the embarrassment of an unshaven face and will remember your thoughtfulness long after he has checked out. This situation probably happens every day in every hotel across the nation. It could have been shaving cream, a comb, a toothbrush, or deodorant. Any one of these forgotten items could spell disaster for your guests or, if you are prepared, could mean a loyal customer for years to come.

**LAUNDRY AND VALET BAGS – Disposable**

Our line of plastic laundry/valet bags are made especially for your guests' convenience. Whether you use them as part of your valet service, or as a complimentary bathing suit bag, your guests will appreciate your thoughtfulness. Other uses include: shopping bag for your gift shop, shoe shine bag, etc. Please contact us about customizing these bags. Our paper laundry bags are ideal for your hotel or motel guests' use. They can be used as a giveaway for guests or a bag to solicit orders for your on-premise laundry service.

**GLASSWARE**

These heat-treated tumblers are created through a special heating and rapid cooling process after the glass is formed which increases resistance to thermal and mechanical shock. This secondary process on "blown" glassware is performed only on the upper portion of the glass where most abuse occurs. This helps keep the glasses chip-free and crack-free.

**PERSONALIZED MATCHBOOKS**

Matchbooks are an invaluable means of advertising – there is no competition from other mass media. Direct mail, the only other medium that offers similar advantages of personalization and selectivity costs many more times per impression than matchbook advertising. Why not put your sales message into your customer's pocket? Put them in your rooms, restaurant, bar and at the registration desk... or in the highway service stations, etc., to catch the traveler who is looking for a place to stay! Surveys have shown that 76% of all U.S. adults habitually pick up and carry matchbooks! Surveys have shown that 40% of people can recall – unaided – the message on the matchbook they are carrying! Match advertising is available in many different styles and designs to suit your taste. We've listed a couple of our stock design options here; however we also specialize in custom designs. BRS High Gloss White Board Matches are beautiful! Select from a variety of ink colors on a crisp white cover board. A protective lacquer coating gives a pleasing shine to the finished product. Ink colors available include black (777), brown (776), purple (775), green (704), red (703), blue (702), red & blue (701). BRS Matches in Sparkling Color offer the following colors: assorted pack of black ink on 5 board colors (A-700), black ink on red board (BR-708), black ink on beige board (BB-709), brown ink on beige board (BNB-711). Other sizes and colors are available. We can assist you with artwork. Call us today for more information.

**PERSONALIZED PENS**

When you select amenity products for your guests, two of your property's most valuable assets are on the line - reputation and image. Some pens may look like a BIC, but that's where any similarity ends. Only BIC hotel pens can give your guest the famous "writes first time and every time" quality and dependability. For long lasting promotional value, BIC quality imprints won't rub off. You'll find BIC products in the finest hotels and casinos around the world, why not in yours? Our art department can assist you with your artwork if necessary, and many other styles are also available.

**FAULTLESS HOT IRON CLEANER**

Non-abrasive formula cleans and removes build-up from the bottom of irons. Non-flammable, non-toxic, and easy to use. Safe for all iron bottom surfaces.

Packed: 2/17 oz. tubes

Comp No.: SU050.....\$4.95 /pk.

**THE IRON CONNECTION**

Finally a secured ironing system at a very affordable price. The Iron Connection will immediately reduce expenses by preventing theft, reducing liability, increasing safety and minimizing storage space. The Iron Connection joins the iron and ironing board together with a security/safety cable. Now the iron must be used with the board, thereby preventing iron burn damage and theft. Due to its strength and reliability, the Iron Connection comes with a 5 year customer guarantee.

Comp No.: SU500.....\$24.50 /ea.

**IRONING BOARD HANGER**

Use this convenient metal hanger in conjunction with the Iron Connection to minimize the closet space needed.

Comp No.: SU550.....\$4.50 /ea.

**IRONING ORGANIZER**

Neatly store your iron and ironing board with a Sunbeam ironing organizer. You don't even have to worry about your wall getting damaged from a hot iron with this burn-resistant iron holder.

Size: 5.5" x 4.25" x 12" • Stock No.: 3963

Comp No.: SU180.....\$10.95 /ea.

### WALL-MOUNT HAIR DRYER – With Night Light

Most people leave a light on all night when they stay at a hotel. That seems like a harmless practice, until you add up the cost of electricity and all those burnt out light bulbs. At the end of the year, you're paying a hefty sum for your guests' sense of security - about \$15 per room, per year! That's why we offer the Conair nightlight hair dryer. This wall-mounted, pilfer-resistant 1600 watts hair dryer features an auto off/on light sensor LED (no more time wasted changing costly nightlight bulbs!). It isn't just a professional grade hair dryer; it's a real energy saver! Comes with a removable filter, 6' coil cord, two heat/speed settings, auto safety shut off when replaced in mount, GFCI shock protection safety plug and a one year limited warranty. Hard wire version available – call for information.

**Conair Wall-Mount Hair Dryer** – with night light

**Comp No.:** SU375.....\$26.95 /ea.

### SUNBEAM WALL-MOUNT HAIR DRYER

SU350

SU365

The Sunbeam wall-mount hair dryer is sturdy enough to take the daily punishment of the hotel environment, and keep on delivering 1500 watts of styling power, so your guests will get professional results, time after time; and because our wall-mount hair dryer won't function without the base, it minimizes the chance of pilferage. Key features include: 3 power settings, 2 different temperature settings and 2 air speed settings. Removable filter for easy cleaning, automatic shut-off when placed in mounting base and a convenient 6' coiled cord. The GFCI plug with safety functions offers immersion shock prevention. Includes mounting hardware and comes with a one year factory warranty.

10+ units.....\$35.55 /ea.

**INN CONTROL OVERLOAD PROTECTION**

Blocks electric current to refrigerator while microwave is in use. Run a microwave and a refrigerator without using an extra circuit. Junction box has 3 outlets for small appliances, such as a microwave, compact refrigerator, and coffee maker. Outlet designated for the microwave will automatically block current from going to the other 2 outlets when the microwave is in use. Once the microwave stops, power is restored to the other outlets (there is a 2-4 second safety delay to the refrigerator).

- Control circuit: 2.5 amps, 300 watts
- Maximum current draw: 10 amps
- Current capability is 15 amps.
- ABS construction is 94 VO combustibility-complaint for flammability by UL

Color: white • Size: 5 3/4" W x 3" H x 3 1/2" D • Weight: 1.25 lbs.

Comp No.: E.5400 1-9 units.....\$39.95 /ea.  
10+ units.....\$38.95 /ea.

**BED FRAMES**

Heavy duty, high carbon steel construction makes our bed frames exceptionally strong. End caps protect bedding, extra wide and durable carpet rollers last longer and recessed legs stay out of the way of vacuums. No-tool assembly means that these frames are designed to be installed quickly and require no maintenance.

DESCRIPTION	COMPUTER NUMBER	PRICE EACH \$

Bulk case of 60 each		

( \*Standard adjustable keyhole bed frames with 2" carpet rollers accommodates standard or extra length beds.)

Twin/Double Frame

Queen/King Frame

**BED SUPPORT GLIDES**

Another option is to eliminate the bed frame altogether and use bed glides. The bed glide is a solution to the problems of old noisy bed frames. Made of injection molded high impact polypropylene, it is virtually indestructible.

Prices F.O.B. Factory. Smooth-sliding, carpet-saver replacement for casters. Virtually indestructible plastic. Keep beds from touching floor. Move without marking carpet.

**Packed:** 60 • **Size:** 7" high • **Color:** brown or beige  
**Comp No.:** E.4876....\$199.50 /cs.

( Note: 6 glides are required for a twin or full bed, 7 are required for a full XL bed and 9 are required for a queen or king bed. )

**LAMPSHADES**

It is prudent and cost effective to replace lamp shades rather than the whole lamp or chandelier. Shades that are faded, stained or show signs of wear will take away from your property's appearance in the eyes of the guests. Here we offer a small sample of what we can provide to you.

## BAMBOO COTTON TOWEL COLLECTION

Silky soft 65% cotton and 35% bamboo. This luxurious towel is made of the finest bamboo and cotton yarns and utilizes the best of both components. The bamboo yarn comes from the bamboo tree which grows in a pesticide free environment. Its natural antibacterial characteristics are hygienically ideal for daily use. Its absorption is superior to cotton, its softness is incomparable. By combining these two fine yarns, we have created a masterpiece for your customer's bathing experience.

## PILLOWS

One third of a person's life is spent sleeping on a pillow! To help ensure that those hours are restful, Blue Ribbon Supply carries three kinds of high quality pillows. Premier quality Conformance pillows contain a unique siliconized cluster shaped polyester fill that flows much like natural downs and feathers. Conformance pillows are machine washable/dryable, refluflable and they provide the ultimate comfort and support for all sleeping positions. Polyester premium fill pillows are machine washable/dryable, resist matting, require very little care, and will last for years. All BRS pillows are hypoallergenic, odorless and resilient.

MARTEX INSTITUTIONAL BEDSPREADS

Our Martex Institutional Bedspreads are made so well and of such high quality material that we can state that they will endure more than 50 wash and dry cycles! Amazing, isn't it? Just think — if you had bought these before, you wouldn't need to change bedspreads now! Martex Bedspreads are made of a 50% polyester/50% non-iron cotton face fabric a 75% polyester/25% cotton back fabric and a filling of 100% bonded polyester. They feature a double-needle diamond quilt pattern that has excellent durability. The bedspread is also non-allergenic, flame resistant and very strong. It is made from a permanent press fabric which requires no ironing. A minimum order of 12 per size and pattern required.

## VELLUX ECONOLINE BLANKETS – By Westpoint Stevens

This fluffy, light warm blanket will keep your guests warm even on the coldest night. Martex-Vellux blankets made by Westpoint Stevens are the best institutional blankets you can purchase today. They are made of 100% nylon fiber on polyurethane foam. This material keeps the blanket looking like new even after 50 washings. These Econoline blankets are actually considered "irregulars" by the mill because the batch color is slightly beyond their specifications – a bargain for you!

DESCRIPTION	COMPUTER NUMBER	SIZE	COLOR	PRICE EACH \$

<b>First Quality</b> – fits king	<b>WP067</b>	108" x 90"	ivory*	<b>35.49</b>

(\*Note: Other colors can be special ordered but only in first quality. Please call for details.)

## TOWEL HOLDERS

Towel holders can cut towel use by 20% to 30% by stopping guests from putting wet, used towels into contact with clean towels. Guests automatically use fewer towels translating into lower laundry and labor costs. You also save on wear-and-tear of towels from continued cleaning! What better way to save than to have functional, attractive towel holders in your guest's bathrooms. Gleaming chrome finish.

DESCRIPTION	COMPUTER NUMBER	STOCK NUMBER	SIZE	PRICE EACH \$

## SUNBEAM COLEMAN GUESTREST SLEEP SYSTEM

Give extra guests a good night's rest with the Coleman® GuestRest® Sleep System, designed for their comfort and your convenience. It inflates quickly and easily and offers superior comfort to rollaways. Heavy-duty PVC is puncture-resistant, holds 600 pounds and won't damage walls or elevators. And in the morning, the cover removes for washing and the mattress deflates for compact storage. Make their great night's sleep your day's easiest job.

Stock No.: 1682.....\$229.95 /ea.

## ROLL-AWAY BEDS

Our tubular roll-away beds feature sturdy baked enamel tubular steel construction. Retainers hold the mattress firmly in place while an exclusive latch design allows for easy operation. Deluxe Mattress comes covered with a plastic bag. Units are individually cartoned for shipping and easy storage. Features tubular roll-away bed frame with 4" rubber wheels and 5" inner spring mattress.

Size: 38" x 75"

Comp No.: BL005.....\$249.50 /ea.

## PREMIUM MICROFIBER FLEECE ROBES

Made of delicate superfine microfiber, this premium microfibre robe is soft and absorbent with a feel that rivals cashmere. They have two side pockets, a shawl collar, belt, and a generous 46" length from the shoulders to the bottom hem. One size fit ladies and men. Made from 100% microfiber polyester fleece fabric.

**BLUE RIBBON WASH™ – Concentrated Powdered Laundry Detergent**

Blue Ribbon Wash Detergent is a very highly concentrated, low suds laundry compound. It is a nonpolluting, balanced blend of biodegradable brighteners, water softeners and soil suspending agents that remove dirt quickly and gently. Wash is our largest-selling detergent. Due to its highly concentrated formula only use 1/8 - 1/4 cup per 35 lb. washload.

**Size:** 25 lbs. • **Washload:** 200-400 wash loads\*  
**Comp No.:** BC060.....\$21.50 /ea.

**Size:** 50 lbs • **Washload:** 400-800 washloads\*  
**Comp No.:** BC065.....\$34.12 /ea.

**Size:** 100 lbs • **Washload:** 800-1600 washloads\*  
**Comp No.:** BC070.....\$67.95 /ea.

(\* Assuming a washload of approximately 35 lbs. )

**BLUE RIBBON BRITE™ – Powdered Chlorine Bleach**

Blue Ribbon Brite is the perfect chlorine bleach for your white towels, linens and garments. It produces excellent whiteness retention without loss of fabric tensile strength. Unlike many common chlorine bleaches, Blue Ribbon Brite also contains special stain removing ingredients. Use only 1/4 to 1/2 cup per 35 pound washload. If you want a clean, bright, white wash, your best choice is Blue Ribbon Brite!

**Size:** 50 lbs • **Chlorine:** 4.5% • **Washload:** 200-400 washloads\*  
**Comp No.:** BR010.....\$55.60 /ea.

**Size:** 50 lbs • **Chlorine:** 16% • **Washload:** 800-1600 washloads\*  
**Comp No.:** BR014.....\$105.45 /ea.

(\* Assuming a washload of approximately 35 lbs. )

**DAISY™ – Concentrated Powdered All-Fabric Brightener**

Concentrated Daisy is an all-fabric laundry brightener that easily removes tough stains and brightens your entire wash. Daisy replaces chlorine bleach. The active ingredient, oxygen, is perfectly safe on colors as well as white clothing and linen. It is so concentrated that you only need to use 1/8 to 1/4 cup per 35 pound washload. Daisy will freshen, brighten and prolong the life of your entire wash.

**Size:** 50 lbs • **Washload:** 400-800 washloads\*  
**Comp No.:** BR250.....\$58.34 /ea.

(\* Assuming a washload of approximately 35 lbs. )

**SNUGGLE – Liquid Fabric Softner**

Institutional Snuggle is excellent for use on towels, sheets, etc. Snuggle combats static and leaves your wash soft & fresh smelling.

**Packed:** 2 gal. • **Stock No.:** 94170  
**Comp No.:** LB126.....\$26.50 /ea.

**Packed:** 2/2 gal. – double pack  
**Stock No.:** 2979953  
**Comp No.:** LB125 1-9 case.....\$43.75 /cs.  
 10+ case.....\$42.75 /cs

**BOUNCE – Fabric Softener**

Bounce is a remarkable fabric softener that comes in easy-to-use sheets that work in the dryer. The warmth and tumbling action of the dryer releases the ingredients in Bounce. Your wash comes out soft and smelling fresh without static cling.

**Packed:** 6 /160  
**Comp No.:** PG745 1-9 case.....\$56.95 /cs.  
 10+ case.....\$55.95 /cs.

**COMMERCIAL ALL – Powdered Laundry Detergent**

Commercial All Detergent is a fast-acting, low-sudsing, nonionic, no-phosphate heavy duty detergent that produces a sparkling clean wash. Great on oil! Use 1/2 to 1 cup per 35 pound wash load.

**Packed:** 50 lbs • **Stock No.:** 2979216  
**Comp No.:** LB085.....\$69.50 /ea.

**WISK LIQUID****– Liquid Laundry Detergent**

Wisk is the ideal detergent for heavy stains like ring-around-the-collar, oil, knee stains, grease, etc. Wisk will get your entire wash sparkling clean and fresh-smelling. Use for the whole wash and as a powerful pre-treatment.

**Packed:** 4/1 gal. • **Stock No.:** 2979890  
**Comp No.:** LB135 1-9 case.....\$57.50 /cs.  
 10+ case.....\$56.50 /cs.

**TIDE HE – 2X Concentrated Liquid Detergent**

*The outstanding clean of Tide for your front-loading High Efficiency(HE) washer.*

Unlike traditional agitator washers, most front-loading HE washers use a “tumbler” system with no agitation. The new systems are so efficient, that HE washers can use low-water wash and rinse cycles. Because of this, HE detergents like Tide HE have to work differently from traditional laundry detergents in order to be effective. HE detergents are formulated to be low-sudsing and quick-dispersing to get the best cleaning performance from HE washers.

**Packed:** 4/100 oz. • **Stock No.:** 08886  
**Comp No.:** PG537 1-9 case.....\$79.50 /cs.  
 10+ case.....\$77.50 /cs.

**CLOROX – Germicidal Liquid Bleach**

Institutional Clorox Ultra Germicidal Liquid Bleach has been especially formulated to deliver 6.15% sodium hypochlorite solution. Clorox is an effective sanitizer, stain remover and deodorizer. It is also an EPA registered disinfectant which is OSHA compliant for bloodborne pathogen guidelines.

( Not available outside our delivery area )

**Packed:** 6/96 oz. • **Stock No.:** 02490  
**Comp No.:** CX005 1-9 case.....\$16.80 /cs.  
 10+ case.....\$15.80 /cs.

**LIQUID BLEACH**

Liquid Bleach delivers a 5.25% sodium hypochlorite solution. It is safe for use on acrylics, cotton, nylon, polyester and rayon. Follow directions on bottle (Not available outside our delivery area).

**Packed:** 6/1 gal. • **Stock No.:** 2071  
**Comp No.:** GP005 1-9 case.....\$12.95 /cs.  
 10+ case.....\$12.50 /cs.

### P&G PROFESSIONAL CLOSED LOOP LAUNDRY SYSTEM: FEATURING COMMERCIAL TIDE, CLOROX & DOWNY

The P&G Professional laundry system is designed for the commercial and in-house laundry that is seeking a better solution. This unique system is based on P&G's proven proprietary technologies to provide you with a safer laundry cleaning system that produces better results. We would be pleased to visit your on-premise laundry and conduct a (no obligation) cost analysis for you. Call us today and ask for our laundry specialist in your area. Our suggestions just might give you the brightest, cleanest, lowest cost wash load you've ever seen.

- Only 3 products required: Tide, Clorox & Downy Free
- Potentially shorter wash cycle times verses 4 & 5 product systems
- Automatic liquid feed for more accurate dosing over powder and solid systems
- Color coded, lock & key system helps prevent contact with chemicals
- Dilution control saves money
- Easy to use program selector to help prevent errors
- Free equipment available to qualified accounts
- Service is available as needed to respond within 24 hours

### P&G PROFESSIONAL TIDE LIQUID LAUNDRY DETERGENT

Specifically formulated for use in institutional laundries. Easily emulsifies greasy soils. Proprietary enzymatic cleaning technology. Neutral pH makes it safe to use. No need for a sour to lower the pH. Cleans all fabrics under all water conditions. So safe that you can even pretreat with it.

**Packed:** 5 gal. pail • **Stock No.:** 41674

**Comp No.:** PG950.....**Price\***

## LAUNDRY BAG VENDER

Whether you have an existing coin laundry or you are modernizing your present one, adding a Vend-Rite bag vender could mean a higher net profit and a better return on your investment dollar! Laundry bags generally sell well in coin laundries. However, studies have shown that your bag sales jump when you install a vender that specifically advertises bags to your customers. Look at our special offer below – for approximately what it costs you for the product, we'll give you the vender FREE!

Cases of 50¢.: 2 • Cases of 75¢.: 2

Stock No.: B294B • Comp No.: RT015.....\$245.00 /ea.

( Please note that this offer is limited to one vender deal per location. )

**VEND-RITE LAUNDRY VENDING MACHINES**

Vend-Rite makes the best laundry venders on the market today. They are constantly working to improve the quality of their venders and have incorporated many important features into their products. These include:

- Hinged guard-style door and high security locks for greater security
- Separately locking cash box so you keep control of the money while your attendant keeps the vender filled
- Cabinets are all steel welded construction
- New mounting brackets make hanging the vender quicker, easier and safer than before
- Super security guards are also available

Two and three column venders are perfect for motels, hotels, campgrounds, truckstops, college campuses and apartment buildings.

**MODEL 294 – 2 Column / 46 Box Capacity**

**Weight:** 118 lbs.

**Comp No.:** RT175.....\$900.00 /ea. (plus freight from Chicago)

**VENDMASTER 894 – 8 Column / Mechanical**

The VendMaster 894 is an 8 column, 184 box capacity coin-slide-driven machine. This vender features a proven, direct drive dispensing system used in our two, three and four column machines. Empty weights, lock out the column when out of product, cutting down on user abuse. The new three door design allows you to service the vender without blocking the aisle. All locks feature a three point locking system. The 894 can be equipped with ESD, Greenwald or Monarch Vertical 5 coin slides, which adjust from .25¢ to \$1.25. A hinged wrap around Security Guard is available.

**Cabinet Dimensions:** 42" W x 43<sup>5</sup>/<sub>8</sub>" H x 9" D

**Weight:** 190 lbs.

**Comp No.:** RT180.....\$1110.00 /ea. (plus freight from Chicago)

**VENDMASTER 240 COIN / DEBIT – 8 Column / Electronic**

The VendMaster 240 is an 8 column vender with a capacity of 240 vends. The features include a Coinco GX series coin changer, which accepts the Sacagawea Dollar Coin and gives change. This changer can be programmed to accept or reject nickels and dimes (needs to be specified when ordering). The electronics of this vender offer multi pricing, accountability and self-diagnostic. The cabinet offers a locked cash box three point locking system, direct fill magazine and the three-door design allows you to service the vender without blocking the aisle.

The Debit version functions with any multi-priced platform system. The hook up is thru an MDB cable and in many cases no additional power source is necessary. The Debit version has all the electronic features (except the GX changer) and cabinet features (except the cash box) of the Coin version. This vender has the same or smaller footprint of any 7, 8 or 9 column vender. A hinged wrap around Security Guard is available.

**Cabinet Dimensions:** 30<sup>5</sup>/<sub>8</sub>" W x 45<sup>1</sup>/<sub>8</sub>" H x 11" D

**Weight:** 185 lbs. (Coin), 175 lbs. (Debit)

**Debit Card Model DVM360** (reader not included)

**Stock No.:** DVM360.....\$1620.00 /ea. (plus freight from Chicago)

**OUT OF SERVICE CARDS**

"Out of Service" cards are great for use in areas where vending machines are located. Cards provide customers with a means to obtain a refund and provide you with an explanation of any vending machine problems. Card also promotes goodwill by warning customers of a machine with problems. Printed in English on one side and Spanish on the reverse side.

**Packed:** 500 • **Size:** 7.25" x 4.25"  
**Comp No.:** WS005.....\$32.95 /ea.

**NADEX COIN SORTER**

If you count coins, you're going to enjoy the Nadex Coin Sorter. It makes your job quick and easy. Coins are fed by hand into the upper section of the sorter. You can sort, count, stack, and wrap about 2 to 3 rolls per minute. The automatic feeder option could be purchased and added to this unit at a later date. Just dump coins into the hopper tray. Touch "on" button and the electrically powered vibrator automatically feeds coins into the coin sorter. A dial lets you adjust rate of flow of coins to a speed that is comfortable for you. Sorts up to 500 coins per minute. Reliable and durable.

**Coin Sorter with Automatic Feeder**

**Stock No.:** 607 & 707 • **Comp No.:** ND005.....\$149.95 /ea.

**Automatic Coin Feeder**

**Stock No.:** 707 • **Comp No.:** ND010.....\$89.95 /ea.

**Economy Version of Above** – (non-electric) with adjustable stand - 28"x6.5"  
**Comp No.:** NW005.....\$24.95 /ea.

**FLUFF & FOLD PACKAGING SYSTEM**

Lodging properties and laundry store owners offering washing services to customers often wonder how to best package clothing after cleaning. Our Fluff & Fold system answers these concerns. Use of the Fluff & Fold plastic packaging system gives your finished bundle a truly "professional look." Fluff & Fold bags are packed, perforated on a roll, in a handy dispenser box that fits on a shelf or under your counter. A plastic tie is furnished with each bag for securing the bundle. Each bag is attractively printed with a cheerful message, "Thanks for your Patronage". If you don't currently offer a "Drop-Off" service, invest in our Fluff & Fold Starter Kit. It comes with everything needed to start a Fluff & Fold Service.

Our Fluff & Fold Starter Kit includes: an instruction sheet – with ideas on how to operate a drop-off service, two signs – one for the window and one framed for inside your store, 250 handouts and 2 bumper stickers – to advertise your service, 250 three-part customer receipt forms, 5 control sheets – for attendant cash control, 500 medium size Fluff & Fold bags with ties, 500 large size Fluff & Fold bags with ties, a sign to show the hours that drop-off service is available, and color-coded magnets – to help track multiple washer and dryer loads, and, finally a 2 pocket attendant apron that has the red clock logo and a slogan to promote the service.

## Effective and Efficient Pool & Spa Care

Caring for your pool or spa is important. We are here to help you keep your water clear and healthy, and to help enable you to maintain your equipment in excellent condition. Of course, learning to use treatment chemicals economically and effectively requires some understanding of water chemistry. Following these important steps will take you far in caring for your pool or spa.

### 1. Testing

Treatment begins with thorough testing. Use an accurate test kit frequently and at regular intervals.

### 2. Balanced Water

This is essential for chlorine or bromine to kill bacteria effectively. Begin by checking the total alkalinity (which acts as a buffer to stabilize pH). The ideal total alkalinity is between 80-120 ppm. Next, the pH test will tell you if the water is acidic or alkaline. The ideal pH is between 7.2 - 7.6.

### 3. Sanitize

Either chlorine or bromine is generally used as the chemical that kills bacteria and / or algae present in pool / spa water. The proper sanitizing level for chlorine is 1.0 - 3.0 ppm and for bromine is 3.0 - 3.5 ppm.

### 4. Shock Treatment

If chloramines or bromamines build up in the water, shocking your pool / spa every 1-2 weeks will help protect from skin and eye irritation, chlorine odor, algae growth and cloudy water.

( Please check your local health code ordinance for exact specifications )

	Minimum	Ideal	Maximum
<b>Free Chlorine (FAC)</b>	Pool: 1.0 ppm Spa: 2.0 ppm	1.0 - 3.0 ppm 3.0 - 5.0 ppm	5.0 ppm 10.0 ppm
<b>Combined Chlorine (CAC)</b>	Pool: 0 ppm Spa: 0 ppm	0 0	0.2 ppm 0.5 ppm
<b>Bromine</b>	Pool: 2.0 ppm Spa: 2.0 ppm	2.0 - 4.0 ppm 3.0 - 5.0 ppm	4.0 ppm 5.0 ppm
<b>pH</b>	7.2	7.4 - 7.6	7.8
<b>Total Alkalinity</b> Ideal range depends upon the type of sanitizer used. Maintain between 80 - 120 ppm	60 ppm	80 - 100 ppm (For calcium hypochlorite sodium hypochlorite and lithium hypochlorite) 100 - 120 ppm (For gas chlorine, dichlor, trichlor and bromine compounds)	180 ppm
<b>Calcium Hardness*</b>	150 ppm 100 ppm	200 - 400 ppm 150 - 250 ppm	500 - 1000 ppm 500 - 800 ppm
<b>TDS (Total Dissolved Solids)</b>	0 ppm	200 - 1000 ppm	3000 ppm
<b>Stabilizer (Cyanuric Acid)</b>	10 ppm	30 - 50 ppm	100 ppm

\* Depends on local fill water conditions.

Check local & state codes.

Maximum User Capacity:  
Surface Area ÷ Health Code  
Bather Capacity = MAXIMUM USER CAPACITY

## TAYLOR TEST KITS

DESCRIPTION	COMPUTER NUMBER	SIZE (H X W)	PRICE EACH \$
<b>Taylor Complete Test Kit</b> Tests free chlorine (.5-5 ppm.) free bromine (1-10 ppm.), pH, alkalinity, cyanuric acid, calcium hardness, acid & base demand, 0.75 ounce reagents.	<b>E.5491</b>	K-2005	<b>51.95</b>

### AQUACHEK® WHITE SALT POOL WATER TEST STRIP

AquaChek® White Salt Pool Water Test Strip simplifies salt water testing for systems using chlorine generators, providing a precise salt reading in approximately three to four minutes. Easy and accurate, the AquaChek® white test strip measures salt levels from 400-7000 ppm.

**Packed:** 10 • **Stock No.:** 561140  
**Comp No.:** E.5040.....\$12.95 /ea.

### AQUACHEK® SELECT 7-WAY

*Tests for Total Hardness, Total Chlorine, Total Bromine, Free Chlorine, pH, Total Alkalinity and Cyanuric Acid (Stabilizer)*

AquaChek® Select 7-Way offers seven important tests on a single strip and now features an improved test for Cyanuric Acid. It's faster and easier to use than liquid test kits. This strip allows you to test Cyanuric Acid up to 300 ppm (mg/L), a higher level than any available liquid kits! This Cyanuric Acid test works in pH between 7.0 and 8.4, and in Total Alkalinity at or below 240 ppm. It offers enhanced colors for greater color distinction and easier readability.

**Packed:** 100 strips per bottle  
**Comp No.:** NC290.....\$31.74 /ea.

### ELECTRONIC pH TEST METER

The most commonly used methods to monitor the water pH are pH litmus papers, chemical test kits, and pH meters. Litmus papers and chemical test kits work on the principle of colorimetric reaction, and their results are approximate. This pocket size waterproof pH meter provides quick and accurate readings on an easy to read LCD screen, with a resolution of up to one tenth of pH unit. This unit also features: automatic shut off, automatic calibration, 0-14 pH range with ±0.1 pH accuracy with automatic temperature compensation water proof casing with 100% buoyancy and a one year warranty.

**Stock No.:** PHEP4.....\$109.95 /ea.

ACIDIC	NEUTRAL	BASIC
Corrosion		Scaling
Skin / Eye Irritation		Cloudy Water
0	1.0	2.0
3.0	4.0	5.0
6.0	7.0	8.0
9.0	10.0	11.0
12.0	13.0	14.0
7.2 - 7.6		
IDEAL RANGE		

Keeping pool / spa water at pH 7.2 to 7.6 is ideal for bather comfort. ( For comparison, lemons have a pH value of 2.2 while baking soda is pH 8.4).

FYI

### pH CONTROL

Measured on a scale that runs from 0 to 14, pH indicates whether water is neutral, acidic, or basic. For example, the drawing shows that a pH equal to 7.0 is neutral, a pH below 7.0 is acidic, and a pH above 7.0 is basic.

### AQUACHEK® TRUTEST DIGITAL TEST STRIP READER

*Tests for Free Chlorine/Bromine, pH and Total Alkalinity*

Specifically developed for pool and spa owners, the AquaChek® TruTest Digital Test Strip Reader combines the ease and accuracy of AquaChek® test strips with advanced digital technology. Now there's no guesswork required to interpret color results - just dip a test strip in your pool or spa, insert test strip reader and get fast, accurate digital results in seconds!

#### Features:

- Fast, accurate results in 15 seconds without color matching
- Large, easy-to-read LCD screen that displays test results
- Numerical test results for Free Chlorine/Bromine, pH and Total Alkalinity - "low", "ok" or "high" indicators for each test parameter
- Water-resistant
- Memory function-stores the last 9 test results
- Power source: 2AA alkaline batteries (not included)
- Sixty (60) day limited manufacturer's warranty

#### Kit Includes:

- TruTest Digital Test Strip Reader
- User's guide in 15 languages
- Pool Care and Treatment Information
- 25 TruTest Digital Strips

#### Aquachek® TruTest Digital Strip Reader

**Stock No.:** 2932400.....\$49.95 /ea.

**Replacement TruTest Digital Strips** – for use in the TruTest Digital Reader

**Packed:** 50 strips per bottle  
**Stock No.:** 512082.....\$9.95 /ea.

### PH CONTROL

DESCRIPTION	COMPUTER NUMBER	PACKED	PRICE EACH \$
Guardex Dry Acid (lowers pH and total alkalinity) – 1 container	NC025	3 lbs.	6.95
Guardex Dry Acid (lowers pH and total alkalinity) – 12 containers	NC020	12/3 lbs.	55.25
Lowers pH and reduces total alkalinity. 2.5 pounds lowers total alkalinity 10 ppm per 10,000 gallons of water.			
Liquid Muriatic Acid (lowers pH and total alkalinity)	GP027	2/1 gal.	9.95
31.45% strength, commercial grade for use in cleaning surfaces, etching slippery decks, and lowering water pH. One quart lowers total alkalinity 10 ppm per 10,000 gallons of water.			
Soda Ash (raises pH) – 1 box	GJ005	5 lbs.	10.80
Soda Ash (raises pH) – 6 boxes	GJ010	6/5 lbs.	43.20
Soda Ash (raises pH) – bulk	GJ015	50 lbs.	24.10
100% Sodium Carbonate raises pH. When the pH drops below 7.2 add one pound per 10,000 gallons of water. Re-test and add more as necessary.			

**TOTAL ALKALINITY CONTROL – Sodium Bicarbonate**

Total alkalinity can be decreased by draining water or by adding acid. However, when using muriatic acid, you will cause the pH to drop. This will require further pH adjustment. When total alkalinity drops below 80 ppm it can be increased by adding sodium bicarbonate which will raise the pH slightly and increase total water alkalinity. 1.5 lbs. raises 10 ppm per 10,000 gal. of water.

Packed: 9 lbs.

Comp No.: NC270.....\$17.20 /ea.

Packed: 50 lbs.

Comp No.: NC285.....\$40.00 /ea.

**CALCIUM HARDNESS CONTROL**

Test your total alkalinity with your test kit, then test the hardness of your water. Then look at the water balance system diagram to determine the level of hardness/alkalinity balance and adjust accordingly. Calcium hardness can only be decreased by draining water. When the hardness drops below 150 ppm, calcium hardness can be easily increased by adding our calcium increaser. One pound raises calcium hardness 10 ppm per 10,000 gallons of water.

Packed: 10 lbs.

Comp No.: NC273.....\$24.50 /ea.

**pH BALANCE – Automatic Spa pH Adjustment**

After filling the spa, adjust the pH quickly and easily with pH Balance. It will properly adjust and hold the pH for up to 3 months. Not recommended for calcium hardness levels above 200 ppm. One bottle will treat up to 500 gallons of water for up to three months.

Packed: 1 qt.

Comp No.: NC293.....\$17.20 /ea.

**THIO-TRINE – Lowers Chlorine/Bromine Residual**

Prevent pool down time due to excessive chlorine or bromine levels. Thio-trine reduces excessive sanitizer levels to a more comfortable, safer range. 1 oz. of Thio-trine added to 10,000 gallons of pool water, will lower the chlorine residual 1.0 ppm.

NOTE: pH value will also be lowered slightly.

Packed: 20 oz.

Comp No.: NC035.....\$21.62 /ea.

**DEFENDER – Scale and Calcium Buildup Inhibitor**

A scale and stain inhibitor that prevents calcium buildup on walls and in heating and plumbing equipment. (Use 2 ounces per 800 gallons weekly).

Packed: 1 qt.

Comp No.: KS125.....\$12.50 /ea.

**STABILIZER – Cyanuric Acid**

A stabilizer is required by Health Departments to prevent the rapid dissipation of chlorine caused by sunlight. While some chlorines contain stabilizer, many do not. Stabilizer is commonly known as cyanuric acid.

**Cyanuric Acid Conditioner/Stabilizer** – (1 lb. per 4,000 gal. to raise 10 ppm)

Packed: 10 lbs. • Comp No.: NC255.....\$26.00 /ea.

**Cyanuric Acid Test Kit (Dipstick Test)** – For reading the level of stabilizer or conditioner in pool water by means of a turbidity chart. Range 0 to 100 ppm – comes with 8 oz. test reagent.

Packed: 1 kit • Comp No.: BF005.....\$27.50 /ea.

**Cyanuric Acid Test Reagent Quart Refill**

Packed: 1 qt. • Comp No.: BF010.....\$13.50 /ea.

**CLOUDY WATER CONTROL**

Cloudy water can be caused by many things. First, balance pH and total alkalinity. Next, check filtration system to see if it is working properly. Once these two items have been checked and/or properly adjusted, you need to treat the water with a clarifier. Clarifier is a coagulant for the elimination of suspended particles like dust, algae, etc. Once treated with Bright & Clear, your properly working filter can easily return your water to its original clarity. Add 2 oz. per 1,000 gallons of water.

Packed: 1 qt.

Comp No.: KS015.....\$14.60 /ea.

**FOAM DOWN DEFOAMER – Foam Control**

Foam is caused by the entry of foreign matter into the water. Common contaminants are suntan lotion, detergent and soap residues. A common cause is a low calcium hardness level. To eliminate foam, check your calcium hardness and adjust if needed, then treat the water with defoamer to eliminate the problem. Add 1 oz. per 500 gallons of water.

Packed: 16 oz.

Comp No.: KS010.....\$9.58 /ea.

**FAST GLOSS – Spa Polish and Cleaner**

Spa Fast Gloss is a super fast, easy to use, reactive silicone polish and cleaner.

It reacts with a spa surface making a chemical bond that protects the surface and restores its original luster. Helps prevent fading and oxidation. Great for acrylic and gel coat spas. Use each time you refill your spa.

Packed: 16 oz.

Comp No.: NC295.....\$17.46 /ea.

## TYPES OF POOL WATER SANITIZERS

**FYI**

	NAME	COMMON NAME	(%) AVAILABLE SANITIZER	EFFECT ON pH	ADVANTAGES	DISADVANTAGES
<b>SODIUM TRICHLOR</b>	Trichloro-s-Triazinetrione	Trichlor tablet	90% chlorine	lowers	Slow dissolving tablet. Long shelf life. Built in cyanuric acid protection from sunlight. Works in 3" tablet chlorinators.	Possible cyanuric acid stabilizer buildup in commercial pools. Requires a tablet feeder.
<b>SODIUM DICHLOR</b>	Sodium Dichloro-s-Triazinetrione	Dichlor powder	62% chlorine	lowers	Built-in cyanuric acid protection from sunlight. Quick-dissolving. No residue. For regular use or superchlorination.	Possible cyanuric acid stabilizer buildup in commercial pools.
<b>CALCIUM HYPOCHLORITE</b>	Calcium Hypochlorite	Cal Hypo powder	65% chlorine	raises	Excellent for sanitizing or superchlorination. No Stabilizer. Low cost.	Requires special handling due to flammability. Calcium may build up, clouds water.
<b>SODIUM HYPOCHLORITE</b>	Sodium Hypochlorite	Liquid bleach	10% chlorine	raises	Inexpensive. Instant chlorine for superchlorination. Non-flammable.	Short shelf life. High salt content. Dissipates rapidly in sunlight. Containers may leak.
<b>BROMINE</b>	Bromine	Bromine	61% bromine 27% chlorine	no change	More stable at high temperatures. Causes little or no eye / skin irritation.	Should only use indoor with little or no sunlight. Sunlight rapidly degrades bromine.

### CHLORINE – Bacteria Control

DESCRIPTION	COMPUTER NUMBER	PACKED	PRICE EACH \$
<b>All Clear Chlor-Rite Dry Granular – pail</b>	NC087	25 lbs.	79.00
<b>All Clear Chlor-Rite Dry Granular – drum</b>	NC090	100 lbs.	229.00
Use for daily chlorination or to shock your pool. Super chlorinate your pool by adding 10 ounces per 10,000 gallons or for regular use, add 2 ounces per 10,000 gallons to raise level 1 ppm. 65% available chlorine, Calcium Hypochloride. pH 11.7.			
<b>Fresh 'n' Clear Granular Pool Sanitizer</b>	NC040	10 lbs.	52.00
Stabilized Sodium Dichloro-iso-cyanurate. 99% active ingredients. 62% available chlorine, with Cyanuric Acid conditioner. 4 ounces treats 20,000 gallons of water. pH 6.0.			
<b>Fresh &amp; Clean 1" Trichlor Chlorinating Tablets</b>	NC260	10 lbs.	38.00
No residue. Contains Cyanuric Acid conditioner. 90% available chlorine. pH 2.8.			
<b>Fresh &amp; Clean 3" Jumbo Chlorinating Tablets</b>	KS186	10 lbs.	42.00
No residue. Contains Cyanuric Acid conditioner. 90% available chlorine. pH 2.8.			
<b>All Pure Sodium Hypochlorite – liquid</b>	GP022	2 1/1 gal.	8.98
To raise 1 ppm, add 20 ounces per 10,000 gallons. Liquid chlorine. pH 13.			

### BROMINE – Bacteria Control

Like chlorine, bromine is a member of the halogen family. It is most popular for use in spas and hot tubs because it is stable at higher temperatures, more effective over a wide pH range and reduces pH fluctuation. At a water pH of 7.8, bromine is over 150% more active than chlorine. 61% available bromine, 27% available chlorine. pH 7.4.

**Packed:** 5 lbs.  
**Comp No.:** NC250.....\$47.00 /ea.  
**Packed:** 25 lbs.  
**Comp No.:** NC251.....\$185.68 /ea.

### BROMINE – Spa Care Kit with Instruction Video

This kit includes: 3.5 oz. bromine dispenser with float, 8 oz bottles of Bright and Clear, Spa Defender, Foam Down and Fast Gloss, 2 oz. packets of Spa Up, Spa Down, Sodium Bromide and Renew, bottle of 25 test strips, thermometer and 2 oz. bottle of Spa EsScents.

**Packed:** 1  
**Stock No.:** BFV.....\$67.95 /ea.

### NON CHLORINE SHOCK

Use monthly or more often as needed to keep water looking clean.

**2 ounce packet** – enough to shock up to 500 gallons.  
**Packed:** 2 oz.  
**Comp No.:** NC292.....\$2.25 /ea.  
**2.5 lb bottle** – use 2 oz. per 500 gallons.  
**Packed:** 2.5 lbs.  
**Comp No.:** NC289.....\$22.95 /ea.

### SPA METAL GON – Mineral Protection

Use Spa Metal Gon to prevent staining of your spa surface and discolored water caused by metals in the source water. One bottle will treat up to 500 gallons of water for up to three months.

**Packed:** 16 oz.  
**Comp No.:** NC294.....\$6.95 /ea.

## ROLACHEM COMMERCIAL SPA & POOL SIZE LIQUID FEEDERS

Rola-Chem chemical feeder uses state of the art technology and the highest quality components to manufacture one of the most dependable chemical feeders available. They use a heavy duty air-cooled motor with thermal overload protection and stainless steel casings with fewer working parts and solid state controls. Can be used in both indoor and outdoor installations. Please specify voltage and cord or conduit fitting when ordering.

### Chemical Feeders:

**110 volt** – 9.6 gallons per day, with cord  
**Stock No.: RC-25/53SP/110.....\$323.00 /ea.**

**220 volt** – 9.6 gallons per day, with conduit fitting  
**Stock No.: RC-25/53SP/220.....\$323.00 /ea.**

**110 volt** – 40 gallons per day, with cord or conduit fitting  
**Stock No.: RC-103SP/110.....\$323.00 /ea.**

**220 volt** – 40 gallons per day, with conduit fitting  
**Stock No.: RC-103SP/220.....\$323.00 /ea.**

**Silicone (Tygon) Hose Assembly** – 13.5", squeeze tube hose assembly, for RC-25/53SP, RC-103SP, for chlorine use only (change every 3 to 6 months)

**Stock No.: 523115.....\$29.00 /ea.**

**Neoprene Hose Assembly** – 13.5", squeeze tube hose assembly, for RC-25/53SC, RC-103SP for chlorine or acid use (change every 3 to 6 months)  
**Stock No.: 523114.....\$40.00 /ea.**

**Clear Feed Tubing** – 7/16" diameter, for suction and discharge, price per foot (change every 6 to 12 months)  
**Stock No.: 520116-1.....\$2.75 /ft.**

## HAYWARD SPA & POOL SIZE TABLET FEEDER

The easy economical and professional way to chlorinate your pool or spa — automatically. Hayward's efficient, corrosion-proof automatic feeders install easily on new or existing pools or spas and hold up to 9 pounds of large or small Tri-Chlor slow dissolving tablets or sticks — enough to provide approximately a three week supply of chlorine sanitizer for large pools and longer for smaller pools or spas. The easy to use integral dial control valve lets you accurately adjust the rate of chlorination needed to keep your pool or spa sparkling pure and inviting.

**In-Line Chlorinator** – 9 pound capacity  
**Stock No.: CL-200.....\$65.95 /ea.**

**Optional In-Line Union Kit** – contains two union adapters  
**Stock No.: SP-1500UN.....\$11.95 /ea.**

**Free Standing Off-Line Chlorinator** – 9 pound capacity  
**Stock No.: CL-220.....\$85.95 /ea.**

## BLUE WHITE COMMERCIAL SPA & POOL SIZE LIQUID FEEDERS

Blue White chemical feeder is an extremely durable, heavy duty feeder that uses peristaltic action to pump chemicals accurately and reliably. Self-priming and non-clogging. Heat and chemical resistant Valox plastic housing make this a logical choice for both indoor and outdoor installations. Please specify voltage and cord or conduit fitting when ordering.

DESCRIPTION	STOCK NUMBER	PRICE EACH \$
<b>Flex-Flo Feeder</b> – 110 volt, 52.5 gallons per day, with cord	<b>A1N10A4T</b>	<b>338.00</b>
<b>Flex-Flo Feeder</b> – 110 volt, 76.1 gallons per day, with cord	<b>A1N20A7T</b>	<b>338.00</b>
<b>Flex-Flo Feeder</b> – 220 volt, 52.5 gallons per day, with conduit fitting	<b>A1N12A4T</b>	<b>338.00</b>
<b>Flex-Flo Feeder</b> – 220 volt, 76.1 gallons per day, with conduit fitting	<b>A1N22A7T</b>	<b>338.00</b>
<b>Flex-Flo Tube Assembly</b> – 3/8" OD, for chlorine use only (change every 3 to 6 months)	<b>A130-6</b>	<b>12.95</b>
<b>Flex-Flo Neoprene Tube Assembly</b> – 3/8" OD, for chlorine or acid use (change every 3 to 6 months)	<b>A-002-6N</b>	<b>14.95</b>
<b>PVC Threadless Injector</b> – 3/8" diameter for 1.25" to 2" pipe	<b>T140-6V</b>	<b>29.95</b>
<b>Suction and Discharge Tubing</b> – 3/8" diameter, price per foot (change every 6 to 12 months)	<b>C334</b>	<b>0.90 /ft.</b>

## PENTAIR INTELLICHLOR SALT CHLORINATOR

IntelliChlor takes electrolytic chlorine generation to a higher level of convenience, reliability and safety. Electrolytic Chlorine Generation is the easiest, most effective and convenient way to keep pool water sparkling clean. The IntelliChlor chlorine generator uses common table salt to produce all the chlorine your pool needs, right in your pool - safely, effectively, and automatically. Same sanitation performance as manual chlorine addition without the drawbacks. No need to buy, transport and store expensive chlorine compounds. No more odor, stinging eyes, irritated skin and bleached out swimsuits.

### Featured Highlights:

- Cell blades are rated for more than 10,000 hours of operation - five years of reliable chlorine output under normal operating conditions.
- Full diagnostic capabilities, including cell life tracking that communicates remaining hours of cell life in real-time. Captures all the performance data daily (production settings, hours of operation, chlorine output, cell cleaning cycles, salt readings, and water temperature averages) making it easy to maintain perfect water.
- Push-button operation and easy-to-view displays enable fast checking of salt levels, cell cleanliness, sanitizer output, and water flow.
- Automatic shut-off feature protects the unit and prolongs cell life under low water temperature conditions.
- Union inlet and outlet connections make cell replacement fast and easy.
- On-time cycling prevents calcium and scale build-up to maximize cell life.
- Ability to communicate with IntelliTouch Automation Systems.
- Certifies to UL 1081 standard for safety.

**IntelliChlor IC20** – Cell up to 20000 Gal  
**Stock No.: 520554.....\$699.95 /ea.**

**IntelliChlor Complete** – Cell & Power Center up to 20000 Gal  
**Stock No.: 520554K.....\$995.95 /ea.**

**IntelliChlor IC40** – Cell up to 40000 Gals  
**Stock No.: E.5649.....\$799.95 /ea.**

**IntelliChlor Complete** – Cell & Power Center up to 40000 Gal  
**Stock No.: 520555K.....\$1,099.95 /ea.**

**IntelliChlor Power Center** – Cell & Power Center up to 40000 Gal  
**Stock No.: E.5650.....\$399.95 /ea.**

**Sodium Chloride** – Pool Grade Salt 40 Lb. Sack  
**Comp No.: E.5645.....\$13.95 /ea.**

## ALGAE CONTROL

Algae is a very common problem in all water. There are many types of algae and these can be recognized by their color. Treatment can vary according to color. However, any treatment can only be successful if you brush walls frequently and keep chlorine at proper levels.

**Green, Black and Yellow Mustard Algae Treatment** – Algimycin 2000  
Use 16 ounces per 10,000 gallons initially, 4 ounces per 10,000 gallons weekly.

**Packed:** 32 oz. • **Comp No.:** NC005.....\$32.00 /ea.

**Mustard Algae Treatment** – Coral Seas Yellow-Out

The only patented scrub-free pool cleaner available today. Unlike toxic algacides, Yellow Out works with chlorine to safely clean your pool, spa, or fountain. Use 1 pound per 7,500 gallons.

**Packed:** 2 lbs. • **Comp No.:** NC007.....\$17.46 /ea.

## TILE, CHROME AND VINYL CLEANER

Removes oil grime rapidly and dissolves scale completely to restore the original surface lustre.

**Packed:** 1 qt.  
**Comp No.:** KS150.....\$14.95 /ea.

## PORTABLE FILTER – For Pools, Spas & Fountains

The BKP Portable Filter is a heavy duty, all stainless steel unit with an adjustable base complete with welded stand, wheels and handle. Ball-bearing wheels are equipped with grease fittings for ease of movement and long life. A stainless steel electric line bracket is mounted on the side.

Clears up bad water problems quickly, without wasting water, heat and chemicals. 84 square foot cartridge filter and 3/4 horsepower pump included. (Should be used with vacuum head, pool hose on page 119 and pool pole on page 120.)

**Stock No.:** BKP84.....\$1,495 /ea.

## NATURE<sup>2</sup> MINERAL PURIFIERS

Nature<sup>2</sup> Mineral Water Purifiers will cut your chlorine use by 80-90% in both pools and spas. Pool and spa water passes through a mineral bed that kills bacteria, algae, and viruses. The Nature<sup>2</sup> purifier then releases safe trace amounts of silver into the water to help prevent bacteria and algae growth. Nature<sup>2</sup> can be used in conjunction with every type of chemical treatment program except bromine, bromides, Baquacil or SoftSwim products. Nature<sup>2</sup> cannot be used with copper based algacides.

DESCRIPTION	STOCK NUMBER	PRICE EACH \$
<b>Nature<sup>2</sup> Spa Size Purifier</b> - lasts 4 months, for spas up to 1000 gallons	E5240	36.50
<b>Nature<sup>2</sup> Cartridge Filter Insert</b> - lasts 4 months, for pools up to 25,000 gallons	CF	70.00
<b>Nature<sup>2</sup> Cartridge Housing</b> - 1.5" ports, for pools up to 25,000 gallons (for use with sand and diatomaceous earth filters) - cartridge not included	RM	294.00
<b>Nature<sup>2</sup> Cartridge</b> - lasts 6 months, for pools up to 25,000 gallons Larger models available (for pools up to 45,000 gallons) - call for details.	CRG25	110.00

## FILTRATION

For proper pool water maintenance, it is necessary to check both filtration and chemical treatment. Ensure that pumping and filtering systems are operating correctly. Organic debris which clouds the water and becomes food for algae and bacteria builds up in the pool if the filter is not operating properly. All types of filter cartridges and grids are available from Blue Ribbon Supply. Check on page 118 to see if your replacement filter is listed or call us with your filter model name and number.

### Filter Sand

**Packed:** 50 lbs. • **Comp No.:** NC264.....\$15.95 /ea.

**Diatomaceous Earth** – (to precoat filter grids add 1 lb. per square foot of filter area)

**Packed:** 25 lbs. • **Comp No.:** NC010.....\$14.95 /ea.

**Packed:** 50 lbs. • **Comp No.:** NC015.....\$26.40 /ea.

### Cartridge Filter Cleaner

An excellent concentrated soaking solution specially developed to remove dirt, debris, oils, grease, soap, iron, calcium and copper from all makes of polyester cartridge filters and Diatomaceous Earth (D.E.) filters. Each 32 ounce bottle will clean up to 110 square feet of filter area.

**Packed:** 1 qt. • **Comp No.:** NC276.....\$21.60 /ea.

## AQUA PERL™

Aqua Perl™ is a non-toxic, 100% crystalline silica free alternative to Diatomaceous Earth (D.E.). A 12 lb. bag of Aqua Perl™ is equivalent to a 25 lb. bag of D.E., making it lightweight and easier to handle! Makes filter cycles longer, without the caking or clogging that can result from D.E. or cellulose (paper pulp) alternatives.

**Packed:** 25 lbs. (D.E. Equivalent) • **Size:** 12 lbs.  
**Comp No.:** A6300.....\$17.99 /ea.

**Packed:** 1 • **Size:** D.E. Scooper (1 lb. capacity)  
**Comp No.:** A6195.....\$5.99 /ea.

## FILTER CHART

FYI

	SAND	CARTRIDGE	DIATOMACEOUS EARTH
Size of Particles Filtered	20 - 40 microns	10 - 20 microns*	2 - 5 microns
Relative Cost of Filter	\$\$	\$	\$\$\$
Relative Cost of Filter Media	\$	\$\$	\$\$\$
Cleaning Frequency (When the pressure gauge reads 10 p.s.i. higher than starting pressure (when brand new).	Unpredictable – depends on usage and system hydraulics. bather load.	Can range from daily to once a season depending on the size of the filter and D.E., the measure is 5" of mercury.	Depends on usage, filter design & system hydraulics. With vacuum
Replacement Frequency	When the pressure can't get down to within 5 p.s.i. of the initial pressure reading. This indicates that the sand particles have smoothed (typically 3 to 5 years).	Sta-Rite claims its Modular media has no reported replacements in the first 3 years on the market, and it may last 7 years.	After each backwash.
Strongest Selling Point	Requires the least attention.	No backwashing required.	Ultra-fine filtration gives sparkling water.
Popularity Pockets	Arizona, colder climates.	California, other sunbelt areas.	California, other sunbelt areas.
GPM Per Sq. Ft. of Filter Area	12.0 - 20.0 (High Rate) 1.5 - 5.0 (Rapid Rate)	.375 - 1.0	1.5 - 2.5 (W/O Slurry Feed) 2.0 - 3.0 (W/ Slurry Feed)
Accepted	3.0* (Rapid Rate), 15.0* (High Rate)	.375*	2.0* (W/O Slurry Feed), (W/ Slurry Feed)

\*At least one cartridge filter manufacturer claims to offer filtration down to 3 microns. \$=lowest cost, \$\$=moderate cost, \$\$\$=highest cost.

## STA-RITE SYSTEM 3™ FILTERS

Sta-Rite® System 3™ tanks feature Dura-Glass® construction for optimum durability, posi-lok™ clamping system for quick tank access and interchangeability of media choices (excluding PLM100 & PLM150). It's a revolutionary design for operation superiority and ease of maintenance and service.

**HOW MUCH TIME DO YOU SPEND CLEANING YOUR POOL ?****FYI**

Most automatic cleaners pay for themselves in one year. Plus, they act like a moving main drain and provide additional filtration of the water. This can actually reduce your sanitizer costs because the water is cleaner. Settled debris is removed quickly and the cleaner allows you to complete other tasks. According to the National Spa and Pool Institute, labor savings can be as high as 90%.

For 2" PVC pipe 40-140GPM  
Stock No.: RLA570351.....\$47.95 /ea.

**POOLGUARD DOOR ALARM**

The Poolguard Door Alarm can be used on most doors providing access to the pool. When a door is opened, an alarm sounds in 7 seconds if the adult pass through feature is not used, even if the door is closed. The alarm will continue to sound until an adult can reset.

- Complies with all building codes and UL

Listed under UL 2017

- Horns are 85 dB at 10 feet
- Audible low battery indicator
- 6 ft. of UL approved hookup wire, sensor switch & sensor magnet designed for gates

**Poolguard Door Alarm**  
Stock No.: PBMDAPT.....\$59.95 /ea.

### SELECTING THE CORRECT SIZE REPLACEMENT UNDERWATER LIGHT

**FYI**

When buying a replacement for your underwater light, check the following:

1. Manufacturer's name
2. Voltage (120V or 12V)
3. Wattage
4. Length of cord (from light to junction box)
5. The size of the light (determined by the diameter of the face rim)

Hayward

American Products/Pentair

Swimquip

### POOL LIGHTS

DESCRIPTION	COMPUTER NUMBER	STOCK NUMBER	PRICE EACH \$
Pentair/Amerlite Pool Light – 300 watt, 120 volt with 30' cord	E.6777	784241	130.00
Pentair/Amerlite Pool Light – 300 watt, 120 volt with 50' cord		782481	149.00

## HAYWARD MAX-FLO PUMPS

Hayward Max-Flo pumps set a new standard of value combining maximum performance and economy with an energy efficient motor and durable corrosion-proof materials. Suitable for light commercial and residential pool and spa applications.

**1.5" inlet and outlet, 4" trap, 0.5 h.p.(max-rated), 115 volt**

Stock No.: SP2800X5.....\$250.00 /ea.

**1.5" inlet and outlet, 4" trap, 0.75 h.p.(max-rated), 115/230 volt**

Stock No.: SP2805X7.....\$300.00 /ea.

**1.5" inlet and outlet, 4" trap, 1 h.p.(max-rated), 115/230 volt**

Stock No.: SP2807X10.....\$350.00 /ea.

**1.5" inlet and outlet, 4" trap, 1.5 h.p.(max-rated), 115/230 volt**

Stock No.: SP2810X15.....\$400.00 /ea.

**1.5" inlet and outlet, 4" trap, 2.0 h.p.(max-rated), 115/230 volt**

Stock No.: SP2815X20.....\$450.00 /ea.

## A. O. SMITH REPLACEMENT MOTORS

We believe that A. O. Smith make the best motors available. Some of the motors listed below are energy efficient and can save up to 12% of your electric bill, making them an even better choice.

### A. O. Smith C-Framed Keyed Motors

**0.5 h.p., keyed, 115/230 volt**

Stock No.: SSK1052.....\$110.55 /ea.

**0.75 h.p., keyed, 115/230 volt**

Stock No.: SSK1072.....\$125.00 /ea.

**1 h.p., keyed, 115/230 volt**

Stock No.: SSK1102.....\$140.00 /ea.

**1.5 h.p., keyed, energy efficient, 115/230 volt**

Stock No.: SSK1152.....\$172.00 /ea.

**2 h.p., keyed, energy efficient, 230 volt**

Stock No.: SSK1202.....\$215.50 /ea.

**3 h.p., keyed, energy efficient, 230 volt**

Stock No.: SSK1302.....\$300.00 /ea.

### A. O. Smith Square Flange Motors

**0.5 h.p., threaded, 115/230 volt**

Stock No.: SSQ1052.....\$115.50 /ea.

**0.75 h.p., threaded, 115/230 volt**

Stock No.: SSQ1072.....\$150.50 /ea.

**1 h.p., threaded, 115/230 volt**

Stock No.: SSQ1102.....\$165.00 /ea.

**1.5 h.p., threaded, energy efficient, 230 volt**

Stock No.: SSQ1152.....\$190.00 /ea.

**2 h.p., threaded, energy efficient, 230 volt**

Stock No.: SSQ1202.....\$239.00 /ea.

### A. O. Smith C-Frame STD Threaded Shaft Motors

**0.5 h.p., threaded, 115/230 volt**

Stock No.: SST1052.....\$115.00 /ea.

**0.75 h.p., threaded, 115/230 volt**

Stock No.: SST1072.....\$130.00 /ea.

**1 h.p., threaded, 115/230 volt**

Stock No.: SST1102.....\$145.00 /ea.

**1.5 h.p., threaded, 115/230 volt**

Stock No.: SST1152.....\$185.00 /ea.

**2 h.p., threaded, 230 volt**

Stock No.: SST1202.....\$232.65 /ea.

**3 h.p., threaded, 230 volt**

Stock No.: SST1302.....\$305.00 /ea.

## HAYWARD NORTHSTAR PUMPS

Hayward NorthStar pumps are designed for today's most demanding installations. The NorthStar is performance-designed to maximize flow and minimize noise. The NorthStar features a high efficiency motor, CPCC unions, rugged one-piece strainer housing molded of corrosion-proof PermaGlass XL, and a massive 220 cubic inch basket.

### Single Speed

**2" inlet and outlet, 0.75 h.p.(full-rated), 115/230 volt**

Stock No.: SP4007NS.....\$380.00 /ea.

**2" inlet and outlet, 1 h.p.(full-rated), 115/230 volt**

Stock No.: SP4010NS.....\$419.95 /ea.

**2" inlet and outlet, 1.5 h.p.(full-rated), 115/230 volt**

Stock No.: SP4015NS.....\$450.00 /ea.

**2" inlet and outlet, 2 h.p.(full-rated), 230 volt**

Stock No.: SP4020NS.....\$519.95 /ea.

**2" inlet and outlet, 3 h.p.(full-rated), 230 volt**

Stock No.: SP4030NS.....\$650.00 /ea.

### Dual Speed

The benefits of utilizing a 2-speed pump are as follows:

- Your pump will run more quietly
- Your pump will run cooler, potentially extending the motor life
- Your pump will use about 1/2 the electricity of your existing single-speed pump
- Your filter will work more efficiently, for most filter types
- Your pool water will circulate through the filter for more hours per day
- You can save as much as 50% on pumping energy cost, and
- You may qualify for a \$100.00 rebate from PG&E\*

(\*Please visit [www.pge.com/res/rebates](http://www.pge.com/res/rebates) for rebate program requirements.)

**NorthStar Pump – 2" inlet and outlet, 1.5 h.p.(full-rated), 115/230 volt**

Stock No.: SP4015.....\$599.95 /ea.

**NorthStar Pump – 2" inlet and outlet, 2 h.p.(full-rated), 230 volt**

Stock No.: SP4020.....\$695.95 /ea.

## PENTAIR STA-RITE PUMPS

Suitable for commercial and residential pool and spa applications.

### Max-E-Glas I Energy Efficient Pump

**2" inlet and outlet, 0.75 h.p.(full-rated), 115/230 volt**

Stock No.: PE5CL.....\$365.00 /ea.

**1.5" inlet and outlet, 5" trap, 0.75 h.p.(full-rated), 115/230 volt**

Stock No.: PE5DL.....\$400.00 /ea.

**1.5" inlet and outlet, 5" trap, 1 h.p.(full-rated), 115/230 volt**

Stock No.: PE5EL.....\$450.00 /ea.

### Max-E-Pro I Energy Efficient Pump

**2" inlet and outlet, 6" trap, 1 h.p.(full-rated), 115/230 volt**

Stock No.: PGE6E.....\$375.00 /ea.

**2" inlet and outlet, 6" trap, 1.5 h.p.(full-rated), 230 volt**

Stock No.: PGE6F.....\$399.00 /ea.

**2" inlet and outlet, 6" trap, 2 h.p.(full-rated), 230 volt**

Stock No.: PGE6G.....\$450.00 /ea.

**2" inlet and outlet, 6" trap, 3 h.p.(full-rated), 230 volt**

Stock No.: PGE6H.....\$599.00 /ea.

## PENTAIR INTELLIFLO® HIGH PERFORMANCE PUMP

The Intelligent pool pump that changes all the rules. A breakthrough in energy-efficiency and service life.

### Reduce energy cost by as much as 90%!

IntelliFlo constantly monitors water flow and electrical current, making sure that the filtration system is operating at peak efficiency.

### INTELLIFLO 4X160

It is the first programmable, variable speed technology pump and provides typical energy saving of 30% annually.

Four different speed programming (each between 400 and 3,450 RPM) for different jobs. Service life of critical parts is dramatically extended because the pump is always working at peak efficiency.

**IntelliFlow 4x160** - 230 volt  
Stock No.: 011013.....\$1,095.00 /ea.

### INTELLIFLO 3.2 KW

It uses as little as 1/10th horsepower or about 100 watts of electricity compared to other regular pumps that typically consume 2600 watts. Super quiet and produces just 7-10 decibels which is about half of the sound of a whisper. It tells you when your filter is dirty and needs to be cleaned. This pump is built in blockage detection and safety shut-off along with totally enclosed design, assuring long equipment life. It also senses loss of prime, overheating, freezing temperatures and voltage irregularities and automatically adjusts to protect itself from potentially harmful conditions. The new IntelliFlo delivers a level of cost-efficiency previously unheard of in swimming pool pumps. That's because of a revolutionary new motor and built-in microprocessor that programs IntelliFlo to work at the EXACT level - and no harder. The result is saving in energy consumption.

Features:

- Displays inform you of run time, mode and current status
- It tells you when and how to backwash your filter media
- Manual mode lets you override programming and run the pump using RPM or flow setting of your choice
- Programming is push-button. Easy, simple menus lead the way
- Capable of linking and communicating with IntelliTouch control systems for even greater automation possibilities. Plus, IntelliFlo provides these expanded control capabilities while achieving levels of energy and cost-efficiency never available before.

**IntelliFlo 3.2 KW** - 230 volt  
Stock No.: 011012  
Comp No.: E.6586.....\$1,495.00 /ea.

### INTELLICOMM COMMUNICATION CENTER

The Pentair IntelliComm communication center provides automatic control of IntelliFlo and IntelliFlo-4 pump. The IntelliComm provides four pairs of input terminal connections. These input connections are actuated by either 15 VAC to 240 VAC or 15 VDC to 100 VDC from the source device such as an automation controller, heater, or heat pump. Using the device's inputs, the four IntelliFlo external control programs can be enabled. If more than one input is active, the highest program number will be communicated to the IntelliFlo pump. The IntelliComm will always be configured to communicate to pump address number 1.

The IntelliFlo pump (P/N 011012) is programmed to run at a certain flow rate for each external control input whereas the IntelliFlo 4 (P/N 011013) is programmed to run at a specific speed for each input.

**IntelliComm Communication for IntelliFlo & IntelliFlow 4 Pump**  
Stock No.: PN/520641.....\$495.00 /ea.

## HOW TO CHOOSE A HEATER FOR YOUR POOL OR SPA

### How to Choose a Heater for Your Pool **FYI**

Using the sizing chart below to choose the correct size heater:

**First**, determine the difference between the desired pool temperature and the average air temperature during the coldest month you will be using your pool (referred to in the Heater Table as "Temperature Difference").

**Second**, calculate the surface area of the pool in square feet.

**Third**, refer to the heating table below. Listed are the maximum pool surface areas for each heater model with typical temperature differences. Make the appropriate selection.

### Sizing Chart for Pool Heater\*

**FYI**

BTU SIZE (000)	125	175	250	325	400
Temp. Diff	(Maximum Pool Surface Area (Sq.Ft.))				
15°F	667	933	1333	1733	2133
20°F	500	700	1000	1300	1600
25°F	400	560	800	1040	1280
30°F	333	467	667	867	1067
35°F	286	400	571	743	914

\* Sizing Chart is based on 3-1/2 m.p.h. average wind and average pool depth of 5.5 feet.

### How to Calculate Pool Size **FYI**

#### Step 1: Determine Average Pool Depth

(Depth of Deep End) \_\_\_ ft. + (Depth of Shallow End) \_\_\_ ft. = \_\_\_ ft. % 2 = \_\_\_ ft.  
(Average Pool Depth)

#### Step 2: Determine Capacity of Your Shape Pool

Square or Rectangle: Length \_\_\_ ft. x Width \_\_\_ ft. x Average Depth \_\_\_ ft. x 7.5 = gallons (Volume)

Circular: Diameter \_\_\_ ft. x Width \_\_\_ ft. x Diameter \_\_\_ ft. x Average Depth x 5.9 = gallons (Volume)

Oval: Long Diameter \_\_\_ ft. x Short Diameter \_\_\_ ft. x Average Depth \_\_\_ ft. x 5.9 = gallons (Volume)

### How to Choose a Heater for Your Spa **FYI**

To determine which size heater to specify, first identify the number of gallons your spa holds. Decide the heat-up time which is most consistent with your lifestyle, and then note on the chart below the size heater necessary to achieve that. The chart indicates the approximate time required to raise spa temperature 30°F.

Note: there is a significant difference in heating time for the various size heaters.

### Sizing Chart for Spa Heater **FYI**

BTU SIZE (000)	5.5 KW (18766 BTU)	11 KW (37532 BTU)	50	125	175	250	325	400
Spa Size (gal.)	Time to Heat Spa 30°F (minutes)							
200	160	80	75	30	21	15	12	9
300	240	120	115	45	32	23	17	14
400	-	160	150	60	43	30	23	19
500	-	200	190	75	54	38	29	23
600	-	240	225	90	64	45	35	28
700	-	-	-	105	75	53	40	33
800	-	-	-	120	86	60	46	37
900	-	-	-	135	96	68	52	42
1000	-	-	-	150	107	75	58	47

### How to Calculate Spa Size **FYI**

Determine your spa capacity in gallons

Surface Area (L x W) x Average Depth x 7.5

### SPA & HOT TUB ELECTRIC HEATERS

Raypak spa/hot tub heater, side mounting, with 1.5" inlet/outlet water connections.

**Raypak 5.5 kw** – 220 volt electric heater  
Stock No.: ELS-555-2.....\$515.00\* /ea.

**Raypak 11 kw** – 220 volt electric heater  
Stock No.: ELS-1102-2.....\$565.00\* /ea.

(\*These prices are for will call pickup only. Delivery charge for all electric heaters is \$25.00 in our local delivery truck area.)

### RAYPAK LAARS SPA & HOT TUB GAS HEATERS

Ideal for bathtub, small in-ground and portable spas. 1.5" bronze headers. Please purchase the corresponding indoor or outdoor vent top when ordering.

**055 Versa Spa Heater, 55 MBTU**  
Propane, millivolt, standing pilot light  
Stock No.: 004684.....\$760.00\* /ea.

**Natural Gas, Electronic Ignition**  
Stock No.: 004686.....\$850.00\* /ea.

**Additional Charge for Indoor Vent Top** – for indoor installation  
Stock No.: 003722.....\$49.95\* /ea.

**Additional Charge for Outdoor Vent Top** – for outdoor installation  
Stock No.: 003709.....\$49.95\* /ea.

(\*These prices are for will call pickup only. Delivery charge for all gas heaters is \$50.00 in our local delivery truck area.)

### PENTAIR / STA-RITE MAX-E-THERM SPA, HOT TUB & POOL GAS HEATER

Built to outperform all other pool & spa heaters on the market today, the Max-E-Therm features a rust proof exterior, two temperature settings displayed in either F° or C°, weatherproof touch controls and weatherproof digital display that can rotate to six different positions to accommodate all plumbing configurations. Full diagnostic lights help troubleshoot problems and the Max-E-Therm's small size and light weight aid in installation. For indoor installations, purchase vent pipe separately, can be vented either horizontally or vertically.

#### Max-E-Therm

**SR200NA Dual Thermostat, 200,000 BTU**

**SR400HD Dual Thermostat, Cypro Nickle Heat Exchanger, 400,000 BTU**  
Stock No.: SR400MD.....\$2,202.55\* /ea.

**Additional Charge for Indoor Vent Pipe Kit** – for indoor installation  
Stock No.: .....\$125.00\* /ea.

(\*These prices are for will call pickup only. Delivery charge for all gas heaters is \$50.00 in our local delivery truck area.)

RAYPAK SPA, HOT TUB, & POOL GAS HEATERS

One look at the new revolutionary Raypak RP2100 pool/spa heater will tell you it is state-of-the-art... inside and out. Located on the RP2100's easy-to-read control panel is a clever display of self-diagnostic LED lights to let you quickly pinpoint and correct minor problems. Behind the front panel is an even more comprehensive array of service diagnostics to immediately direct technicians to the source of trouble. The RP2100's exterior PolyTuf coating means no cracking, scratching, peeling or fading. Performance is further enhanced by Raypak's "pagoda top" designed to keep the RP2100 operational even in extreme wind conditions and downdrafts. Models are rated at 80% efficiency. The best part of all is Raypak stands behind its reliability with a remarkable, five year parts and labor limited warranty on the heater cabinet, burner tray (less controls) and combustion chamber. The remainder of the heater is warranted for parts and labor for two full years. Replacement parts for Raypak and other heaters are available. Equipped with outdoor top. For indoor installations, purchase drafthood separately.

JANDY/TELEDYNE/ LAARS LITE 2 SPA, HOT TUB, AND POOL GAS HEATERS

Features reversible heat exchanger to permit installation with water connections on either side of the heater. Now 30% lighter and rated at 80% plus efficiency. Constant flow valve prevents scale buildup in the heat exchanger. Tile-free combustion chamber-20% lighter, no fireman switch required and no heat sinks. New top design maintains reliable performance in all wind conditions. LLD Model offers self-cleaning, instant hot surface ignition which provides quick-start-up every time & prevents sooting & burning. Encapsulated controls protects thermostats from corrosion & shorting. Temp-Lok allows you to set a maximum temperature and lock it in. 5 year limited warranty. Replacement parts for Teledyne Laars and other heaters are available. Equipped with outdoor top. For indoor installations, purchase drafthood separately.

JANDY / TELEDYNE / LAARS LX HOT TUB AND POOL HEATER

Advanced digital controls and simple operations make this the heater of the future. Plus, it's the first Heater that can talk directly to a Jandy AquaLink RS controller. User-friendly Graphical User Interface(GUI) lets you make precise adjustments and perform complete diagnostics with the touch of a button. Corrosion-resistant polymer construction produces greater flow capacity, longer heater life and improved pool circulation. Fan-assisted, controlled combustion provides consistent efficiency in any weather condition. Low-profile design and small footprint make this heater ideal for locations with limited space. Low NOx, meets all clean air standards.

OZONE GENERATORS

One of the main advantages of ozone generators is to enjoy amazingly clear and clean swimming pool or spa water without traditional chemicals. However, you may choose to operate your ozone generators with a secondary sanitizer. If so, we recommend a combination of ozone with a periodic dosing of non-stabilized chlorine for times of heavy bather load and algae control. Non-stabilized chlorine dissipates in less than 24 hours, leaving the pool chlorine-free.

Other choices for secondary sanitizers include bromine or stabilized chlorine. Additionally, ozone reduces or eliminates the formation of chloramines which cause eye and skin irritation as well as undesirable odor.

## RULE SUBMERSIBLE POOL COVER PUMPS

The first computerized submersible pump that is automatically controlled by a self-contained micro comp that checks for water every few minutes. If no water is present, pump will not run. No float switches. Rust and corrosion proof. Perfect for keeping water off of your pool cover. One year limited warranty on materials and workmanship.

**Rule Submersible Pumps** – 18 feet, 1800 gph maximum output, 24' cord, 1-1/8" discharge with garden hose adapter

Stock No.: A53S-24.....\$169.00 /ea.

**Hose Adapter Replacement** – 1-1/8" outlet to garden hose

Stock No.: 68.....\$8.95 /ea.

**Rule Pump Carrying Handle**

Stock No.: 79.....\$9.95 /ea.

## CLASSIC WINTER POOL COVERS – Above Ground

Made from exclusive Dupont TFBU woven fabric. 5 year limited warranty.

### Above Ground Classic Winter Cover

Cover Size: 15' • For Pool Size: 12' • Stock No.: winter12.....\$34.00 /ea.

Cover Size: 18' • For Pool Size: 15' • Stock No.: winter15.....\$52.00 /ea.

Cover Size: 21' • For Pool Size: 18' • Stock No.: winter18.....\$60.00 /ea.

**Inflatable Float** – For use with above pool covers to cause draping effect to drain.

Size: 4' x 4' • For Pool Size: all • Stock No.: -.....\$13.70 /ea.

**Water Ejector, Water Hose, and Water Syphon** – For removing winter rainwater from on top of cover before removal.

For Pool Size: all • Stock No.: -.....\$12.00 /ea.

## FLOATING SPA COVERS

Floating spa solar blanket covers use the energy of the sun to raise the heat of your spa water temperature by 10 degrees or more in season. Solar blankets will save you money by cutting your heating costs, reducing your water evaporation by 90% (thus saving you chlorine and chemical costs) and help keep your water cleaner. Can easily be cut to fit irregularly shaped spas.

SOLAR COVER BENEFITS...

FYI

- Cuts heating bills up to 70%
- Reduces water evaporation up to 90%
- Cuts chemical consumption
- Raises water temperature at least 10 degrees with full sun exposure

SAVE WATER

FYI

5,000 to 20,000 Gallons this Year

You will save thousands of gallons of water with a pool cover. If the pool is heated, the heating cost will be reduced 50% or more.

BASIC POOL EVAPORATION CHART

SURFACE AREA	Weekly Loss	Monthly Loss	Weekly Loss	Monthly Loss	Weekly Loss
	1/2" evaporation / week	1/2" evaporation / week	1" evaporation / week	1" evaporation / week	2" evaporation / week
450 sq. ft.	140 gal.	600 gal.	280 gal.	1200 gal.	560 gal.
576 sq. ft.	180 gal.	771 gal.	360 gal.	1542 gal.	719 gal.
648 sq. ft.	202 gal.	865 gal.	405 gal.	1730 gal.	807 gal.
800 sq. ft.	250 gal.	1071 gal.	499 gal.	2142 gal.	999 gal.

EXAMPLE: A 16" x 36" pool with a weekly evaporation rate of 1/2" will lose 180 gallons a week, or 771 gallons in a month.

Pools differ in evaporation rates due to air heat, shade, water temperature, etc. Arrive at your pool's present rate by marking the tile - then compute the weekly savings.

A POOL COVER REDUCES EVAPORATION BY 90-95%

SOLAR SUN RINGS

The Solar Sun Ring is a passive solar swimming pool heating device made from two sheets of heavyweight U.V. resistant vinyl. The outer air chamber and central air chamber keep the Solar Sun Ring afloat and the two vinyl layers apart creating an insulating air pocket. The upper clear layer focuses the sunlight on the lower layer. The blue layer contains copper to help it absorb about 50% of the sunlight and convert it to heat. The balance of the sunlight is allowed to pass through for deep water heating. Each unit will produce 21,000 BTU per day. At night the air trapped between the two sheets of vinyl acts as an insulating blanket to retain heat gained during the day. The outer edge of Solar Sun Rings is equipped with six magnets that cause the individual rings to raft together. The magnets hold the rings in contact with each other and allows a person to drag the Solar Sun Rings across the pool for easy removal. The magnets do allow the rings to separate in the case of an accidental tumble into the pool, which helps prevent entrapment issues.

Solar Sun Rings – 60" Pool Cover

Color: Blue • Stock No.:SSRSSRPN.....\$29.95 /ea.

## PAINT

**ESTIMATE THE QUANTITY OF PAINT REQUIRED** **FYI****RECTANGULAR POOLS**

Length x Width x 1.5 = Total Square Feet

**OVAL POOLS**

Length x Width x 1.65 = Total Square Feet

**FREE FORMS POOLS**

Length x Width x 1.6 = Total Square Feet

**LAZY "L" POOLS**

Length x Width x 1.65 = Total Square Feet

**TECH TIPS!****FYI**

What you should know before painting your pool...

- Clean the surface to be painted with Surface Cleaner
- Remove all loose paint with a brush
- Apply a 15% to 20% Muriatic Acid solution to pool surface to etch or remove mineral deposits
- Neutralize surface with Surface Cleaner and rinse
- Apply Pool Poxo Primer and Pool Poxo II pool coating as directed
- Remember to follow manufacturer's directions and allow enough time to dry before refilling pool.

**POOL POXY II COATING PAINT – Pool, Spa & Fountains High Gloss 2 Part Solvent based Epoxy**

For concrete and plaster finishes. Colors are white, black, bahama blue, lake blue and electric blue. Safe for fish and animals. Lasts 5-7 years. Cures in 3-6 days. Covers approximately 275 square feet per gallon.

**Nelsonite Pool Poxo II Coating**

– gallon can

Stock No.: CRC.....\$59.95 /ea.

**POOL POXY PRIMER & PAINT – Pool, Spa & Fountains**

Two-part solvent base epoxy primer for use with all Nelsonite epoxy topcoats. Required for unpainted steel, aluminum, concrete and plaster. Cures in 3-6 days. Covers approximately 250 square feet per gallon.

**Poolpoxy Primer, for smooth surfaces**

– gallon kit

Stock No.: PPP.....\$59.95 /ea.

## DIVING BOARDS

**SR SMITH FIBRE-DIVE FIBERGLASS BOARDS**

Diving board with two wood runners. These boards can be used with the Cantilever Jump Stand or the Flyte Deck II Fiberglass Base Stand below. Boards are drilled with two holes, 12" centers. Base not included.

**6' x 18" Fibre Dive Board**

Color: white • Stock No.: 66-209-266S2-1.....\$426.75 /ea.

Color: tile blue • Stock No.: 66-209-266S1-1.....\$426.75 /ea.

Color: marine • Stock No.: 66-209-266S3-1.....\$426.75 /ea.

**8' x 18" Fibre Dive Board**

Color: white • Stock No.: 66-209-268S2-1.....\$519.75 /ea.

Color: tile blue • Stock No.: 66-209-268S1-1.....\$519.75 /ea.

Color: marine • Stock No.: 66-209-268S3-1.....\$519.75 /ea.

**FIBERGLASS STANDS AND BOARDS**

Flyte Deck

Cantilever

Use either a Fibre-Dive or Glas-Hide board in combination with the Flyte-Deck II or Cantilever stand to complete unit. Both stands are 1/2 meter and white in color.

**Flyte-Deck II Stand with Fibredive Board****With 6' Fibredive Board**

Stock No.: 68-209-7362.....\$826.95 /ea.

**With 8' Fibredive Board**

Stock No.: 68-209-7382.....\$955.95 /ea.

**Cantilever Stand with Fibredive Board****With 6' Fibredive Board**

Stock No.: 68-209-5962.....\$1329.75 /ea.

**With 8' Fibredive Board**

Stock No.: 68-209-598L.....\$1655.95 /ea.

**DIVING BOARD REPAIR KITS**

Non-slip coating refinishes your old worn diving board surfaces. Contains one quart of Convoy Epoxy, one textured roller, cover, one pint of solvent, and instructions for easy installation.

Stock No.: U100.....\$79.95 /ea.

**VINYL POOL REPAIR KIT**

If your vinyl pool liner is leaking from a pin-hole or a tear, we now have an inexpensive alternative to buying a new vinyl liner. Will work wet or dry.

**Vinyl Pool Repair Kit** – 2 oz. tube of adhesive and 130 square inches of patching vinyl

Stock No.: 859

Comp No.: E.6365.....\$9.95 /ea.

**FYI**

Color temperature (also known as Chromaticity) describes the visual coolness or warmth of a light source. It creates the mood or ambiance of the space you are lighting. Color temperature is measured in degrees Kelvin (K). The lower the number, the warmer the light source.

**2,700K - 3,000K = warm white**  
**3,500K = neutral/medium white**

**FYI**

We have energy saving specialists on staff to help you save money on your energy bill. Feel free to call and speak to these specialists at any time.

### COLD CATHODE LAMPS

A cold cathode light is a tubular light that works by passing an electrical current through a gas or vapor, much like neon lighting. Cold cathode lights do not get hot, are up to five times brighter than neon lighting and have one of the longest lives of any lighting fixture. Unlike incandescent bulbs, the longevity of one of these lights is not shortened by the repeated action of turning it off and on.

BALLASTS

Save energy with our Maxi-Miser II System. Econowatt lamps and Maxi-Miser II ballasts can reduce your lighting energy costs by as much as 21% – while giving you the light needed for good productivity. We offer a specially designed system of energy-saving lamps and high performance, energy-saving ballasts for F40, F96 Slimline and F96 High Output lighting applications. Low wattage loss Maxi-Miser II ballasts operate cooler than standard fluorescent ballasts, giving you longer ballast life. And there is an exclusive three-year warranty (warranty term is three years from date of manufacture). Using Econowatt lamps and Maxi-Miser II ballasts offers flexibility in specifications and maintenance – since each is also U.L. listed for use with other standard or energy-saving lamps and ballasts. Save on lighting energy costs. Use the chart below for energy saving information and ordering.

LOW VOLTAGE HALOGEN REFLECTOR LAMPS

Blue Ribbon's range of halogen reflector lamps provide you with a variety of wattages and beam spreads for your "low voltage" (12 volt) lighting needs. This unique optical light source requires the use of mechanical and electrical support from the luminaire. Perfect for specialty lighting needs in most locations.

## STANDARD ALUMINUM-BASED INCANDESCENT LIGHTBULBS

Incandescent lamps are the most familiar type of light source, with countless applications in any establishment. Their advantages include low cost and reliability, good rendering of color and the fact that they need no additional control accessories (like ballasts). Incandescent lamps are ideal for applications where good color is important.

## LONG LIFE BRASS-BASED INCANDESCENT LIGHTBULBS

The biggest cost in any lighting program is not the light bulbs themselves, but the labor costs associated with maintaining adequate lighting. These bulbs will drastically reduce your labor costs! Designed as 130 volt bulbs, when used in a 120 volt circuit (standard in the United States) these bulbs will last 5000 hours compared to the usual 1000. Reinforced filaments reduce burn-out time. Energy costs are reduced. Brass base will not oxidize or freeze in socket. Removal is easier.

Mercury Vapor Lamps

High Pressure Sodium Lamps

## HIGH PRESSURE SODIUM LAMPS

High pressure sodium lighting (HPS) is one of the most energy-efficient types of lighting available and is economical to install. In addition to being up to 6 times more efficient than incandescent lamps and up to 3 times more efficient than mercury vapour, HPS lamps last up to 6 years, even when operating over 12 hours per day.

## METAL HALIDE LAMPS

- Universal Burning
- High Intensity Discharge Lamps
- Enclosed Fixtures Only

Metal halide provides a partial solution to one of the most challenging problems faced by our industrialized society - the ecological impact of power generation. It is the smallest high efficiency optical package available, and the most energy efficient white light source known to man. Converting to energy efficient metal halide lighting could save an estimated 10% of the total energy consumed in the United States, resulting in a potential savings to consumers of over 16 billion dollars each year. In addition, dramatically reducing fossil fuel consumption would in turn reduce emissions of pollutants, such as carbon dioxide, sulfur dioxide and nitrogen oxides. Long lasting and compact metal halide lamps can also make a significant difference in the amount of solid waste produced each year. Metal halide lamps provide 45 times the lumen hours that incandescent lamps do so that relamping and lamp disposal need to be performed less often.

**KIMBERLY-CLARK WORKWEAR**

The patented nonwoven fabric of Kleenguard workwear is made from three layers of polypropylene. This soft, cloth-like, multi-layer fabric permits air to pass through and helps to reduce the risk of heat stress by allowing the body to cool itself naturally. Further, the fabric is an effective barrier to most particulates, resists liquid splashes and meets Class 1 normal flammability. A wide variety of workwear is available for specific tasks and cannot be shown here. Please contact us for more information concerning your specific needs.

## EYE WASH STATION

DESCRIPTION	COMPUTER NUMBER	STOCK NUMBER	SIZE (H X W X D)	PRICE EACH \$
<b>Portable Gravity Fed Eye/Face Wash Station</b> -	7396		28 1/8" x 26" x 12"	31.95
Eye wash station that is portable for use in places where a plumbed-in station is not available or places without potable water. Designed to meet the ANSI requirements for handicap accessibility. Meets 15 minute minimum flush time. 2 gallon tank capacity.				
<b>Eye Saline Concentrate Refill</b> -	7396C		1 gallon	44.95
Eye saline (salt) solution is specially formulated for use with above to make clean tap water more like the body's tears. Solution also balances the pH of water to protect the user from further damaging their eyes. Two gallons of saline concentrate will fill above.				
<b>Eye/Face Emergency Wash Kit</b>	E.8439	7335	5 5/8" x 1 3/4" x 7 3/8"	208.08
Chrome plated brass eye wash unit attaches to existing faucets. Allows normal water to flow when not in use. Pull actuator pin with water running to flush eyes or face with a continuous soft aerated water stream. Hands-free when unit in operation. Wide angle arms are adjustable for accurate water directions. Does not meet ANSI standards. Can be used as a second station. Fits all standard 3/4" 27" male faucets.				
<b>Double Eye/Face Wash Station</b>	M7349	7349	13"x 11" x 4"	41.34
Durable, plastic station with two 16 oz. bottles of saline solution. Wide mouth bottles provide initial flushing for alkali and acid splash. Safely sealed and dated to guard against contamination. Meets ANSA Z358.1-1990 (as a personal eye wash only).				
<b>Replacement Bottle for 7349</b>	E.4870	7349I-90	16 oz.	15.74

Packed: 1

Stock No.: EVECEL2NOK.....\$19.99 /ea.

**ENERGIZER® HEAVYDUTY FLASHLIGHT**

Energizer® Heavy Duty Industrial flashlight is built for maximum performance. Polypropylene construction withstands severe impact.

- Survives 5' drop
- Resistant to oil and solvents
- Large slide switch
- Bright Krypton bulb
- Powered by 2 AA batteries (not included)

Comp No.: DU025.....\$4.95 /ea.

**ENERGIZER® LED SAFETY FLASHLIGHT**

Features and Benefits

- UL/MSHA/CSA Approved Safety Flashlight
- Three bright white Nichia LED bulbs with focused lens for uniform spot
- Powered by 2 AA batteries (not included)

Packed: 6 • Stock No.: MS2AALED

Comp No.: E.6771.....\$102.48 /cs.

**ENERGIZER® LED INDUSTRIAL FLASHLIGHT**

Features and Benefits

- UL/MSHA/CSA Approved Safety Flashlight
- Three bright white Nichia LED bulbs with focused lens for uniform spot
- Powered by 2 AA batteries (not included)

Packed: 6 • Stock No.: IN2AALED

Comp No.: E.6772.....\$102.48 /cs.

**ENERGIZER® LED INDUSTRIAL FLASHLIGHT**

Features and Benefits

- UL/MSHA/CSA Approved Safety Flashlight
- Powerful 1 watt LED by Lumileds is over 12 X brighter than standard
- Powered by 2 D batteries (not included)

Packed: 6 • Stock No.: IN2DLED

Comp No.: E.6773.....\$135.81 /cs.

**ENERGIZER® LED PEN LIGHT**

Features and Benefits

- Runs over 100 hours on 1 set of Energizer® alkaline batteries
- Aluminum casing with soft-touch rubber push button switch
- Powered by 2 AAA batteries (not included)

Packed: 6 • Stock No.: PLED23AE

Comp No.: E.6774.....\$54.00 /cs.

**BARRIER TAPE**

Polyethylene tape effectively communicates possible hazards. Use warning tape for the protection and identification of hazardous areas.

**"Caution Do Not Enter" Barrier Tape**

Size: 3" x 1000'  
Stock No.: 7327.....\$22.95 /ea.

**"Caution" Barrier Tape**

Size: 3" x 1000' • Stock No.: 7328  
Comp No.: IM101.....\$24.90 /ea.

**"Caution Wet Floor" Barrier Tape**

Size: 3" x 1000'  
Stock No.: 7329.....\$22.95 /ea.

**"Caution"/"Cuidado" Barrier Tape** – English and Spanish  
Size: 3" x 1000' • Stock No.: 7328B.....\$22.95 /ea.

**SAFETY FLOOR SIGNS – Multi-Lingual (English / French / Spanish)**

Lightweight, versatile signs for effective safety communication.

- "Closed" and "Caution" warning messages imprinted in English, French, and Spanish
- Folds for convenient storage and transport on Janitor Cart (6173) or Rim Caddy (9W87)
- Two-and four-sided models available
- ANSI and OSHA compliant color and graphics

**Floor Sign with Multi-Lingual "Caution" Imprint, 2-Sided**

Size: 26" L x 11" W x 12" D • Stock No.: 6112  
Comp No.: E.7469.....\$13.95 /ea.

**Floor Sign with "Caution Wet Floor" Imprint, 2-Sided**

Size: 26" L x 11" W x 12" D • Stock No.: 6112-77  
Comp No.: E.7470.....\$13.95 /ea.

**SITE SAFETY HANGING SIGNS – Bilingual (English / Spanish)**

Sign and pole combination for blocking doorways and entrances.

- Twisting action secures pole in doorways up to 50" wide to prohibit entry
- Soft, pliable sign rolls around pole for easy storage

Size: 13" H x 50" W x 1" D (open) • Stock No.: 9S16  
Comp No.: E.7729.....\$22.50 /ea.

**OVER-THE-SPILL® SYSTEM**

Slip resistant pads quickly cover spills and alert pedestrians.

- Each yellow pad is coded with universal caution symbol and "Caution Wet Floor" message in English and Spanish
- Dispensing station mounts on flat surfaces

**Over-the-Spill® Station Kit includes: Pad Dispenser, 25 Large Pads & Fasteners**

Size: 21" L x 17¾" W x 1½" D • Stock No.: 4251  
Comp No.: E.7381.....\$47.95 /ea.

**Over-the-Spill® Station Refill Pads for #4251: Large**

Size: 20" L x 16½" W • Packed: 25 pads • Stock No.: 4252  
Comp No.: E.7382.....\$15.95 /cs.

**Over-the-Spill® Station Refill Pads for #4251: Medium**

Size: 16½" L x 14" W • Packed: 25 pads • Stock No.: 4253  
Comp No.: E.7383.....\$15.45 /cs.

**Over-the-Spill® Pad Tablet**

Size: 16½" L x 14" W • Packed: 25 pads • Stock No.: 4254  
Comp No.: E.7384.....\$14.95 /cs.

**ANTI-SKID TAPE**

Helps prevent slip related injuries for many applications. Anti-skid tape is adhesive backed grit surface which provides long-lasting protection even when exposed to heavy traffic, water or grease. Use indoors or outdoors. Conforms to irregular surfaces. Black color.

**Anti-skid Tape** – narrow • Packed: 1 roll • Size: 2" x 60'  
Stock No.: 7372 • Comp No.: M7372.....\$40.46 /ea.

**Anti-skid Tape** – wide • Packed: 1 roll • Size: 6" x 60'  
Stock No.: 7374 • Comp No.: M7374.....\$107.95 /ea.

**SAFETY FLOOR SIGN – Bilingual (English / Spanish)**

With its bright yellow color and bold graphics, this floor sign demands attention wherever you place it. It's made of durable polypropylene. Hot stamped lettering and graphics won't chip, peel or fade. This modern, high-visibility floor sign is perfect for temporary placement in any environment.

Size: 28" H • Color: yellow • Stock No.: MI7007  
Comp No.: MM700.....\$24.95 /ea.

**POP-UP SAFETY CONES – Multi-Lingual (English / French / Spanish)**

Collapsible, automatically deployable cone.

- Durable cone material withstands rough handling
- Wall-mounted, shatter proof storage tube provides easy and compact storage
- Storage tube mounting hardware includes tape and screws

Size: 30" H x 21" W x 21" D • Stock No.: 9S01  
Comp No.: E.7723.....\$39.95 /ea.

**FOLDING SAFETY CONES – Multi-Lingual (English / French / Spanish)**

Large cone folds with a simple twist and slides into compact shell for handy storage.

- Made of spring steel and durable, easy-clean fabric
- Highly visible - 30% more surface area than competitive fabric safety cones
- Large when deployed; compact when folded and stored in shell
- Storage shell mounting hardware includes tape, strap, and screws

Size: 20" H x 18¾" W x 13" D (open) • Stock No.: 9S07  
Comp No.: E.7725.....\$28.95 /ea.

Dear Customer:

Thank you for your interest in establishing a credit account with our firm. It is our philosophy that credit is a privilege, and like you, we allow credit to those who have proven that they are responsible for their debts. In keeping with this philosophy, we ask you to spend a few minutes completing this form.

## 5 AGREEMENT, RELEASE & SIGNATURE

I hereby certify that the information I have provided is true and accurate.  
 In consideration for credit being extended, I (we) acknowledge and agree to the terms and conditions on the reverse side. I (we) have reviewed them carefully. They will constitute our contract unless we agree in writing to changes or additions.  
 I hereby certify that you may obtain and investigate any information you deem necessary for the evaluation of my credit status.

AGREED TO AND ACKNOWLEDGED BY <b>X</b>	TITLE
NAME (PLEASE PRINT)	DATE

**CREDIT TERMS & CONDITIONS**

- I Payment is jointly, severally and unconditionally guaranteed within 30 days of date of delivery;
- II any charges unpaid after the above 30 days will be increased by 1.5% per month (annual rate, 18%) as liquidated damages. You hereby agree that such liquidated damages amount is reasonable. Payment of the liquidated damages amount does not constitute waiver of prompt payment; all amounts are payable when due. When you have a delinquent account with us (over 30 days old) we will not sell any more merchandise to you until the balance has been cleared. Repeated late payments will result in the account being reverted to C.O.D. status;
- III any charges still outstanding after 90 days from date of delivery are subject to collection through the legal system. Arbitration expenses, attorney's fees, and court costs will be awarded to the prevailing party;
- IV title to all goods shall remain with Blue Ribbon until all invoices and additional charges have been paid in full;
- V you represent that you are solvent. On each order and on each delivery, this representation shall be deemed to be renewed and incorporated by reference unless notice to the contrary is given in writing by you to us at or before delivery of the goods;
- VI all claims, requests for adjustments, or notification of errors must be made in writing within 10 days, or charges are considered accepted;
- VII all returns are subject to pre-approval in advance and a 15% restocking fee;
- VIII all returned checks are subject to a minimum \$25.00 charge;
- IX this agreement shall apply to all current and future charges unless revocation is received by registered mail;
- X credit privileges may be withdrawn at any time without invalidating the terms of this agreement; and you may not assign this agreement without our prior written consent.

**ORDERING BY PHONE:**

Placing your order by telephone is very quick and easy. If you are located in the San Francisco Bay Area, you

may reach us by calling:

**1.650.873.3500**

If you are calling from anywhere in the United States outside the San Francisco Bay Area, you may reach us by calling our toll free number:

**1.800.443.6066**

Customer service personnel are available to answer your questions and assist you with your order during the hours of 8:00 a.m. to 5:00 p.m. (Pacific Standard Time), Mondays through Fridays (excluding holidays). Our highly trained customer service staff can help you with your order requirements in English, Spanish, or Cantonese. Please specify your desired language immediately when you reach us to be connected to one of our language specialists.

**ORDERING BY FAX:**

You may order quickly by fax 24 hours a day, 365 days a year. Simply complete our order form and fax with credit card

and expiration date or alternative method of payment (COD or pre-approved credit authorization number if applicable) to:

1.650.588.7061

Please be sure to sign the order form where indicated and include your phone or fax number in case we have any questions about your order.

**ORDERING BY MAIL:**

If you prefer, you may order by mail. Simply complete our order form with all details pertaining to your order,

enclosing your check, money order, credit card details or alternative method of payment (COD or pre-approved credit authorization number if applicable). We cannot accept cash.

**BLUE RIBBON SERVICE:**

We take pride in our industry recognized high level of customer service. We do not want to keep you waiting.

Items in stock are shipped immediately or according to our pre-set delivery schedule (see page 3). We deliver anywhere.

**BLUE RIBBON'S 100% GUARANTEE:**

100% Guarantee. If a Blue Ribbon product fails to meet your expectations for any reason,

we will gladly replace it immediately.

**PAYMENT METHODS:**

We offer you a choice of payment options. You may send us a check by mail, or major credit card (Mas-

terCard, Visa or American Express) by mail, phone or fax. COD payments may be made within our delivery area at no extra cost. COD payments for deliveries outside our delivery area may be subject to surcharge. Please call us to inquire about any applicable COD surcharges on deliveries outside our delivery area. Payment by pre-approved charge is subject to review and approval by Blue Ribbon Supply. Taxes and delivery fees are priced separately.

# COME VISIT US!

If you ever have the opportunity to be in the San Francisco Bay area, please set aside some time to visit our offices, showroom, and distribution facility in South San Francisco. We stock thousands of products in our 40,000 square foot warehouse.

We are conveniently located just 10 minutes south of San Francisco and 5 minutes north of the San Francisco International Airport.

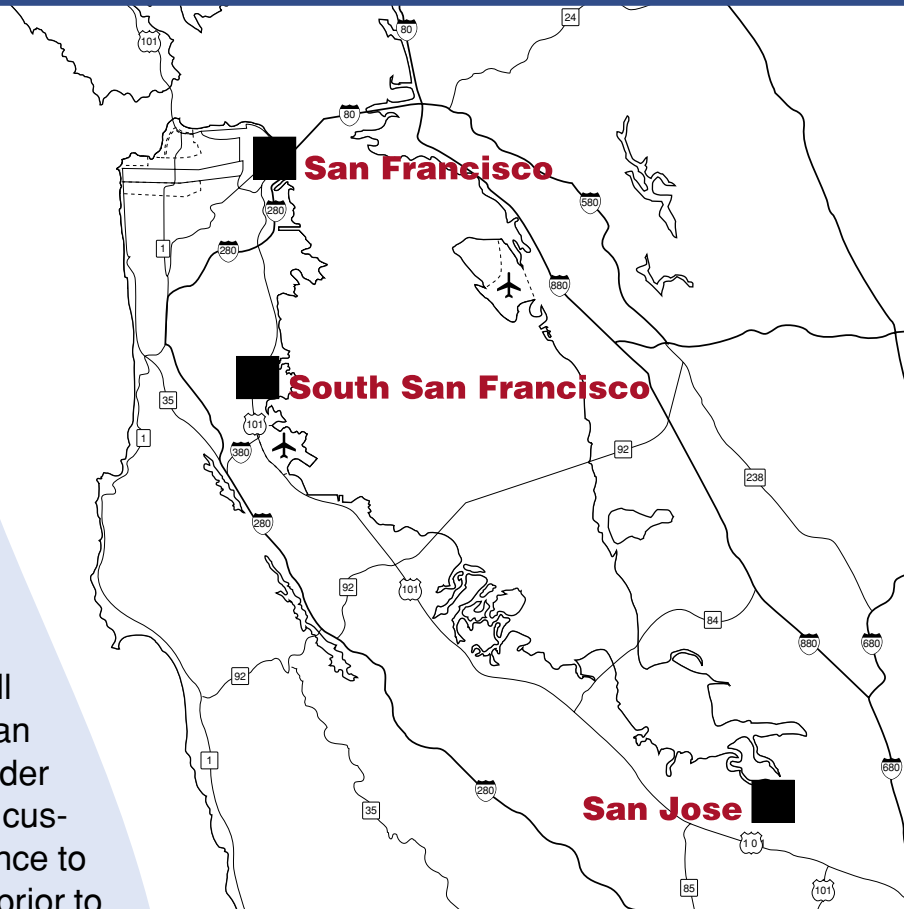

If you plan to pick up an order when visiting, please give us an advance call so that we may prepare it for you. We can speed you on your way by having your order ready when you arrive. If you are a new customer, an advance call will give us a chance to establish a record of your service needs prior to your first order.

**FROM THE NORTH** on Highway 101, exit at the Grand Avenue exit, make an immediate left turn and then another immediate left turn. You should now be heading east on East Grand Avenue. Continue in this direction until you reach Haskins Way. Turn right on Haskins Way. Turn left on East Jamie Court. Our building is on the left toward the end of the street — 451 East Jamie Court.

**FROM THE SOUTH** on Highway 101, exit at the Grand Avenue exit, turn right when you reach the bottom of the ramp. Proceed on this access street until you reach East Grand Avenue. Turn right onto East Grand Avenue. Continue in this direction until you reach Haskins Way. Turn right on Haskins Way. Turn left on East Jamie Court. Our building is on the left towards the end of the street — 451 East Jamie Court.
